How to log in, find your way around the Front Desk, and read the red numbers.

Welcome! This is our new system. It takes the place of EasyBusy. You do all of your desk work on one website. This page shows you how to get in and where things are.

Steps

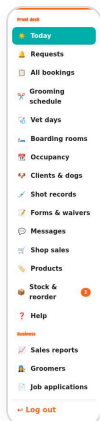

- 1** Go to our website on the desk computer. Press **Log In** at the top.
- 2** Type your work email and your password. Then press **Log in**.

The log in page

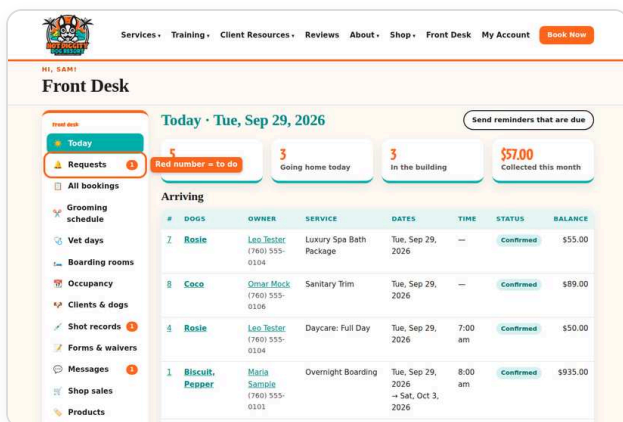

3 Press **Front Desk** at the top of the page. You land on the **Today** page.

4 Look at the menu on the left. It is the same on every Front Desk page.

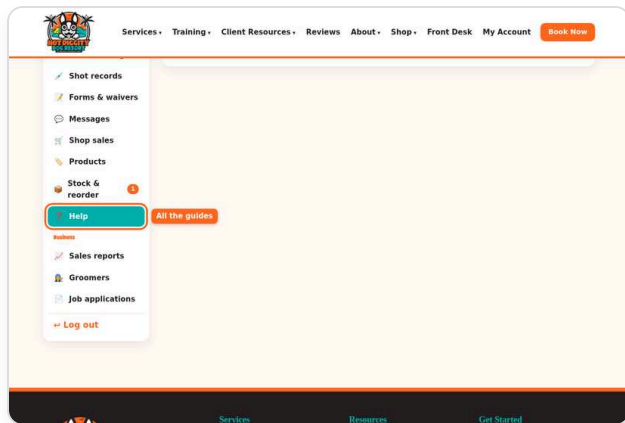

The Front Desk menu

5 Look for red numbers in the menu. A red number means there is work waiting. For example, the number by **Requests** is how many bookings need your answer.

A red number in the menu

6 Stuck? Press **Help** in the menu. Every guide is there.

The Help page

7

When you leave for the day, press **Log out** at the bottom of the menu.

- **Requests:** bookings you still need to say yes or no to.
- **All bookings:** find any booking. Search by owner, dog, or phone.

- **Shop sales:** ring up a sale at the desk.
- **Products** and **Stock & reorder:** what we sell and how many we have.
- **Help:** these guides.
- **Sales reports:** money we took in, and who still owes.
- **Staff:** groomer hours and time off.
- **Job applications:** people who want to work here.

Red numbers

- **Requests:** bookings that need a yes or no.
- **Shot records:** new records a client sent us. Check them.
- **Messages:** new texts, plus notes from the website contact form.
- **Stock & reorder:** items that are low on the shelf.
- **Job applications:** new job forms.

Good to know: On a tablet or phone, the top menu turns into a **Menu** button. Press it to find **Front Desk**.

Good to know: Owners see a few more menu items, like **Morning report**. You don't need those.

The Going home list

5 Look at **Waiting for your answer**. These are requests. Answer them soon. See Answer booking requests.

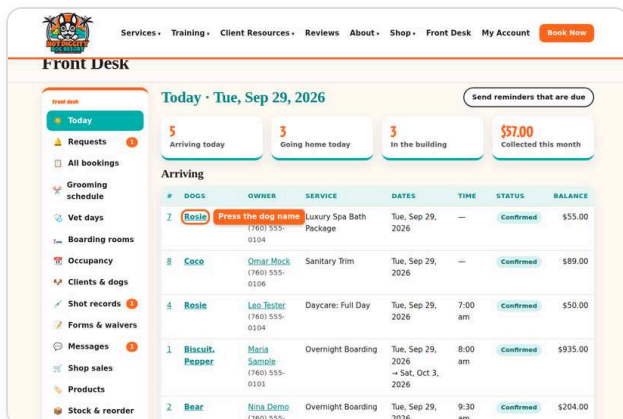

Requests waiting for you

- 6 Press **Send reminders that are due** once each morning. It sends the reminder emails and texts for coming visits. Anyone who already got one is skipped.

The reminders button

- 7 To open a booking, press the dog's name.

Press a dog name to open the booking

What else you may see

- **In the building:** every dog checked in right now.
- **Shots expiring soon (booked dogs):** a booked dog has a shot that runs out in the next two weeks. Call or text the owner. Ask them to upload the new record.
- A red box that says a dog is **past the pickup date and still checked in**. Find out why. Either check the dog out, or change the end date.

Tip: Press an owner's name to open their client page. Their phone number is right under the name.

Good to know: Grooms show up in **Arriving** too. The groomers work from the Grooming schedule.

Good to know: We open Monday to Saturday, 6:30 am to 6:00 pm. On Sundays and holidays, boarders only come or go by appointment, at 10 am or 4 pm.

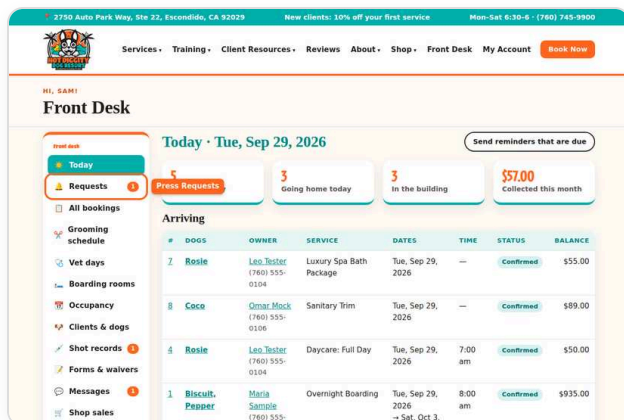

Answer booking requests

Say yes (Confirm) or no (Decline) to a booking a client asked for.

Some bookings come in as a **request**. A request is not booked yet. You must say yes or no. The client gets a text or email either way.

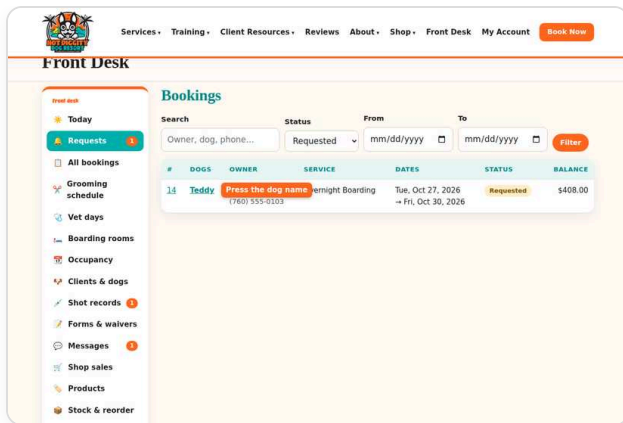

Steps

- 1 Press **Requests** in the menu. The red number shows how many are waiting.

Requests in the menu

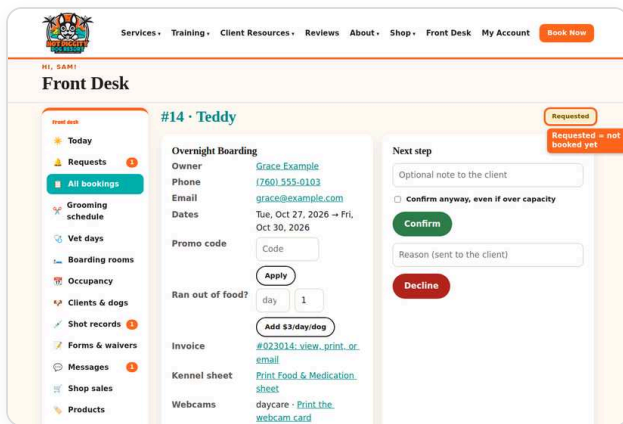

- 2 Press the dog's name to open the request.

The list of requests

3

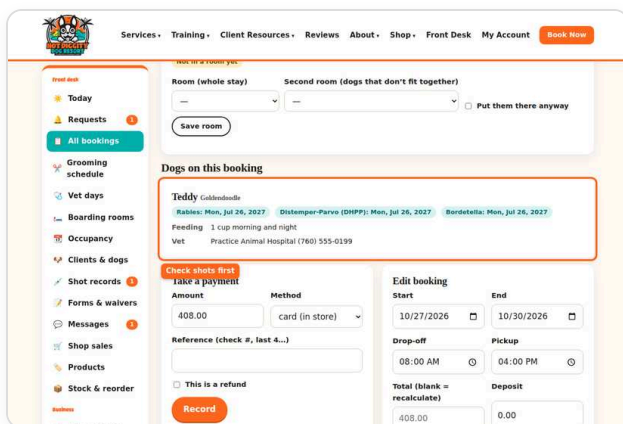

Check the top. It says **Requested**. That means it is not booked yet.

A request, still not booked

4

Scroll down to **Dogs on this booking**. Check the colored boxes. Green means OK. Red means a shot is missing or out of date. Yellow means a shot is not checked yet, or the dog needs a Temperament Assessment.

Check the dog's shots

5

To say yes, you may type a short note to the client. Then press **Confirm**.

The Confirm button

6 To say no, type the reason in **Reason (sent to the client)**. Then press **Decline**.

The Decline button

7 Read the green box at the top. For boarding, it tells you which suite the dog got.

The request is confirmed

Why is it a request?

Daycare and boarding book right away online only when all of these are true:

- The dog passed the Temperament Assessment.
- The dog came to daycare or boarding in the last 6 months.
- For boarding, the suite is not shared with another family's dog.

If not, it comes to you as a request. Grooming can book online with no assessment.

Good to know: Never tell a client a request is "booked." It is only booked after you press **Confirm**.

Good to know: A dog needs Rabies, DHPP, and Bordetella on file before the first visit. A dog must be spayed or neutered before 8 months of age for daycare and boarding.

Tip: If the stay asked for a groom before pickup, it goes on the grooming schedule by itself when you confirm.

If something goes wrong: Does it say **Over capacity**? We are full that day. Ask David before you make room. If he says yes, tick **Confirm anyway, even if over capacity** and press **Confirm** again.

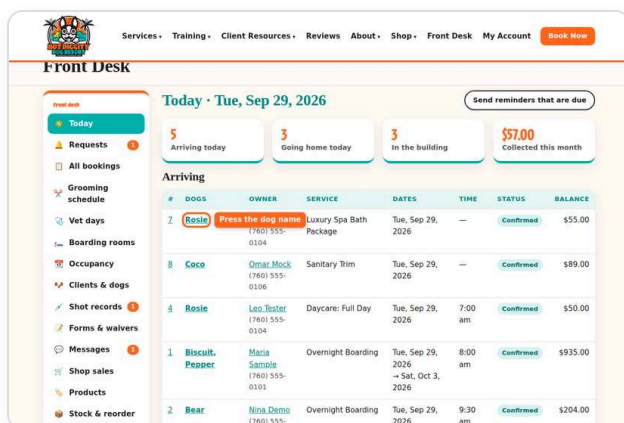

Check a dog in

Mark a dog as here when the owner drops off.

Check in every boarding and daycare dog when the owner drops off. Checked-in dogs show in **In the building** on the Today page.

Steps

- 1 Press **Today** in the menu. Find the dog under **Arriving**. Press the dog's name.

Press the dog's name

Scroll down to **Dogs on this booking**. Check the shot boxes. Green means OK.

The Food and Medication sheet

Good to know: A shot box can be red (missing or out of date) or say **(unverified)**. Don't take the dog for daycare or boarding until the shots are OK. See Shot records.

Good to know: A yellow box that says **Temperament Assessment needed** means the dog has not passed yet. That dog can only come for a Temperament Assessment day. See Temperament Assessment day.

Tip: The Food & Medication sheet uses the owner's online form. If it says there is no form on file, fill it in by hand at drop-off.

Tip: Grooms don't need **Check in**. The groomer can still send the 20-minute text and press **Done**.

If something goes wrong: The webcam card shows only the daycare camera? The dog is not in a suite yet. Pick a suite first. See Boarding rooms and suites.

The boarding packet

Every boarding dog gets a packet. It goes with the dog and stays on the kennel.

- 1 Open the boarding booking.
- 2 Next to **Boarding packet**, press  **Print the packet**.
- 3 Each dog gets four pages: the **Registration Form**, the **Food & Medication Form**, the **Overnight Boarding Details Form**, and the **Entry / Exit Evaluation**.
- 4 Most of it is filled in for you. Fill in the rest by hand at drop-off: the items to inventory, the entry evaluation, and your initials.

Check a dog out and take payment

Take the money, then mark the dog as gone home.

When an owner picks up, first take the payment. Then check the dog out. Do it in that order.

Steps

- 1 Press **Today** in the menu. Find the dog under **Going home**. Press the dog's name.

5 Pick how they paid in **Method**: card (in store), cash, check, Zelle, or gift card.

The screenshot shows the 'Take a payment' section of the website. The 'Amount' is 408.00 and the 'Method' is 'cash'. A red box highlights the 'Pick how they paid' button next to the 'Method' dropdown. The 'Reference (check #, last 4...)' field is empty. There is a 'Record' button at the bottom of the payment section. To the right, the 'Edit booking' section shows the start and end dates as 09/29/2026, drop-off and pickup times as 07:30 AM and 03:00 PM, and a total amount of 408.00.

Pick how they paid

6 Paid by check? Type the check number in **Reference**. For a card, you can type the last 4 numbers.

The screenshot shows the 'Take a payment' section with the 'Method' set to 'check'. The 'Amount' is 50.00. A red box highlights the 'Reference (check #, last 4...)' field, which contains the number '1042'. Another red box highlights the 'Type the check number' button next to the reference field. The 'Record' button is visible at the bottom. The 'Edit booking' section on the right shows the same dates and times as the previous screenshot, but the total amount is now 50.00.

Type the check number

7 Press **Record**.

The screenshot shows the 'Take a payment' section after the 'Record' button has been pressed. The 'Amount' is now 204.00. A red box highlights the 'Record' button. The 'Reference (check #, last 4...)' field still contains '1042'. The 'Tip (optional)' field is now 50.00. The 'Record' button is highlighted with a red box. The 'Edit booking' section on the right shows the total amount updated to 204.00.

The Record button

8 Check that the payment shows under the button. The balance is now lower.

The payment shows here

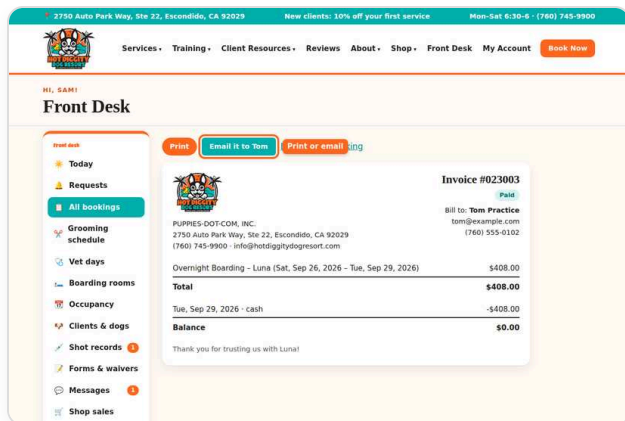

9 Scroll up to **Next step**. Press **Check out**. The owner gets a thank-you text or email.

Paying by card

Once the card reader is set up, the booking shows a **Charge on card reader** button above the form.

- 1 Check the **Amount (before tip)**.
- 2 Leave **Show the tip screen** ticked so the client can add a tip.
- 3 Press **Charge on card reader**.
- 4 Ask the client to pick a tip, then tap or put in their card.
- 5 Wait. The screen says **Paid** when it goes through. The tip shows too.

If the client changes their mind, press **Cancel**. If the card reader is not set up yet, you will see **No card reader set up yet**. Then run the card on the other machine and record it as **card (in store)**.

Good to know: Tips on the card reader are saved by themselves. A cash tip? Type it in the **Tip** box on the **Record** form. Tips go to the groomer on that appointment.

Good to know: A dog can't go home with money owed. The red box says how much. The **Check out** button stays gray until it is paid. The amount counts any groom or bath booked with the stay. Only David can let a dog leave before it is paid. He types the reason.

Tip: Does the client have a daycare pass? Use it before you take money. See Daycare passes and L.E.E.P.

Going home early

Is a boarder leaving before the planned day? Do this before you take payment.

- 1 On the booking, press **Going home early?**
- 2 Check the **Pickup time today.**
- 3 Stayed less than 5 nights, with a free bath booked? Ask the owner if they still want the bath. It now costs the regular price. Pick their answer.
- 4 Press **End the stay today and re-price.**
- 5 The price changes to the nights they stayed. The bath or groom moves to finish before pickup. If they paid too much, the message tells you how much to refund.

Tip: Did a boarder run out of food and eat ours? Before checkout, type the days in **Ran out of food?** and press **Add \$3/day/dog.**

The screenshot shows the Hot Diggity Dog Resort website interface. On the left is a navigation menu with options like 'Today', 'Requests', 'All bookings', 'Grooming schedule', 'Vet days', 'Boarding rooms', 'Occupancy', 'Clients & dogs', 'Shot records', 'Forms & waivers', 'Messages', 'Shop sales', 'Products', 'Stock & reorder', and 'Help'. The main content area displays client information: Phone (760) 555-0101, Email (client@example.com), Dates (Tue, Sep 29, 2026 - Sat, Oct 3, 2026), and a Promo code field. Below this is the 'Ran out of food?' section with a 'day' dropdown set to '2' and an 'Apply' button. A red box highlights the 'Add \$3/day/dog' button, and another red box highlights the 'Ran out of food? step' button. To the right, there's a 'Text the owner' button and a message about checking in. At the bottom, a 'Check out' button is visible. The total amount due is \$935.00.

Add food we supplied

If something goes wrong: Typed the wrong amount? Record the same amount again with **This is a refund** ticked. Then record the right amount. Tell David so the books match.

Good to know: No card reader handy, or the client is on the phone? Charge their card on file, or type the card in. See Card on file, or type in a card.

Tip: Change a phone or email later in **Contact details** at the bottom of the client page. Press **Save client**.

Getting a new client set up

New clients have five quick steps before a first visit: an emergency contact, their dog, the dog's weight, a photo of the shot records, and the waiver.

- **Hand them the card.** Print the one-page **Get set up in 5 minutes** card (Help → **Get-set-up card**, two per page). Its QR code takes them straight to sign-up.
- **They see a checklist** with a progress bar when they log in, so they know what's left.
- **A reminder** goes out 3 days after sign-up if they haven't finished.
- **Their reward:** when all five steps are done, the code **NEWCLIENT** takes 10% off their first visit. It's filled in for them when they book.

On the phone, you can walk them through it, or book a request for them and let the checklist do the rest.

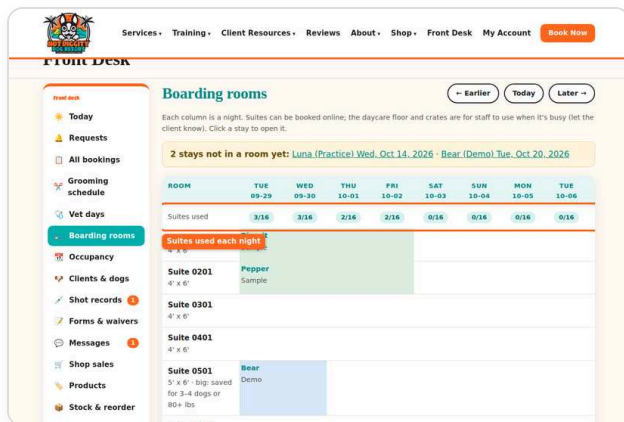

Boarding rooms and suites

See which dog is in which suite, pick a suite, and move a dog.

We have 16 boarding suites. The system picks a suite when you confirm a request. You can pick or change it by hand.

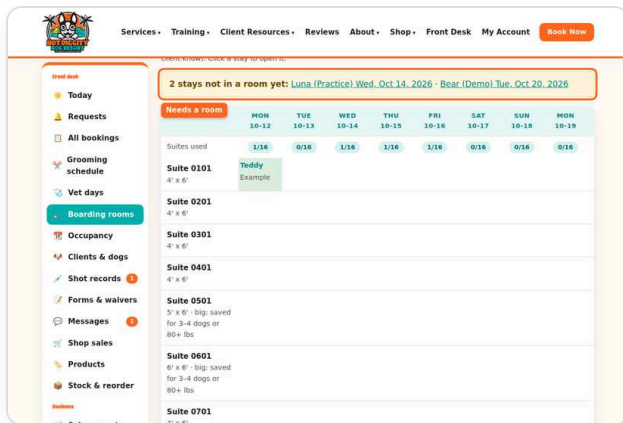

See the rooms

- 1 Press **Boarding rooms** in the menu. Each column is one night. Each row is a suite.
- 2 The **Suites used** row shows how many suites are full each night.

- 3 Use **← Earlier** and **Later →** to see other weeks. Press a dog's name to open the stay.
- 4 A yellow box at the top lists stays **not in a room yet**. Press each one and give it a suite.

3 Dogs that can't share? Pick a second suite in **Second room (dogs that don't fit together)**.

4

Press **Save room**.

The screenshot shows the 'Room' section of the booking interface. The 'Room (whole stay)' dropdown is set to 'Suite 0301'. Below it, there are two buttons: 'Save room' (highlighted with a red box) and 'Press Save room'. The interface also shows a sidebar with navigation options, a top navigation bar, and a 'Deposit' section with a balance of \$408.00.

The Save room button

5

The green box says **Room saved**.

The screenshot shows the 'Room saved' confirmation screen. A green box at the top says 'Room saved.' Below it, there is a 'Room saved' notification. The 'Overnight Boarding' section shows details for the dog 'Luna Labrador Retriever', including the owner's name, phone, email, dates, and a promo code. The 'Next step' section has a 'Check in' button and a 'Cancel' button. The 'Add \$3/day/dog' button is also highlighted with a red box.

The room is saved

To move a dog, do the same steps. Pick the new suite and press **Save room**.

Sharing a suite

Only dogs from the same family share. A suite can hold:

- up to 4 dogs of 20 lbs or less, or
- 3 dogs of 30 lbs or less, or
- 2 dogs of 60 lbs or less.

The first dog pays full price. Each extra dog in the same suite is \$5 off per night.

Good to know: Most suites are 4' x 6'. Suite 0501 is 5' x 6'. Suite 0601 is 6' x 6'. We save those two for 3 or 4 dogs sharing, or dogs over 80 lbs.

Good to know: A suite that says • **taken** is full for part of the stay. The system won't let you put a dog there. Tick **Put them there anyway** only if David says so.

Good to know: The **Daycare Floor** and the crates are for busy times. If you use one, tell the owner. The dog sleeps in a crate at night.

Tip: On busy holidays, a stay may be split. That means no one suite is free every night, so the dog changes suites partway. The move shows in a yellow **Suite moves** box on the rooms page.

Tip: Occupancy in the menu shows six weeks at a time. Use it when a caller asks, "Do you have room?"

The form contains several fields: 'Groomer' (a dropdown menu with 'Madison Hewett' selected), 'Day' (a date picker with '09/29/2026' selected), 'Start' (a time picker with '11:00 AM' selected), and 'Length (min)' (a text input with '90' entered). There are also checkboxes for 'Keep current price' and 'Book anyway if it overlaps'. A 'Move' button is at the bottom of the form. To the left of the form is a 'Take a payment' section with fields for 'Amount' (\$55.00), 'Method' (card in store), and 'Reference (check #, last 4...)'. 4

Good to know: A groom that moves to a different groomer can change price. The price follows the new groomer. Tick **Keep current price** on **Move this groom** to keep it the same.

Good to know: California law says lunch must start within the first 5 hours. The board warns you with **no legal lunch** if there is no room for it.

Tip: Double-click a groom block to open its booking. Or press **open** on the block.

Tip: Grooming card notes are on each groom's booking. Write the blade, style, and how the dog did. Press **Add note**.

The screenshot shows a web interface for a grooming business. The main content area displays a booking for a dog named 'Rosie Cavalier King Charles Spaniel'. It lists the groomer as 'Madison Hewett' and the date as '09/29/2026'. Keep the day back-to-back

- Online, clients only see times right at the groomer's start or right when their last groom ends. That keeps every groomer's day packed, with no gaps.
- Lunch is placed for you, about 4½ hours into the shift, and always before the 5-hour mark (California law).
- At the desk you can book any open time. If it leaves the groomer idle before it, you'll see **Heads up: this leaves 2 hr open before it**. Try to fill that time, or offer the client the back-to-back time instead.

If something goes wrong: It says **No groomers scheduled this day?** Nobody has hours that day. Hours are set under **Staff**. Ask David.

Groomers: the 20-minute text and Done

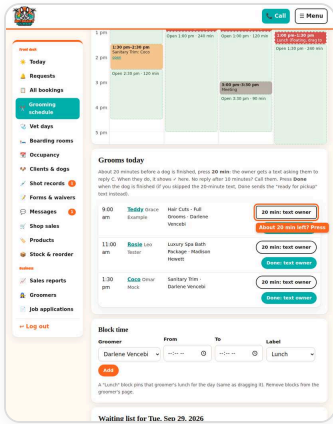

Text the owner 20 minutes before the dog is ready, then press Done.

The same buttons on the booking

Open the groom's booking. You see 🕒 **20 minutes out: text the owner** and ✂️ **Grooming done: text the owner**. They work the same way.

The buttons on a booking

Good to know: The owner gets only one text from you. If you sent the 20-minute text, **Done** does not send a second one.

Good to know: Some owners don't take texts. They get an email instead. The row says **Emailed**. They can't reply C, so no call is needed.

Good to know: Is the dog staying on in boarding? Then there is no pickup. No text goes out. Just press **Done**.

Tip: On a tablet, the site's top menu is behind the **Menu** button. Press **Menu**, then **Front Desk**.

- **Yellow** or **(unverified)**: on file, but nobody checked it yet.

Good to know: The Today page lists **Shots expiring soon (booked dogs)**. These are booked dogs with a shot that runs out in the next 2 weeks. Ask the owner for the new record.

Good to know: No shots on file, no daycare or boarding. Shots must be current before the first visit.

If something goes wrong: Can't read the photo? Reject it with the reason "Photo is blurry." Or call the vet and ask them to email it.

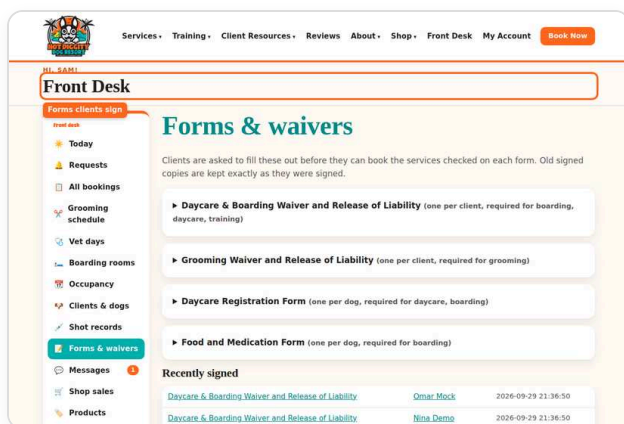

Forms and waivers

See who signed, read a signed form, and add a paper form.

Clients sign our forms online, like the waiver and the Food & Medication form. They must sign before they can book. You can read every signed form.

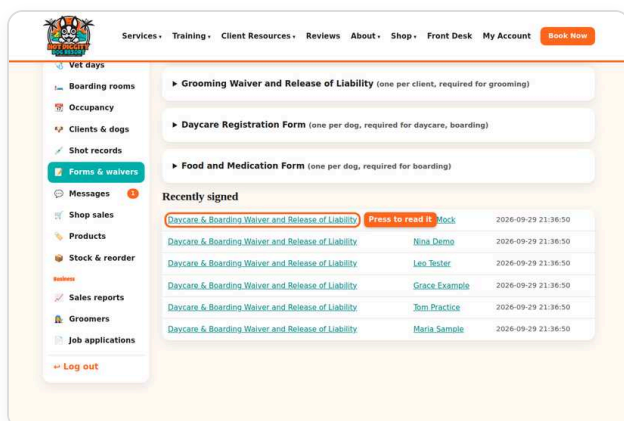

Steps

The forms page

- 2 Scroll to **Recently signed**. Press a form name to read it.

Recently signed forms

- The signed form shows the client, the dog, the date, and the name they signed with. Print it from the browser if you need paper. The time shown is in UTC, which is 7 or 8 hours ahead of our time.

The screenshot shows a web interface with a sidebar on the left containing various menu items like 'Requests', 'All bookings', 'Grooming schedule', 'Vet days', 'Boarding rooms', 'Occupancy', 'Clients & dogs', 'Shot records', 'Forms & waivers', 'Messages', 'Shop sales', 'Products', 'Stock & reorder', 'Sales reports', and 'Groomers'. The main content area displays a form titled 'Daycare & Boarding Waiver and Release of Liability'. The form fields are filled with: Client: Omar Mock (omar@example.com), Signed: 2026-09-29 21:36:50 UTC, and Signature: /Omar Mock/. Below the signature field is a button labeled 'Who signed and when'.

A signed form

- To see one client's forms, open their client page. Scroll to **Forms**. **current** means it is still good. **expired** means they need to sign again.

The screenshot shows the 'Forms' section of a client's page. At the top, there's a section for 'Easybusby paid through' with a dropdown menu set to 'Enter their card now (auto-pay)' and a date field 'mm/dd/yyyy'. Below this is a checkbox for 'For "card now": I read the client the renewal terms (charged every month until they cancel; cancel online or by phone) and they agreed.' and a button 'Add membership'. A note states: 'Monthly memberships are billed to the client's card automatically. "Enter their card now" opens the secure card page on this screen.' The 'Forms' section shows a table of forms for the client 'Leo Tester' (760) 555-0104. The table has columns: #, DOGS, OWNER, SERVICE, DATES, STATUS, and BALANCE. - Open the client page. Open the dog under **Dogs**.
- Find **Attached forms**. Pick the **Form**.
- If it runs out, type the **Expires** date.
- Pick the photo or PDF in **Photo or PDF**. Add a **Note** if you want.
- Press **Attach**.

Attach a paper form

Good to know: Only David can change the words on a form. You can read them, but not edit them.

Good to know: Old signed forms never change. We keep them just as the client signed them.

Tip: No Food & Medication form for a boarder? The printed sheet says so. Fill it in by hand at drop-off.

If something goes wrong: A client says the site won't let them book because of a form? Ask them to log in to their account and sign it there. Then they can book.

Where a client's forms are kept

Open the client's page. Scroll to **Forms & documents**. The client's waivers and training inquiries are under their name. Each dog's forms are under the dog's name, with any paper copies. Each dog's card also shows **Forms on file**, and marks what is still **needed**.

Good to know: A dog already coming here doesn't need the registration form or a new Temperament Assessment. On the dog's card, check **Approved for daycare & boarding** and press **Save**.

Good to know: The Food and Medication Form is needed for every boarding dog. The medication part can be left blank.

CANCEL and STOP

If a client texts only the word **CANCEL** or **STOP**, the phone company turns their texts off. After that, we can't text them.

- A text that says only CANCEL shows a red box: **"CANCEL" by itself turned this client's texts off. They may have meant their appointment. Please call them.** Call them. Ask what they meant.
- When texts are off, the client page says **(texts turned off)**. You can only send an email.

Texts are off for this client

- To turn texts back on, the client texts **START** to our number.

Good to know: Don't tick **OK to text** again for a client who texted STOP. Only the client can turn texts back on, by texting START.

Good to know: Email replies from clients go to the office inbox, not here.

Tip: From the website lists notes from our contact form. Answer them, then press **Mark handled**.

Tip: Emails & texts sent lists every message the system sent by itself, like reminders.

Each vet day has its own box. It shows the cleaning times, who has each one, and the **5:00 pm vaccine clinic** list.

One vet day

Report cards and webcam logins

While a dog is checked in, you can send the owner a report card. It tells them how the dog is doing. You can also give them the webcam login.

Send a report card

- 1 Open the booking of a dog that is checked in. Scroll to **Report cards**.
- 2 Pick the **Dog**. Type the **Mood** and **Meals**.

3 Type a short **Note to the owner**.

The screenshot shows the 'Report cards' form in the Hot Diggity Dog Resort system. The form has three dropdown menus: 'Dog' (set to 'Biscuit'), 'Mood' (set to 'Happy and playful'), and 'Meals' (set to 'Ate all breakfast and dinner'). Below these is a text area for 'Note to the owner' containing the text 'Biscuit made a new friend in the play yard today!'. There is a checkbox labeled 'Email/text it to the owner now' which is checked. At the bottom of the form are two buttons: 'Save report card' and 'Press Save report card'. The left sidebar contains links for 'Products', 'Stock & reorder', 'Help', 'Sales reports', 'Groomers', 'Job applications', and 'Log out'. The footer includes the company logo, address (2750 Auto Park Way, Ste 22, Escondido, CA 92029), and various service and resource links.

The report card form

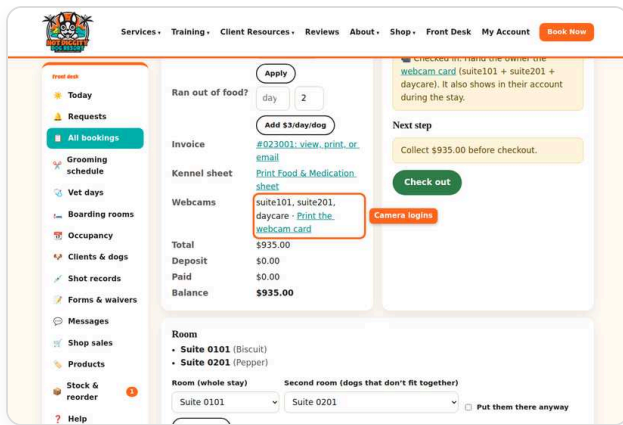

5 The card shows under the form. The owner can see it in their account too.

This screenshot shows the same 'Report cards' form as before, but with an additional section below the 'Save report card' button. This section displays the saved report card information: 'Biscuit · Tue, Sep 29, 2026 · Happy and playful · Ate all breakfast and dinner' followed by the note 'Biscuit made a new friend in the play yard today!'. Below this information is a 'Saved and sent' button. The rest of the form and the sidebar are identical to the previous screenshot.

The webcam usernames

2 Press **Print the webcam card**. Then press **Print the webcam card** at the top.

The webcam card

3 Give the card to the owner. It has the web address, the username, and the password.

Good to know: Daycare has one camera login. Its username is "daycare." Each boarding suite has its own login. Its username is the suite number, like suite101.

Good to know: The camera password is not a secret. You may give it out on the phone.

Good to know: The cameras are not a way to watch dogs all night. There is no staff overnight. Never say we are open 24/7.

Good to know: Crates have no cameras.

If something goes wrong: The card says the camera password isn't saved yet? Tell David. He adds it in the settings.

4

Press **Add membership**.

Start a membership

Members show an **L.E.E.P. member** tag on their bookings.

Good to know: The pass button only shows when the client has credits for that kind of daycare. A full-day pass works for full days. A half-day pass works for half days.

Good to know: Pressing **Use pass credits** twice does not use two credits. It works once per booking.

Good to know: Leave **Still billed by EasyBusy** and **Comp / staff dog** to David.

If something goes wrong: No pass button, but the client says they have a pass? Check that the pass is for the same dog. Also check that it has not expired.

Good to know: **Little Digs** is the unlimited pass for dogs under 30 lbs (\$440, 30 days, full or half days, one dog). See **Little Digs (unlimited daycare)**.

If something goes wrong: Not sure if the dog passed? Ask Penny or David before you press a button.

After the dog passes: the Daycare Card

- 3 Press  **Daycare Card** next to the dog's name. Load the 5" × 8" card stock and print.

Tip: On **Today**, press  **Daycare Cards for today** to print a card for every approved dog here or arriving today.

Card on file, or type in a card

Charge a card the client saved, or type a card in at the keyboard (phone orders, or a card handed to you).

You can take a card three ways: the **card reader**, a **card on file**, or **type it in**. Use the reader when the client is standing there. It costs us less. Use a card on file or type it in when they call, or when the reader isn't handy.

Charge a card on file

- 1 Open the booking (or the shop sale). Scroll to **Take a payment**.
- 2 Under **Card on file, or type in a card**, press **Card on file**.

3 Check the amount. Pick the card. Ask about a tip: **No tip, 10%, 15%, 20%, or \$ Other.**

4 Press **Charge**. The site asks "Charge \$55.00 to Visa •••• 4242?" Press **OK**.

Pick the card, the tip, then Charge

5 A green box at the top says **Charged \$55.00 to the card on file.**

Careful: If it says the bank wants the client to approve the charge, send them a pay link or use the card reader.

Type in a card

1 Press **Type in a card**.

2 Check the amount and the tip.

3 Does the client want us to keep the card for next time? **Read them the words next to "Keep this card on file."** Check the box only if they say yes.

Read this to the client first

4

Press **Next: type in the card.**

5

Type the card number, the date (MM/YY), the 3-digit code, and the ZIP code, all in the one box.

Type the card here

6

Press **Charge**. The green box says **Paid \$55.00 by card.**

Good to know: The card number goes straight to Stripe, our card company. Our website never sees it or keeps it. Never write a card number down.

See or remove a client's saved cards

1

Open the client's page. Scroll to **Cards on file**.

2

Press **Remove** next to a card to take it off. To save a card without charging it, check the box (after reading it to the client) and press **Add a card**.

Cards on file

Good to know: "card taken on another machine (just recording it)" doesn't charge anything. Use it only to write down a card payment that was already taken somewhere else.

The waiting list

Put a caller on the waiting list for a full day or full dates. The site tells everyone waiting when a spot opens.

No more notebook. When a day is full for grooming, or the dates are full for boarding or daycare, put the client on the waiting list in the site. Clients can also join it themselves online.

When any booking is cancelled, **everyone waiting for those dates gets a text right away** (or an email if they don't take texts). Whoever books first gets the spot. The office gets an email saying who was told.

Add a caller to the waiting list

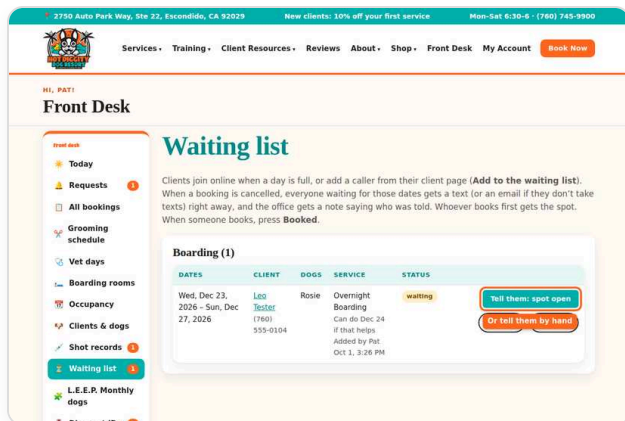

- 1 Open the client's page. Scroll to **Add to the waiting list**.
- 2 Pick the service. Type the date. For boarding or daycare, also type the pickup date.
- 3 Check the dogs. Add a note if it helps, like "Can do Dec 24."
- 4 Press **Add to the waiting list**.

The screenshot shows the 'Add to the waiting list' form on the Hot Diggity Dog Resort website. The form is titled 'Add to the waiting list' and includes a 'Create booking' button. Below the title, there is a section for 'Service' with a dropdown menu set to 'Overnight Boarding'. To the right of the service dropdown are two date fields: 'Date (first night for boarding)' set to '12/23/2026' and 'Pickup date (boarding/daycare)' set to '12/27/2026'. Below these fields is a 'Dogs' section with a checkbox for 'Rosie' which is checked. Underneath the dogs section is a 'Notes' field containing the text 'Can do Dec 24 if that helps'. At the bottom of the form is a red button labeled 'Add to the waiting list'. A red box highlights the 'Add to the waiting list' button and the 'Notes' field. Below the form, there is a section for 'Dogs' showing 'Rosie' as a Cavalier King Charles Spaniel with various health status indicators.

Fill in and press Add

See everyone who is waiting

- 1 Press **Waiting list** in the menu. The red number shows how many are waiting.
- 2 **Told** means the site already let them know about an opening.
- 3 Press **Tell them: spot open** to send the message yourself. Press **Booked** when they book. Press **Remove** if they don't want it anymore.

Or tell them by hand

Tip: If the email to the office says a message was **NOT sent**, call that client.

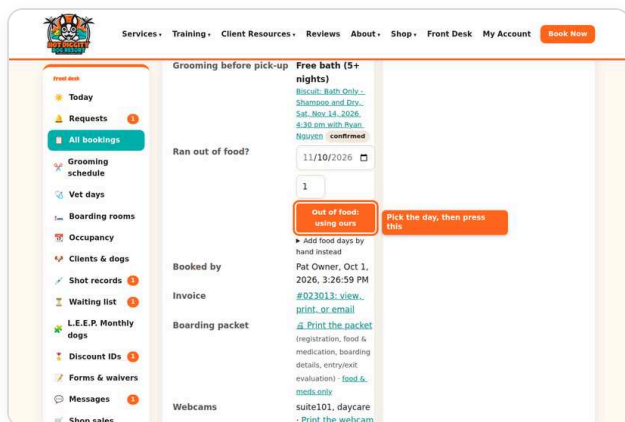

A boarder ran out of food

Mark "Out of food: using ours" once. The \$3 a day charge adds itself through pickup.

When a boarder's food runs out, we feed them our house food. It's \$3 a day per dog. You don't have to tell the front desk. Mark it once, and the charge goes on the bill by itself, from that day through pickup.

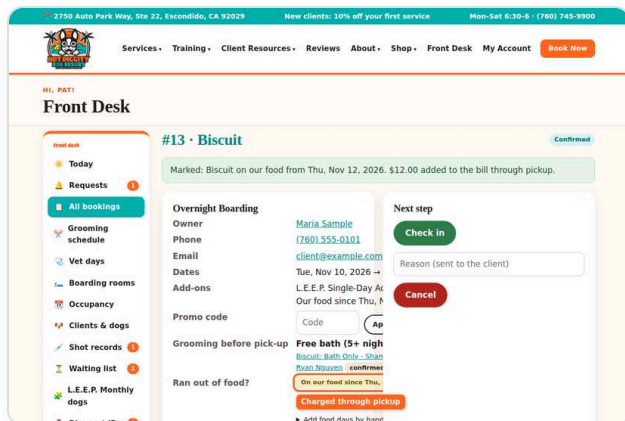

Mark it

- 1 Open the dog's boarding stay. (On **Boarding rooms**, press the dog's name.)
- 2 Find **Ran out of food?** Pick the first day on our food. Check how many dogs.
- 3 Press **Out of food: using ours**.

Pick the day, then press this

- 4 A yellow tag says **On our food since...** The charge is on the bill.

Charged through pickup

Good to know: If the pickup day changes, or the dog goes home early, the charge changes by itself. If you marked it by mistake, or the owner brings more food, press **Undo**.

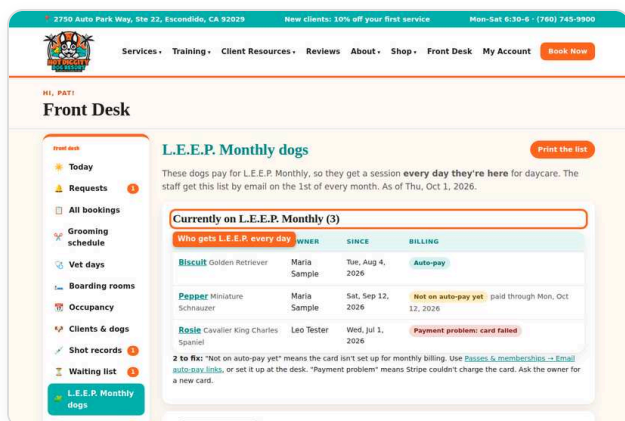

Who gets L.E.E.P. (and how many days)

The L.E.E.P. Monthly list, and the L.E.E.P. question on every boarding stay.

L.E.E.P. Monthly dogs

Dogs on **L.E.E.P. Monthly** get a L.E.E.P. session **every day they're here** for daycare.

- 1 Press **L.E.E.P. Monthly dogs** in the menu.
- 2 The list shows each dog, the owner, and the billing. **Auto-pay** is good. **Not on auto-pay yet** or **Payment problem** goes to the front desk to fix.
- 3 Press **Print the list** for the daycare room. The staff also get it by email on the 1st of every month, with who joined and who left.

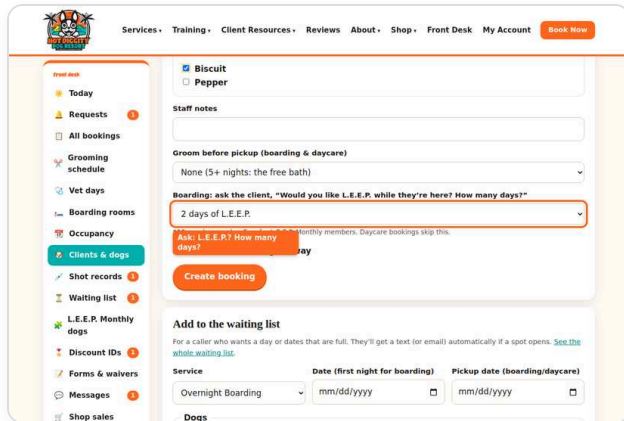

Who gets L.E.E.P. every day

L.E.E.P. by the day on a boarding stay

Every boarding booking asks: **Add L.E.E.P.? How many days?** A client might board 5 days and want L.E.E.P. on 2 of them.

- 1 When you book a stay at the desk, ask the client: "Would you like L.E.E.P. while they're here? How many days?"
- 2 Pick their answer in the L.E.E.P. box: **No L.E.E.P.**, **Every day**, or a number of days. The booking won't save until you pick one.

A screenshot of the Hot Diggity Dog Resort website's booking interface. The left sidebar shows various menu items like 'Today', 'Requests', 'All bookings', 'Grooming schedule', 'Vet days', 'Boarding rooms', 'Occupancy', 'Clients & dogs', 'Shot records', 'Waiting list', 'L.E.E.P. Monthly dogs', 'Discount IDs', 'Forms & waivers', 'Messages', and 'Shop sales'. The main content area is titled 'Boarding' and includes a 'Biscuit' checkbox, a 'Pepper' checkbox, a 'Staff notes' field, a 'Groom before pickup (boarding & daycare)' dropdown, and a 'Boarding: ask the client, "Would you like L.E.E.P. while they're here? How many days?"' dropdown menu. The dropdown menu is open, showing '2 days of L.E.E.P.' selected. Below this is a 'Pay' button and a 'Create booking' button. At the bottom, there is a section for 'Add to the waiting list' with a 'Service' dropdown, a 'Date (first night for boarding)' field, and a 'Pickup date (boarding/daycare)' field.

Ask: L.E.E.P.? How many days?

- 3 To change it later, open the booking. Use **L.E.E.P. on this stay** under **Edit booking**, then press **Save changes**.

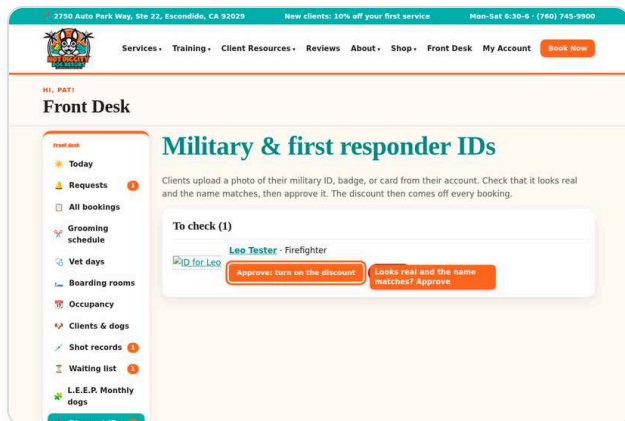

Good to know: The number of days prints on the boarding packet in # **L.E.E.P. Days**. Monthly members show **Member**.

Military and first responder IDs

Check the ID a client sent, then turn the discount on.

Military, firefighters, police, EMTs and paramedics, and 911 dispatchers get a discount. Clients send a photo of their ID from their account.

- 1 Press **Discount IDs** in the menu. The red number shows how many are waiting.
- 2 Look at the photo. Does it look real? Does the name match the client?
- 3 Press **Approve: turn on the discount**. Or press **Decline**.

Looks real and the name matches? Approve

Good to know: Once it's on, the discount comes off every booking by itself.

Dematting and other by-the-hour add-ons

Dematting is \$60 an hour, in 15-minute steps. Get the owner's OK first.

Dematting (taking out mats) is **\$60 an hour, billed in 15-minute steps**. A brush-out is the same price. Hand scissoring and hand stripping are also priced by the hour.

- 1 If a coat is matted, tell the owner about the dematting fee **before** you start. Get their OK.
- 2 On the groom, add **Dematting, priced per hour**. Type the time in hours: **0.25** is 15 minutes, **0.5** is 30 minutes, **0.75** is 45 minutes, **1** is an hour.
- 3 The price works itself out.

Careful: Brushing out mats that hurt the dog isn't kind. If shaving down would be kinder, talk to the owner first.

Phone calls the phone agent took

Every call the phone agent answers leaves a short note for the desk. Calls that need a person stay at the top until someone handles them.

When the phone agent answers a call, it leaves a note, like a message slip from an answering service. The note says who called, why, and what the agent did (booked, moved, cancelled, sent a link).

The phone agent isn't turned on yet. This page fills up once it is.

Where to find the notes

- **Front Desk → Phone calls.** The number next to it is how many calls are waiting for a call back.
- **The client's page** also shows their last few calls, under **Phone calls with the phone agent.**
- The office email gets each note too. Urgent ones start with **URGENT**, and call-backs start with **Call back.**

Handle a call back

- 1 Open **Phone calls.** The ones that need you are under **Needs a call back.**
- 2 Call the client.
- 3 Press **Called back / handled.** If you pressed it by mistake, press **Undo.**

What the agent can and can't do

- It looks up a caller by their phone number, **and** asks for their dog's name before it tells them anything about their bookings.
- It books, moves a groom, or cancels by the same rules as the website. It reads everything back and waits for a "yes" first.
- Bookings it makes on the spot are paid in full by a link it texts. The spot is held for 60 minutes.
- It can't cancel or change anything inside the cancellation window, or move a stay's dates. Those come to you as a request or a call back.
- The client always gets a text or email of what was done, so a mistake shows up right away.
- Every booking it makes says **Booked by phone (phone agent)** in the staff notes.

Grooms for several dogs at once

One screen for a family with two or more dogs. Pick each dog's groom and see the next three days they can all come in together.

When a client calls to book grooms for two or more dogs, usually on the same day at the same time, use this screen instead of booking each dog alone.

- 1 Open the client's page. Under **Book a groom**, press  **Book grooms for several dogs at once.**
- 2 Each dog shows what they **usually** get, how many times, and when they were last here. Use that to ask the client.
- 3 Tick each dog that's coming. Pick each one's **Groom**, and any **Add-ons.**

- 4 If the client wants a certain groomer for a dog, pick **Only (name)**. Otherwise leave **Any trained groomer**. The dog's usual groomer is tried first.
- 5 Choose **Together?**: same start time, within 30 minutes, within 1 hour, or any time that day.
- 6 Press **Find the next 3 days**.
- 7 Read the choices to the client. Each one shows the drop-off time, every dog's groom, its groomer (★ = their usual groomer), and the price.
- 8 Press **Book all** on the one they pick. If none work, press **None of these work: show the next 3 days**.

Good to know:

- Only groomers trained for that groom (and its add-ons) are offered. Two dogs never get the same groomer at the same time.
- Times are back-to-back, so no groomer is left with a gap.
- It's all or nothing. If someone takes one of those times first, nothing is booked and you just pick again.

Family members who may pick up

Add the people who may drop off or pick up a dog, each with a photo, so the desk knows them on sight. Take a dog or person off the list when they're no longer with the family.

Add a person

- 1 Open the client's page and find **People who may drop off and pick up**.
- 2 Type their name, who they are (spouse, daughter, dog walker), and their phone. Add a photo if you have one.
- 3 Press **Add person**.

Clients can add people themselves too, from **My details** in their online account.

Only release a dog to the client or someone on this list. If someone isn't on it, call the client first.

Take someone off the list

Press **Remove** under their photo. They move to **Removed**, where **Put back** brings them back.

A dog that's no longer with the family

Open the dog on the client's page, choose why (passed away, rehomed), and press **Take (name) off the active list**. Their history stays. Press **Put (name) back on the active list** if you need to.

Please be gentle when a client tells you their dog has passed. A kind word goes a long way.

Scanning barcodes at the register

Use the barcode scanner on the shop sale screen. Each product needs its barcode saved once.

- 1 Start a sale (**Shop sales** → **New sale**).
- 2 Click in the **Scan a barcode** box.
- 3 Scan the item. It's added to the sale, one at a time. Scan it again for a second one.

If it says **No product has the barcode...**, that product's barcode isn't saved yet:

- 1 Open **Products**, then the item.
- 2 Click in **SKU / barcode** and scan the item. Save.

From then on, scanning adds it.

You can still pick items from the **Add product** list, like before.

Little Digs (unlimited daycare)

\$440 for 30 days of unlimited daycare, full or half days, for one dog under 30 lbs.

- **Who:** dogs under 30 lbs. The dog needs a weight on its profile first.
- **What:** unlimited daycare for 30 days from the day it's bought, full days or half days.
- **One dog per pass.** A family with two small dogs buys two passes.

Sell it

On the client's page, under **Passes & memberships**, pick **Little Digs**, pick the dog, and take payment.

Use it

On each daycare booking, press **Use pass credits**. It covers that day. The pass shows **Unlimited** until it expires.

Bring over clients

Load clients, dogs, shots, waivers, upcoming bookings, passes and old invoices from the client file. A backup is made first.

- 1 Get the client file from Claude. It ends in **.tar.gz**. **Don't unzip it**. Keep it private: it has every client's details.
- 2 Go to **Front Desk → Bring over clients** (owners only).
- 3 Choose the file and press **Load clients**. It takes about a minute.
- 4 Read the summary. Then go to **EasyBusy history → Price them** to put prices on the upcoming bookings that came over.

Running it again is safe: anyone already here is skipped, never doubled.

The test site never emails or texts clients, so it's safe to practice with real clients there.

Discounts and deposits

One discount per visit (the biggest one wins), the birthday discount, and deposits in dollars or percent.

One discount per visit

A visit can only get one discount. When more than one could apply, the biggest is used:

- **Military and first responder** (10%), for approved clients.
- **A promo code**.
- **Birthday** (10%), when the visit is within 7 days of a dog's birthday or the stay covers it. The dog needs a birthday on its profile.

Change the birthday % or the number of days in **Settings**. Set it to 0 to turn it off.

Deposits

In **Services & prices**, each service has **Deposit (\$)** and **Deposit (% of total)**. Leave both at 0 for no deposit, or type 50 in the % box for 50% down.

Online bookings are paid in full, so deposits only apply to bookings the desk makes or approves.

Login safety and alerts

What the site does to keep logins safe, the email you get when a staff login is used from a new place, and what to do about it.

What the site does on its own

- **Wrong passwords:** after 8 wrong tries on one login, it waits 15 minutes. Many tries from one internet address get the same wait.
- **New place:** when a staff or owner login is used from an internet address it has never used before, the owners get an email: **New login place: (name)**.
- **Stolen cards:** a client can't try more than 5 cards a day. That stops crooks from "testing" stolen card numbers.
- **Fake sign-ups:** no more than 5 new accounts an hour from one place.
- **Staff logins time out** when nobody uses them, and each job only sees what it needs.

You get a "New login place" email

- If it was them (a new phone, home Wi-Fi, a different computer), there's nothing to do.
- If it wasn't, go to **Staff logins & permissions**, press **Turn off this login**, then give them a new password.

Every login and failed try is listed in the **Activity log**.

The best protection

Turn on two-step login (a code from your phone) for Render, Stripe, GitHub, your email, QuickBooks, Google and Twilio. Never log in from a link in an email: go to the site yourself.
