How to log in, find your way around the Front Desk, and read the red numbers.

Welcome! This is our new system. It takes the place of EasyBusy. You do all of your desk work on one website. This page shows you how to get in and where things are.

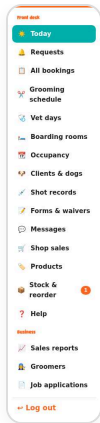

Steps

- 1 Go to our website on the desk computer. Press **Log In** at the top.
- 2 Type your work email and your password. Then press **Log in**.

What else you may see

- **In the building:** every dog checked in right now.
- **Shots expiring soon (booked dogs):** a booked dog has a shot that runs out in the next two weeks. Call or text the owner. Ask them to upload the new record.
- A red box that says a dog is **past the pickup date and still checked in**. Find out why. Either check the dog out, or change the end date.

Tip: Press an owner's name to open their client page. Their phone number is right under the name.

Good to know: Grooms show up in **Arriving** too. The groomers work from the Grooming schedule.

Good to know: We open Monday to Saturday, 6:30 am to 6:00 pm. On Sundays and holidays, boarders only come or go by appointment, at 10 am or 4 pm.

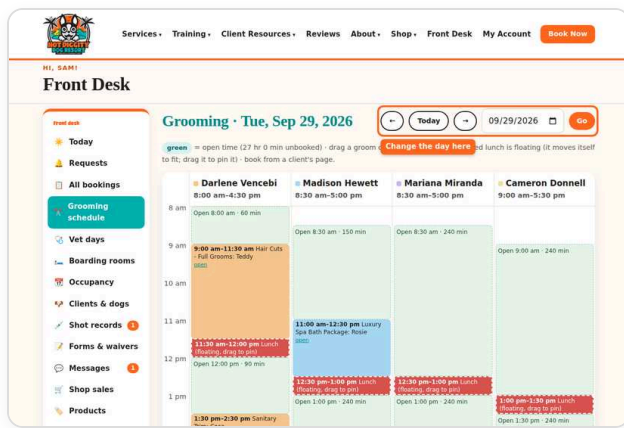

The grooming schedule

Read the groomers' day, move grooms and lunches, block time, and use the waiting list.

The grooming schedule shows every groomer's day. Each groomer has a column. Grooms are colored blocks. Open time is green.

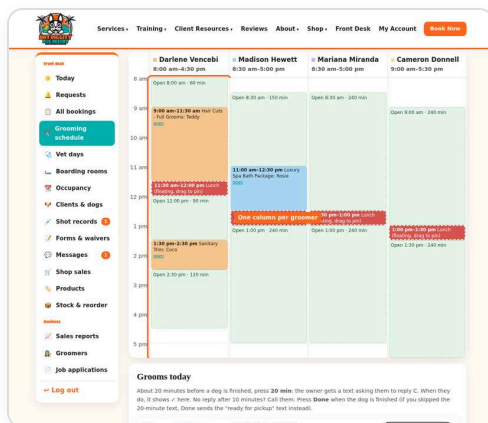

Read the board

- 1 Press **Grooming schedule** in the menu. It opens on today.
- 2 To see another day, press ← or →. Or pick a date and press **Go**. Press **Today** to come back.

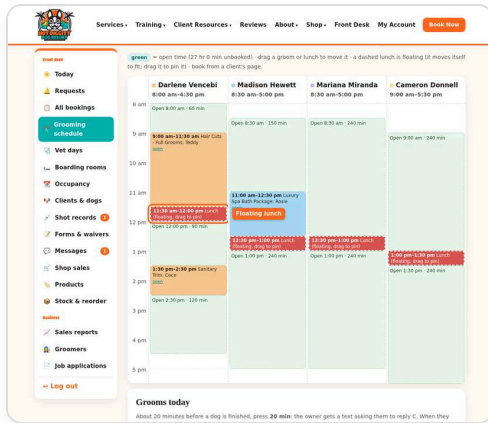

Change the day

- 3 Each column is one groomer. Their hours are under their name. A ★ means a Signature Groomer.

One column per groomer

- 4 Green boxes say **Open** with a time. That is time you can fill.
- 5 Red blocks are lunch. A lunch with a dashed line is **floating**. It moves by itself to fit the day.

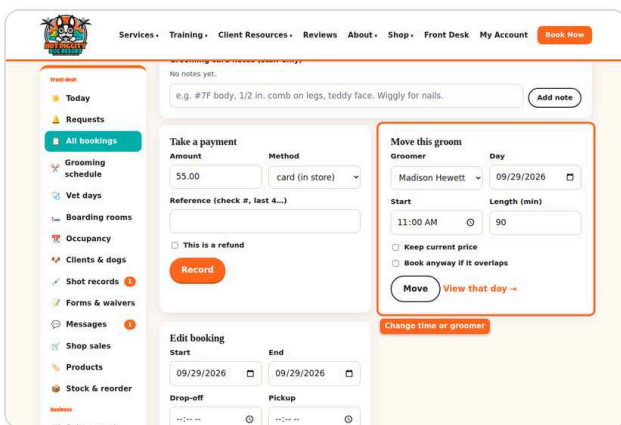

A floating lunch

- 6 Gray blocks are blocked time, like a meeting.

Move a groom or a lunch

- 1 Drag a groom block to a new time or a new groomer. Let go.
- 2 A note at the top says **Moved to** the new time. Or it tells you why it can't move.
- 3 Drag a lunch up or down to pin it. A lunch stays with its groomer.
- 4 To let a pinned lunch float again, press the button with the groomer's name, like **Let Madison Hewett's lunch float.**

You can also move a groom from its booking. Use **Move this groom**. Pick the **Groomer**, **Day**, and **Start**. Press **Move**.

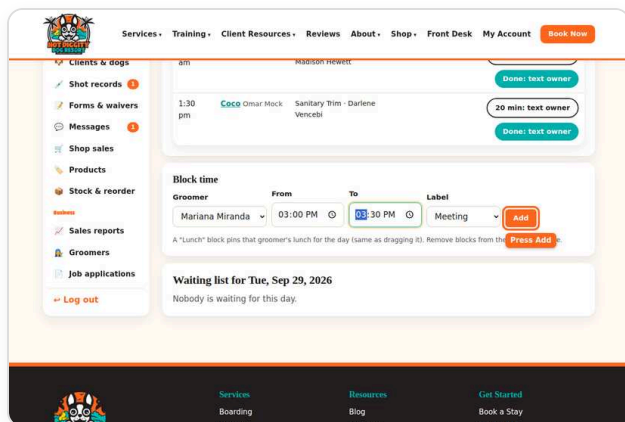

Move this groom

Block time

- 3 They took it? Book the groom. Then press **Booked**.
- 4 They don't want it? Press **Remove**.

Good to know: A groom that moves to a different groomer can change price. The price follows the new groomer. Tick **Keep current price** on **Move this groom** to keep it the same.

Good to know: California law says lunch must start within the first 5 hours. The board warns you with **no legal lunch** if there is no room for it.

Tip: Double-click a groom block to open its booking. Or press **open** on the block.

Tip: Grooming card notes are on each groom's booking. Write the blade, style, and how the dog did. Press **Add note**.

The screenshot shows a web interface for a grooming business. On the left is a sidebar with navigation links like 'Today', 'Requests', 'All bookings', 'Grooming schedule', 'Vet days', 'Boarding rooms', 'Occupancy', 'Clients & dogs', 'Shot records', 'Forms & waivers', 'Messages', 'Shop sales', 'Products', and 'Stock & reorder'. The main content area displays a booking form. At the top, it shows 'Paid \$0.00' and 'Balance \$55.00'. Below that, it lists 'Dogs on this booking' with details for 'Rolie' (Cocker King Charles Spaniel) and 'Bordetella' (Mon, Jul 26, 2027). There is a section for 'Grooming card notes (staff only)' with a text input field and an 'Add note' button. Below this is a 'Take a payment' section with 'Amount' (\$55.00) and 'Method' (card (in store)). There is also a 'Move this groom' section with 'Groomer' (Madison Hewett) and 'Day' (09/29/2026). The form has a 'Record' button at the bottom.

Grooming card notes

Keep the day back-to-back

- Online, clients only see times right at the groomer's start or right when their last groom ends. That keeps every groomer's day packed, with no gaps.
- Lunch is placed for you, about 4½ hours into the shift, and always before the 5-hour mark (California law).
- At the desk you can book any open time. If it leaves the groomer idle before it, you'll see **Heads up: this leaves 2 hr open before it**. Try to fill that time, or offer the client the back-to-back time instead.

If something goes wrong: It says **No groomers scheduled this day**? Nobody has hours that day. Hours are set under **Staff**. Ask David.

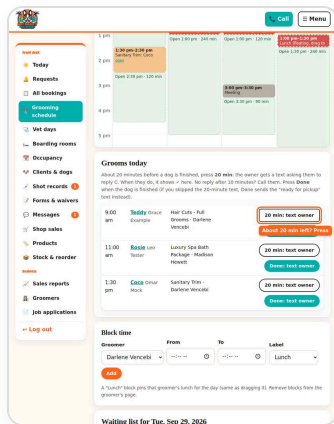

Groomers: the 20-minute text and Done

Text the owner 20 minutes before the dog is ready, then press Done.

This is new. About 20 minutes before a dog is done, you text the owner. The owner texts back **C**. A check mark shows up. When the dog is done, you press **Done**.

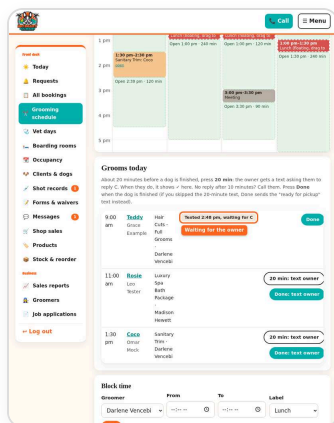

Steps

- 2 About 20 minutes before the dog is done, find the dog. Press **20 min: text owner**.

That's OK. Press **Done: text owner** when the dog is ready. The owner gets a "ready for pickup" text right then.

Done, with no 20-minute text first

The same buttons on the booking

Open the groom's booking. You see 🕒 **20 minutes out: text the owner** and ✂️ **Grooming done: text the owner**. They work the same way.

The buttons on a booking

Good to know: The owner gets only one text from you. If you sent the 20-minute text, **Done** does not send a second one.

Good to know: Some owners don't take texts. They get an email instead. The row says **Emailed**. They can't reply C, so no call is needed.

Good to know: Is the dog staying on in boarding? Then there is no pickup. No text goes out. Just press **Done**.

Tip: On a tablet, the site's top menu is behind the **Menu** button. Press **Menu**, then **Front Desk**.

If something goes wrong: A red box says **The 20-minute message didn't go out?** The text failed. Call the owner instead.

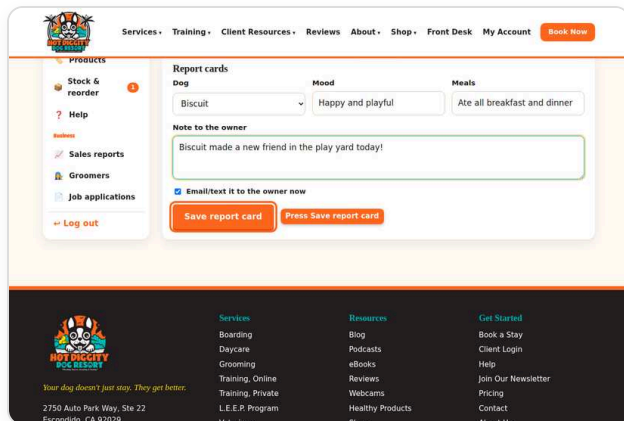

Report cards and webcam logins

Send an owner a note about their dog's day, and give out camera logins.

While a dog is checked in, you can send the owner a report card. It tells them how the dog is doing. You can also give them the webcam login.

- 2 Pick the **Dog**. Type the **Mood** and **Meals**.

The 'Dog' section has a dropdown menu with 'Biscuit' selected. The 'Mood' section has a text input field with 'Happy and playful' entered. The 'Meals' section has a text input field with 'Ate all breakfast and dinner' entered. Below these sections is a 'Note to the owner' section with a text area containing 'Biscuit made a new friend in the play yard today!'. At the bottom of the form, there is a checkbox labeled 'Email/text it to the owner now' which is checked. There are two buttons: 'Save report card' and 'Press Save report card'. The website header includes links for Services, Training, Client Resources, Reviews, About, Shop, Front Desk, My Account, and Book Now. Good to know: Daycare has one camera login. Its username is "daycare." Each boarding suite has its own login. Its username is the suite number, like suite101.

Good to know: The camera password is not a secret. You may give it out on the phone.

Good to know: The cameras are not a way to watch dogs all night. There is no staff overnight. Never say we are open 24/7.

Good to know: Crates have no cameras.

If something goes wrong: The card says the camera password isn't saved yet? Tell David. He adds it in the settings.

Time off and the Remove button

Good to know: Time off does not move grooms that are already booked. Look at that day on the grooming schedule. Move or call about any grooms in that time.

Good to know: Label a block "Lunch" to move that day's lunch.

Tip: Online booking only offers a groomer for the services they are trained for.

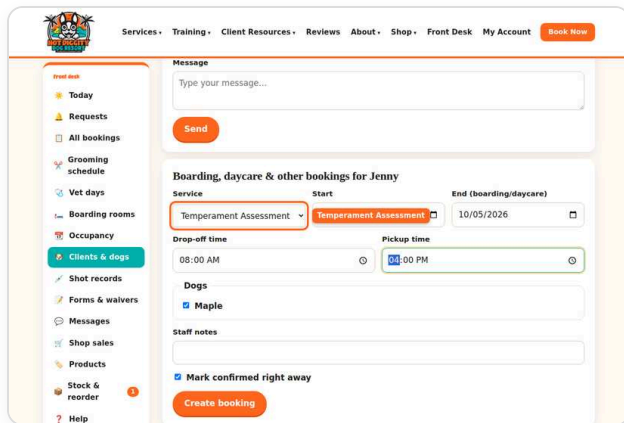

Temperament Assessment day

Book a new dog's first daycare day, then mark if the dog passed.

Every new dog starts with a Temperament Assessment. It is a full daycare day. Our team watches how the dog plays and acts. It costs the regular daycare rate.

Book it

- 1 Open the client page. Go to **Boarding, daycare & other bookings** for the client.
- 2 In **Service**, pick **Temperament Assessment (first daycare day)**.

The screenshot shows a web interface for 'Hot Diggity Dog Resort'. On the left is a sidebar with navigation links like 'Today', 'Requests', 'All bookings', 'Grooming schedule', 'Vet days', 'Boarding rooms', 'Occupancy', 'Clients & dogs' (highlighted), 'Shot records', 'Forms & waivers', 'Messages', 'Shop sales', 'Products', 'Stock & reorder', and 'Help'. The main content area is titled 'Boarding, daycare & other bookings for Jenny'. It has a 'Message' box at the top. Below that, the 'Service' dropdown is set to 'Temperament Assessment', which is highlighted with a red box. The 'Start' date is '10/05/2026'. The 'Drop-off time' is '08:00 AM' and the 'Pickup time' is '03:00 PM'. The 'Dogs' section shows 'Maple' selected. There is a 'Mark confirmed right away' checkbox and a 'Create booking' button at the bottom.

Pick Temperament Assessment

- 3 Pick the date. Tick the dog. Press **Create booking**.

Rules to tell the client

- Drop off by **10:00 am**. Drop-off can be as early as 6:30 am.
- Pick up no earlier than **3:00 pm**.
- The dog needs Rabies, DHPP, and Bordetella on file.
- The dog must be spayed or neutered before 8 months of age.
- The dog needs a new assessment after six months away.

After the day

- 1 Open the booking. Scroll to **Dogs on this booking**. Check the shot boxes.

What the dog still needs

2

Did the dog pass? Press **Passed: approve for daycare & boarding**.

Press when the dog passed

3

Didn't pass? Press **Not approved**.

4

A dog that passed shows **Approved** and the date.

The dog is approved

Good to know: Only a dog that passed can come for daycare or boarding. Grooming and

training don't need it.

Good to know: We can't take bully breeds in boarding or daycare. Our insurance does not allow it. We also can't take dogs with a history of biting in daycare or boarding. Grooming and training are fine.

If something goes wrong: Not sure if the dog passed? Ask Penny or David before you press a button.

After the dog passes: the Daycare Card

- 1 On the assessment booking, type the **Temp test color** and who the dog was **Tested with**.
- 2 Press **Passed: approve for daycare & boarding**. This checks **Approved for daycare & boarding** on the dog's profile for you.
- 3 Press  **Daycare Card** next to the dog's name. Load the 5" × 8" card stock and print.

Tip: On **Today**, press  **Daycare Cards for today** to print a card for every approved dog here or arriving today.

Good to know: Grooming card notes and the temp test details can be changed later on the dog's card, under **Daycare Card (staff only)**.

Dematting and other by-the-hour add-ons

Dematting is \$60 an hour, in 15-minute steps. Get the owner's OK first.

Dematting (taking out mats) is **\$60 an hour, billed in 15-minute steps**. A brush-out is the same price. Hand scissoring and hand stripping are also priced by the hour.

- 1 If a coat is matted, tell the owner about the dematting fee **before** you start. Get their OK.
- 2 On the groom, add **Dematting, priced per hour**. Type the time in hours: **0.25** is 15 minutes, **0.5** is 30 minutes, **0.75** is 45 minutes, **1** is an hour.
- 3 The price works itself out.

Careful: Brushing out mats that hurt the dog isn't kind. If shaving down would be kinder, talk to the owner first.

Bring over clients

Load clients, dogs, shots, waivers, upcoming bookings, passes and old invoices from the client file. A backup is made first.

- 1 Get the client file from Claude. It ends in **.tar.gz**. **Don't unzip it**. Keep it private: it has every client's details.
- 2 Go to **Front Desk → Bring over clients** (owners only).
- 3 Choose the file and press **Load clients**. It takes about a minute.
- 4 Read the summary. Then go to **EasyBusy history → Price them** to put prices on the upcoming bookings that came over.

Running it again is safe: anyone already here is skipped, never doubled.

The test site never emails or texts clients, so it's safe to practice with real clients there.

Discounts and deposits

One discount per visit (the biggest one wins), the birthday discount, and deposits in dollars or percent.

One discount per visit

A visit can only get one discount. When more than one could apply, the biggest is used:

- **Military and first responder** (10%), for approved clients.
- **A promo code**.
- **Birthday** (10%), when the visit is within 7 days of a dog's birthday or the stay covers it. The dog needs a birthday on its profile.

Change the birthday % or the number of days in **Settings**. Set it to 0 to turn it off.

Deposits

In **Services & prices**, each service has **Deposit (\$)** and **Deposit (% of total)**. Leave both at 0 for no deposit, or type 50 in the % box for 50% down.

Online bookings are paid in full, so deposits only apply to bookings the desk makes or approves.

Login safety and alerts

What the site does to keep logins safe, the email you get when a staff login is used from a new place, and what to do about it.

What the site does on its own

- **Wrong passwords:** after 8 wrong tries on one login, it waits 15 minutes. Many tries from one internet address get the same wait.
- **New place:** when a staff or owner login is used from an internet address it has never used before, the owners get an email: **New login place: (name)**.
- **Stolen cards:** a client can't try more than 5 cards a day. That stops crooks from "testing" stolen card numbers.
- **Fake sign-ups:** no more than 5 new accounts an hour from one place.
- **Staff logins time out** when nobody uses them, and each job only sees what it needs.

You get a "New login place" email

- If it was them (a new phone, home Wi-Fi, a different computer), there's nothing to do.
- If it wasn't, go to **Staff logins & permissions**, press **Turn off this login**, then give them a new password.

Every login and failed try is listed in the **Activity log**.

The best protection

Turn on two-step login (a code from your phone) for Render, Stripe, GitHub, your email, QuickBooks, Google and Twilio. Never log in from a link in an email: go to the site yourself.
