How to log in, find your way around the Front Desk, and read the red numbers.

Welcome! This is our new system. It takes the place of EasyBusy. You do all of your desk work on one website. This page shows you how to get in and where things are.

Steps

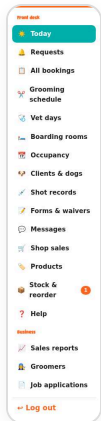

- 1 Go to our website on the desk computer. Press **Log In** at the top.
- 2 Type your work email and your password. Then press **Log in**.

The log in page

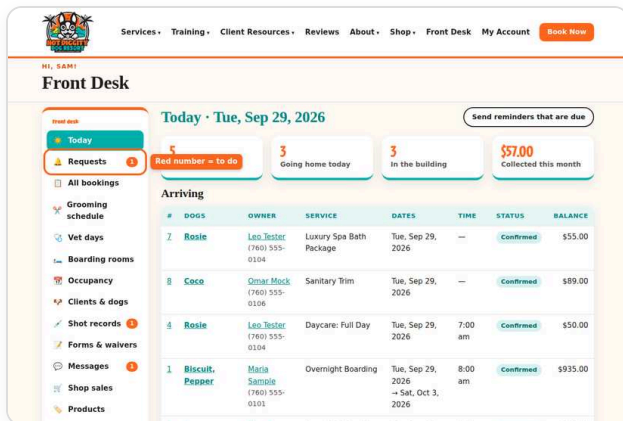

3 Press **Front Desk** at the top of the page. You land on the **Today** page.

4 Look at the menu on the left. It is the same on every Front Desk page.

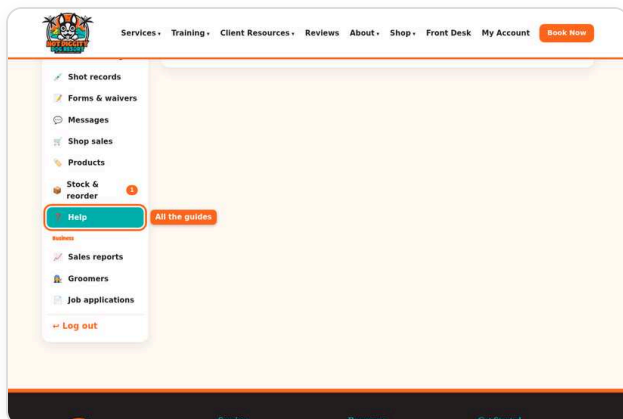

The Front Desk menu

5 Look for red numbers in the menu. A red number means there is work waiting. For example, the number by **Requests** is how many bookings need your answer.

A red number in the menu

6 Stuck? Press **Help** in the menu. Every guide is there.

The Help page

When you leave for the day, press **Log out** at the bottom of the menu.

The request is confirmed

Why is it a request?

Daycare and boarding book right away online only when all of these are true:

- The dog passed the Temperament Assessment.
- The dog came to daycare or boarding in the last 6 months.
- For boarding, the suite is not shared with another family's dog.

If not, it comes to you as a request. Grooming can book online with no assessment.

Good to know: Never tell a client a request is "booked." It is only booked after you press **Confirm**.

Good to know: A dog needs Rabies, DHPP, and Bordetella on file before the first visit. A dog must be spayed or neutered before 8 months of age for daycare and boarding.

Tip: If the stay asked for a groom before pickup, it goes on the grooming schedule by itself when you confirm.

If something goes wrong: Does it say **Over capacity**? We are full that day. Ask David before you make room. If he says yes, tick **Confirm anyway, even if over capacity** and press **Confirm** again.

Check a dog in

Mark a dog as here when the owner drops off.

Check in every boarding and daycare dog when the owner drops off. Checked-in dogs show in **In the building** on the Today page.

Steps

1 Press **Today** in the menu. Find the dog under **Arriving**. Press the dog's name.

Press **Print the webcam card**. Give the card to the owner.

The webcam card

- 7 For boarding, go back to the booking. Press **Print Food & Medication sheet**. Then press **Print**. Put the sheet with the dog's food.

The screenshot shows the 'Front Desk' interface with the 'Print' button highlighted. The main content area displays the 'HOT DIGGITY DOG RESORT FOOD & MEDICATION' form for 'Bear'. The form includes fields for 'Breed' (Bernese Mountain Dog), 'Suite #' (Suite 0501), 'Owner & phone' (Nina Demo - (760) 555-0105), 'Pick-up date' (Thu, Oct 1, 2026), and 'Pick-up time' (10:00 am). A red message states: 'No online Food & Medication form on file for Bear. Fill this in at drop-off.' Below this is a section for 'Food type / brand' with a dropdown menu, and 'Amount per meal' with options for Breakfast, Lunch, and Dinner. There are also fields for 'Special recipe / mixing', 'Allergies / restrictions', 'Treats allowed?', and 'Feeding quirks'. At the bottom is a 'STAFF - DAILY TRACKING' table with columns for DATE, BX, LU, DIN, INITIALS, MED AM, MED PM, and INITIALS. The date 'Tue, Sep 29, 2026' is entered in the DATE column.

The Food and Medication sheet

Good to know: A shot box can be red (missing or out of date) or say **(unverified)**. Don't take the dog for daycare or boarding until the shots are OK. See Shot records.

Good to know: A yellow box that says **Temperament Assessment needed** means the dog has not passed yet. That dog can only come for a Temperament Assessment day. See Temperament Assessment day.

Tip: The Food & Medication sheet uses the owner's online form. If it says there is no form on file, fill it in by hand at drop-off.

Tip: Grooms don't need **Check in**. The groomer can still send the 20-minute text and press **Done**.

If something goes wrong: The webcam card shows only the daycare camera? The dog is not in a suite yet. Pick a suite first. See Boarding rooms and suites.

The boarding packet

Every boarding dog gets a packet. It goes with the dog and stays on the kennel.

- 1 Open the boarding booking.
- 2 Next to **Boarding packet**, press  **Print the packet**.
- 3 Each dog gets four pages: the **Registration Form**, the **Food & Medication Form**, the **Overnight Boarding Details Form**, and the **Entry / Exit Evaluation**.
- 4 Most of it is filled in for you. Fill in the rest by hand at drop-off: the items to inventory, the entry evaluation, and your initials.

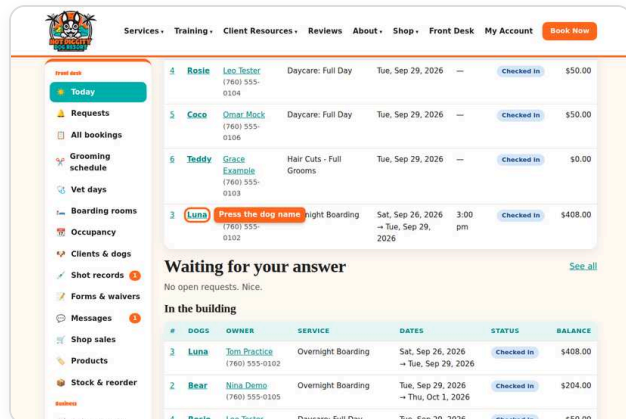

Check a dog out and take payment

Take the money, then mark the dog as gone home.

When an owner picks up, first take the payment. Then check the dog out. Do it in that order.

Steps

- 1 Press **Today** in the menu. Find the dog under **Going home**. Press the dog's name.

Paying by card

Once the card reader is set up, the booking shows a **Charge on card reader** button above the form.

- 1 Check the **Amount (before tip)**.
- 2 Leave **Show the tip screen** ticked so the client can add a tip.
- 3 Press **Charge on card reader**.
- 4 Ask the client to pick a tip, then tap or put in their card.
- 5 Wait. The screen says **Paid** when it goes through. The tip shows too.

If the client changes their mind, press **Cancel**. If the card reader is not set up yet, you will see **No card reader set up yet**. Then run the card on the other machine and record it as **card (in store)**.

Good to know: Tips on the card reader are saved by themselves. A cash tip? Type it in the **Tip** box on the **Record** form. Tips go to the groomer on that appointment.

Good to know: A dog can't go home with money owed. The red box says how much. The **Check out** button stays gray until it is paid. The amount counts any groom or bath booked with the stay. Only David can let a dog leave before it is paid. He types the reason.

Tip: Does the client have a daycare pass? Use it before you take money. See Daycare passes and L.E.E.P.

Going home early

Is a boarder leaving before the planned day? Do this before you take payment.

- 1 On the booking, press **Going home early?**
- 2 Check the **Pickup time today**.
- 3 Stayed less than 5 nights, with a free bath booked? Ask the owner if they still want the bath. It now costs the regular price. Pick their answer.
- 4 Press **End the stay today and re-price**.
- 5 The price changes to the nights they stayed. The bath or groom moves to finish before pickup. If they paid too much, the message tells you how much to refund.

Tip: Did a boarder run out of food and eat ours? Before checkout, type the days in **Ran out of food?** and press **Add \$3/day/dog**.

Getting a new client set up

New clients have five quick steps before a first visit: an emergency contact, their dog, the dog's weight, a photo of the shot records, and the waiver.

- **Hand them the card.** Print the one-page **Get set up in 5 minutes** card (Help → **Get-set-up card**, two per page). Its QR code takes them straight to sign-up.
- **They see a checklist** with a progress bar when they log in, so they know what's left.
- **A reminder** goes out 3 days after sign-up if they haven't finished.
- **Their reward:** when all five steps are done, the code **NEWCLIENT** takes 10% off their first visit. It's filled in for them when they book.

On the phone, you can walk them through it, or book a request for them and let the checklist do the rest.

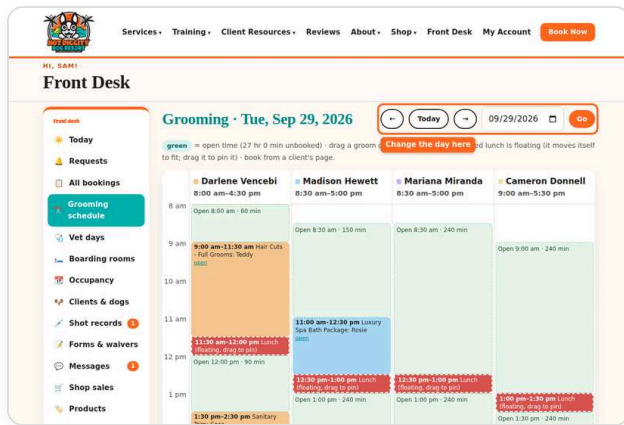

The grooming schedule

Read the groomers' day, move grooms and lunches, block time, and use the waiting list.

The grooming schedule shows every groomer's day. Each groomer has a column. Grooms are colored blocks. Open time is green.

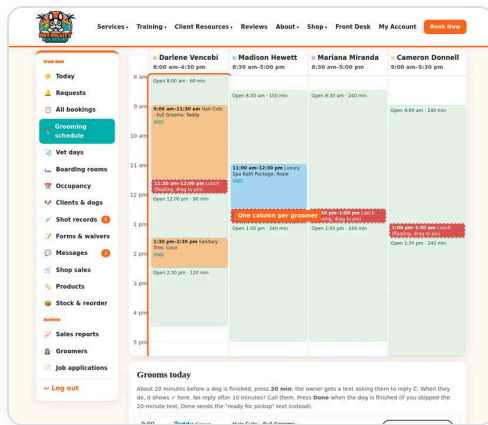

Read the board

- 1 Press **Grooming schedule** in the menu. It opens on today.
- 2 To see another day, press ← or →. Or pick a date and press **Go**. Press **Today** to come back.

Change the day

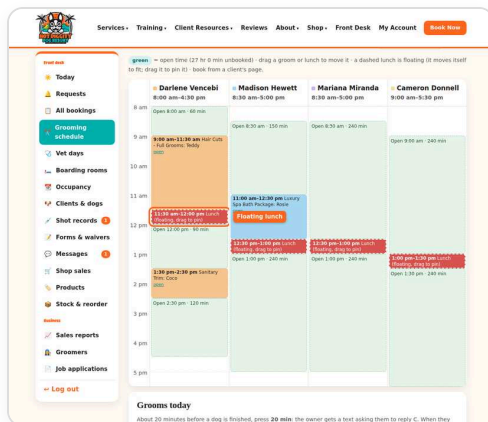

3 Each column is one groomer. Their hours are under their name. A ★ means a Signature Groomer.

One column per groomer

4 Green boxes say **Open** with a time. That is time you can fill.

5 Red blocks are lunch. A lunch with a dashed line is **floating**. It moves by itself to fit the day.

A floating lunch

6 Gray blocks are blocked time, like a meeting.

Move a groom or a lunch

- 1 Drag a groom block to a new time or a new groomer. Let go.
- 2 A note at the top says **Moved to** the new time. Or it tells you why it can't move.
- 3 Drag a lunch up or down to pin it. A lunch stays with its groomer.
- 4 To let a pinned lunch float again, press the button with the groomer's name, like **Let Madison Hewett's lunch float**.

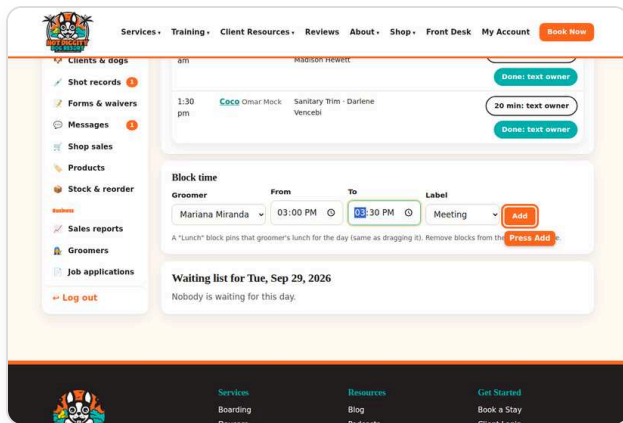

You can also move a groom from its booking. Use **Move this groom**. Pick the **Groomer**, **Day**, and **Start**. Press **Move**.

The screenshot shows the Hot Diggity Dog Resort website interface. A modal titled "Move this groom" is open, allowing a user to move a groom to a different time or groomer. The modal includes fields for "Groomer" (Madison Hewett), "Day" (09/29/2026), "Start" (11:00 AM), and "Length (min)" (90). There are checkboxes for "Keep current price" and "Book anyway if it overlaps". A "Move" button is at the bottom, along with a "View that day" link. The background shows a sidebar with navigation links like "Today", "Requests", "All bookings", "Grooming schedule", "Vet days", "Boarding rooms", "Occupancy", "Clients & dogs", "Shot records", "Forms & waivers", "Messages", "Shop sales", "Products", and "Stock & reorder". The main content area has a "Take a payment" section and an "Edit booking" section.

Move this groom

Block time

- 1 Scroll to **Block time**.
- 2 Pick the **Groomer**. Type **From** and **To**.
- 3 Pick a **Label**: **Lunch**, **Off schedule**, **Day off**, or **Meeting**.
- 4 Press **Add**.

2

A spot opened? Press **Text: spot open**. The client gets a text (or email).

3

They took it? Book the groom. Then press **Booked**.

4

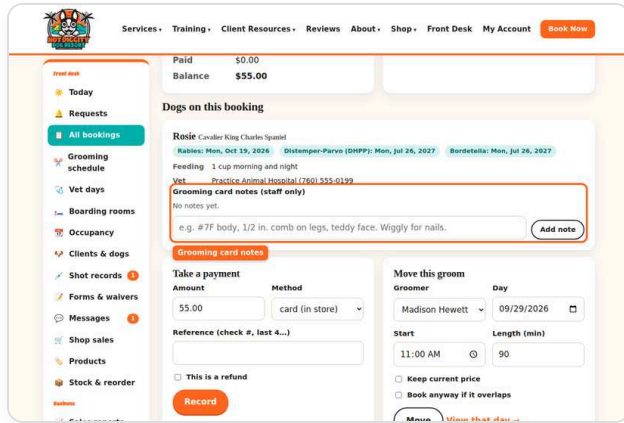

They don't want it? Press **Remove**.

Good to know: A groom that moves to a different groomer can change price. The price follows the new groomer. Tick **Keep current price** on **Move this groom** to keep it the same.

Good to know: California law says lunch must start within the first 5 hours. The board warns you with **no legal lunch** if there is no room for it.

Tip: Double-click a groom block to open its booking. Or press **open** on the block.

Tip: Grooming card notes are on each groom's booking. Write the blade, style, and how the dog did. Press **Add note**.

Grooming card notes

Keep the day back-to-back

- Online, clients only see times right at the groomer's start or right when their last groom ends. That keeps every groomer's day packed, with no gaps.
- Lunch is placed for you, about 4½ hours into the shift, and always before the 5-hour mark (California law).
- At the desk you can book any open time. If it leaves the groomer idle before it, you'll see **Heads up: this leaves 2 hr open before it**. Try to fill that time, or offer the client the back-to-back time instead.

If something goes wrong: It says **No groomers scheduled this day?** Nobody has hours that day. Hours are set under **Staff**. Ask David.

Groomers: the 20-minute text and Done

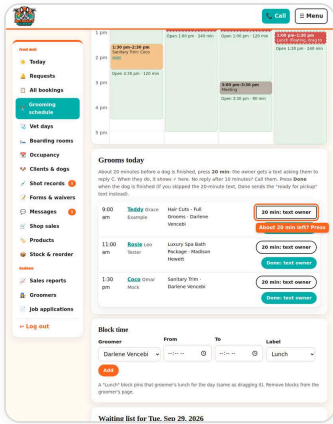

Text the owner 20 minutes before the dog is ready, then press Done.

This is new. About 20 minutes before a dog is done, you text the owner. The owner texts back **C**. A check mark shows up. When the dog is done, you press **Done**.

Steps

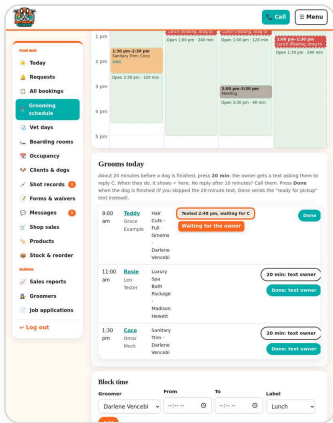

- 1 Press **Grooming schedule** in the menu. Scroll down to **Grooms today**.

2 About 20 minutes before the dog is done, find the dog. Press **20 min: text owner**.

Forgot the 20-minute text?

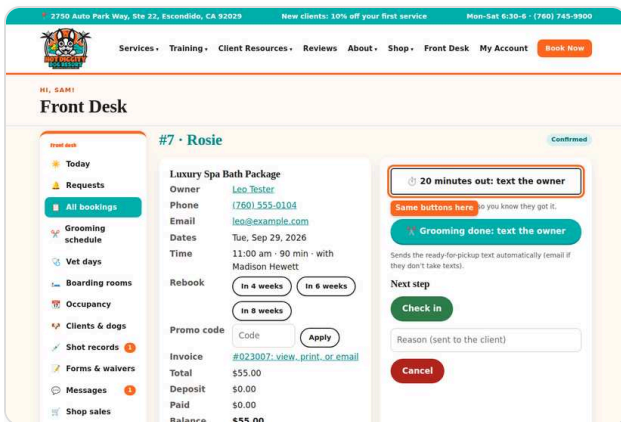

That's OK. Press **Done: text owner** when the dog is ready. The owner gets a "ready for pickup" text right then.

The same buttons on the booking

Open the groom's booking. You see 🕒 **20 minutes out: text the owner** and ✂️ **Grooming done: text the owner**. They work the same way.

The buttons on a booking

Good to know: The owner gets only one text from you. If you sent the 20-minute text, **Done** does not send a second one.

Good to know: Some owners don't take texts. They get an email instead. The row says **Emailed**. They can't reply C, so no call is needed.

Good to know: Is the dog staying on in boarding? Then there is no pickup. No text goes out. Just press **Done**.

Tip: On a tablet, the site's top menu is behind the **Menu** button. Press **Menu**, then **Front Desk**.

If something goes wrong: A red box says **The 20-minute message didn't go out?** The text failed. Call the owner instead.

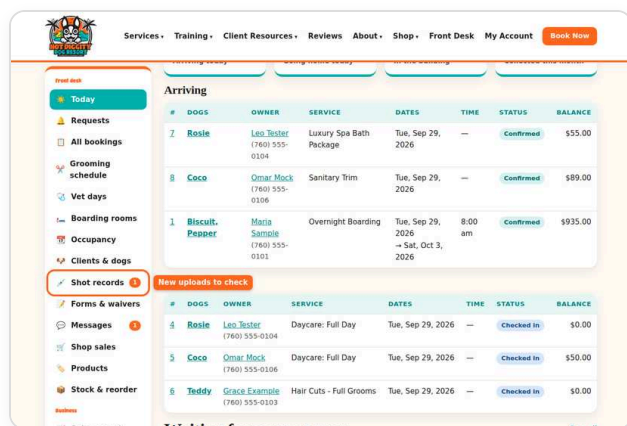

Shot records

Check the shot records clients upload, and add paper ones.

Every dog needs Rabies, DHPP (Distemper-Parvo), and Bordetella on file. Clients upload photos of their records. You check each one.

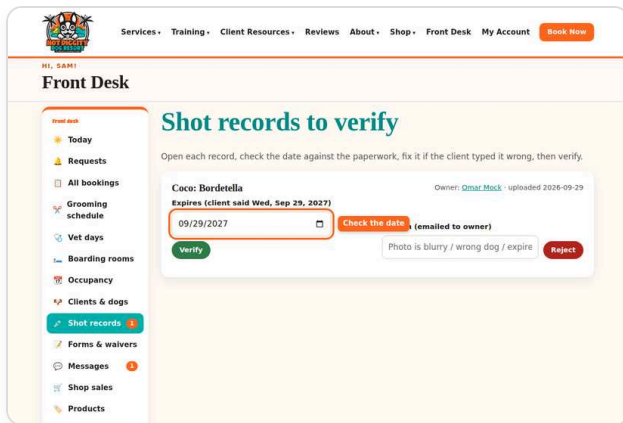

Check new uploads

- 1 Look at **Shot records** in the menu. A red number means new records are waiting.

Shot records in the menu

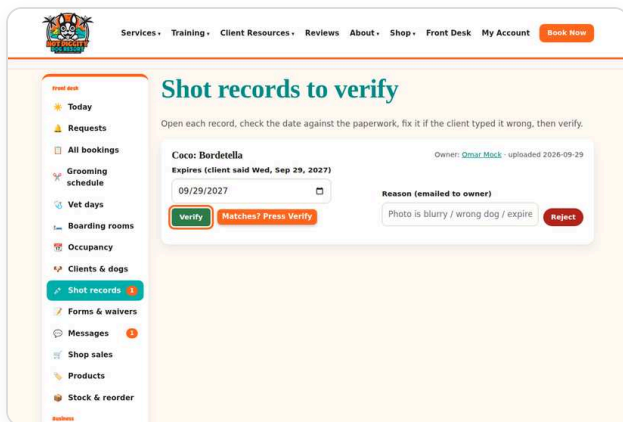

- 2 Press **Shot records**. Each card is one record.
- 3 Press **Open the record** to see the paper. It opens in a new tab.
- 4 Look at the date the shot runs out. Does it match the box? If the client typed it wrong, fix the date.

Check the date

6

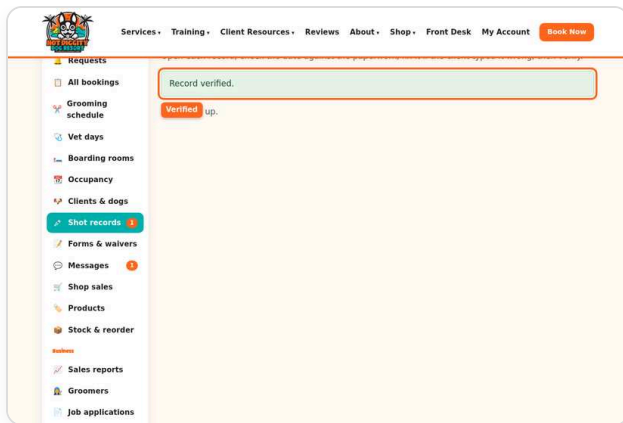

If it is wrong (blurry, wrong dog, or out of date), type why in **Reason (emailed to owner)**. Press **Reject**. The owner gets an email asking for a new copy.

7

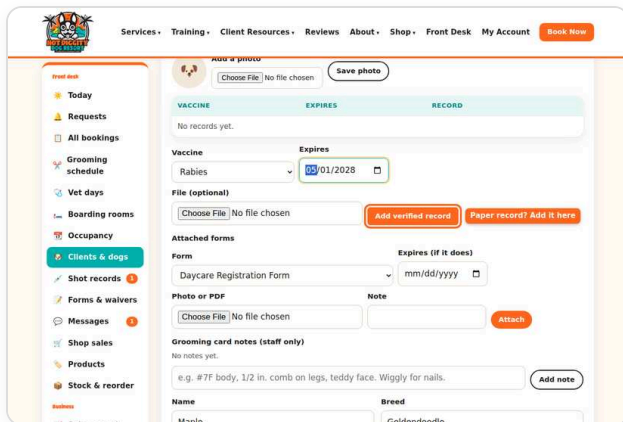

When all are done, the page says **All caught up**.

The record is verified

Add a paper record at the desk

- 1 Open the client page. Open the dog under **Dogs**.
- 2 Under the shot table, pick the **Vaccine**. Type the **Expires** date.
- 3 If you can, add a photo or scan in **File (optional)**.
- 4 Press **Add verified record**.

What the colors mean

- **Green**: on file, checked, and current.
- **Yellow** or **(unverified)**: on file, but nobody checked it yet.
- **Red** or **missing**: out of date, or we don't have it.

Good to know: The Today page lists **Shots expiring soon (booked dogs)**. These are booked dogs with a shot that runs out in the next 2 weeks. Ask the owner for the new record.

Good to know: No shots on file, no daycare or boarding. Shots must be current before the first visit.

If something goes wrong: Can't read the photo? Reject it with the reason "Photo is blurry." Or call the vet and ask them to email it.

Good to know: Only David can change the words on a form. You can read them, but not edit them.

Good to know: Old signed forms never change. We keep them just as the client signed them.

Tip: No Food & Medication form for a boarder? The printed sheet says so. Fill it in by hand at drop-off.

If something goes wrong: A client says the site won't let them book because of a form? Ask them to log in to their account and sign it there. Then they can book.

Where a client's forms are kept

Open the client's page. Scroll to **Forms & documents**. The client's waivers and training inquiries are under their name. Each dog's forms are under the dog's name, with any paper copies. Each dog's card also shows **Forms on file**, and marks what is still **needed**.

Good to know: A dog already coming here doesn't need the registration form or a new Temperament Assessment. On the dog's card, check **Approved for daycare & boarding** and press **Save**.

Good to know: The Food and Medication Form is needed for every boarding dog. The medication part can be left blank.

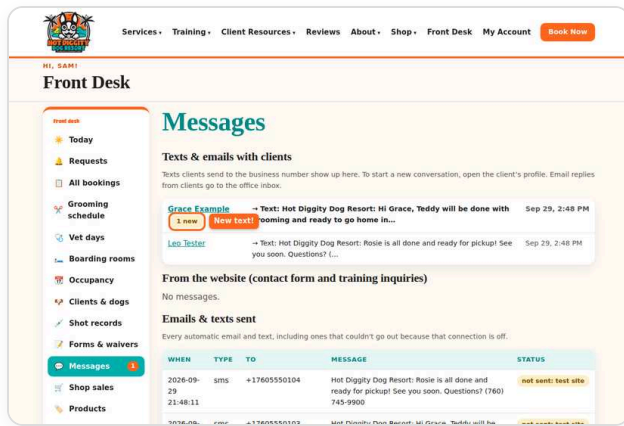

Messages and texts

Read and answer client texts, and know what CANCEL and STOP do.

- 2 Press **Messages**. New ones are at the top, in bold, with a **new** tag.

Texts from a number we don't know

Sometimes a text comes from a number that isn't on any client. The page says so. Press **Find or add the client**. Put the number on their profile. Their next texts will show under their name.

CANCEL and STOP

If a client texts only the word **CANCEL** or **STOP**, the phone company turns their texts off. After that, we can't text them.

- A text that says only CANCEL shows a red box: **"CANCEL" by itself turned this client's texts off. They may have meant their appointment. Please call them.** Call them. Ask what they meant.
- When texts are off, the client page says **(texts turned off)**. You can only send an email.

Texts are off for this client

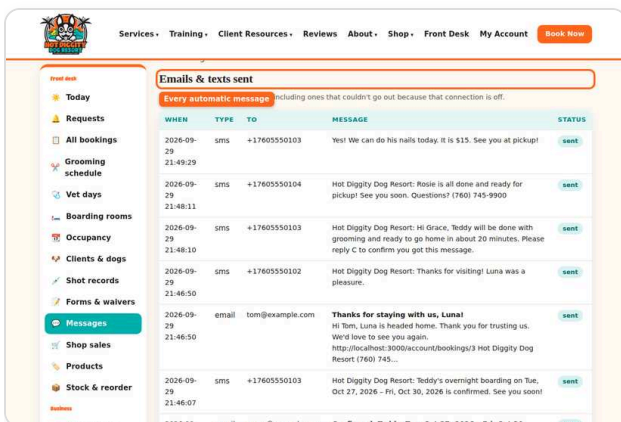

- To turn texts back on, the client texts **START** to our number.

Good to know: Don't tick **OK to text** again for a client who texted STOP. Only the client can turn texts back on, by texting START.

Good to know: Email replies from clients go to the office inbox, not here.

Tip: From the website lists notes from our contact form. Answer them, then press **Mark handled**.

Tip: Emails & texts sent lists every message the system sent by itself, like reminders.

Every message sent

If something goes wrong: A red box says the client **has turned off texts**? Change **Send as** to **Email** and send it that way. Or call the client from the desk phone.

The count sheet

Good to know: Paid by card? Use the card reader if you see **Charge on card reader**. If not, run it on the other machine and pick **card (other terminal)**.

- 2 Pick the **Dog**. Type the **Mood** and **Meals**.

The webcam usernames

2

Press **Print the webcam card**. Then press **Print the webcam card** at the top.

The webcam card

3

Give the card to the owner. It has the web address, the username, and the password.

Good to know: Daycare has one camera login. Its username is "daycare." Each boarding suite has its own login. Its username is the suite number, like suite101.

Good to know: The camera password is not a secret. You may give it out on the phone.

Good to know: The cameras are not a way to watch dogs all night. There is no staff overnight. Never say we are open 24/7.

Good to know: Crates have no cameras.

If something goes wrong: The card says the camera password isn't saved yet? Tell David. He adds it in the settings.

Cancel or change a booking

Change dates or times, cancel a booking, and give a refund.

Plans change. You can change a booking's dates and times, or cancel it. Know the cancel rules before you do.

The cancel rules

- **Boarding:** the client must cancel at least **48 hours** before.
- **Grooming and everything else:** at least **24 hours** before.
- Cancel in time, and the payment is refunded.

- Late cancels and no-shows are not refunded. They may be charged a fee.
- Holidays may need more notice.

Change dates or times

Type a reason, then press Cancel

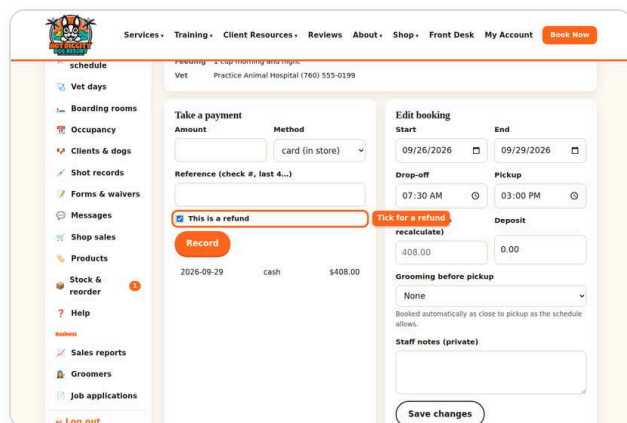

- 3 The booking now says **Cancelled**. If you made a mistake, press **Reopen**. It goes back to a request.

A cancelled booking

Give a refund

- 1 Open the booking. Scroll to **Take a payment**.
- 2 Type the refund amount. Pick the **Method** they paid with.
- 3 Tick **This is a refund**. Press **Record**.

Tick This is a refund

Good to know: Record with **This is a refund** only writes it down. It does not send money back. For cash, hand the money back. For a card, ask David to refund the card.

Good to know: If you type a reason, the client gets it by text or email. With no reason, no message is sent.

Tip: When a groom is cancelled, a waiting-list client may get that spot. Look at the waiting list on the grooming schedule.

If something goes wrong: Changed boarding dates and the suite changed? New dates can mean a new suite. Check the **Room** box after you save.

Groomer hours and time off

Add time off

5

The time off shows in the list. It also shows on the grooming schedule that day. To take it off, press **Remove**.

Time off and the Remove button

Good to know: Time off does not move grooms that are already booked. Look at that day on the grooming schedule. Move or call about any grooms in that time.

Good to know: Label a block "Lunch" to move that day's lunch.

Tip: Online booking only offers a groomer for the services they are trained for.

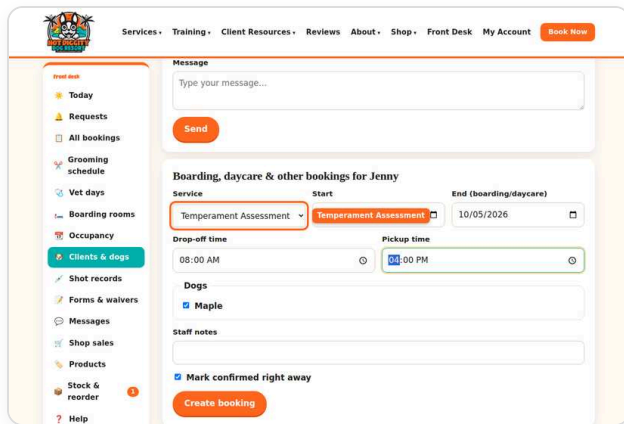

Temperament Assessment day

Book a new dog's first daycare day, then mark if the dog passed.

Every new dog starts with a Temperament Assessment. It is a full daycare day. Our team watches how the dog plays and acts. It costs the regular daycare rate.

- 1 Open the client page. Go to **Boarding, daycare & other bookings** for the client.
- 2 In **Service**, pick **Temperament Assessment (first daycare day)**.

Pick Temperament Assessment

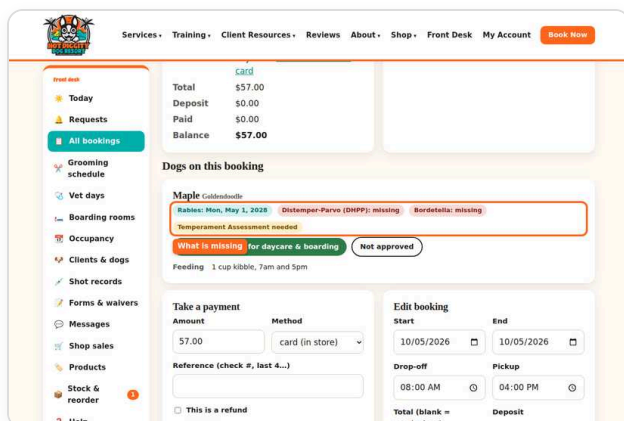

- 3 Pick the date. Tick the dog. Press **Create booking**.

- The dog needs a new assessment after six months away.

After the day

- 1 Open the booking. Scroll to **Dogs on this booking**. Check the shot boxes.

What the dog still needs

2

Did the dog pass? Press **Passed: approve for daycare & boarding**.

The screenshot shows the 'Hot Diggity Dog Resort' website interface. On the left is a sidebar with navigation links: 'Today', 'Requests', 'All bookings', 'Grooming schedule', 'Vet days', 'Boarding rooms', 'Occupancy', 'Clients & dogs', 'Shot records', 'Forms & waivers', 'Messages', 'Shop sales', 'Products', 'Stock & reorder', and 'Help'. The main content area displays a summary of the dog's status and booking details. Under 'Dogs on this booking', it lists 'Maple Goldenoodle' with 'Rabies: Mon, May 1, 2026', 'Distemper-Parvo (DHPP): missing', and 'Bordetella: missing'. A green button labeled 'Passed: approve for daycare & boarding' is highlighted, along with a red button 'Press after the day'. Below this, there's a 'Take a payment' section with fields for Amount (\$7.00), Method (card (in store)), and Reference (check #, last 4...). There's also an 'Edit booking' section with Start and End dates (10/05/2026), Drop-off and Pickup times (08:00 AM and 04:00 PM), and Total/Deposit amounts (\$7.00 and 0.00).

Press when the dog passed

3

Didn't pass? Press **Not approved**.

4

A dog that passed shows **Approved** and the date.

This screenshot shows the same website interface as the previous one, but with the 'Approved!' button highlighted in orange. The status of the dog's booking has changed from 'Passed: approve for daycare & boarding' to 'Approved!'. The 'Not approved' button is now greyed out. The rest of the interface, including the sidebar and payment/edit booking sections, remains the same.

The dog is approved

Good to know: Only a dog that passed can come for daycare or boarding. Grooming and training don't need it.

Good to know: We can't take bully breeds in boarding or daycare. Our insurance does not allow it. We also can't take dogs with a history of biting in daycare or boarding. Grooming and training are fine.

If something goes wrong: Not sure if the dog passed? Ask Penny or David before you press a button.

After the dog passes: the Daycare Card

- 1 On the assessment booking, type the **Temp test color** and who the dog was **Tested with**.
- 2 Press **Passed: approve for daycare & boarding**. This checks **Approved for daycare & boarding** on the dog's profile for you.
- 3 Press  **Daycare Card** next to the dog's name. Load the 5" x 8" card stock and print.

Tip: On **Today**, press  **Daycare Cards for today** to print a card for every approved dog here or arriving today.

Good to know: Grooming card notes and the temp test details can be changed later on the dog's card, under **Daycare Card (staff only)**.

Card on file, or type in a card

Charge a card the client saved, or type a card in at the keyboard (phone orders, or a card handed to you).

You can take a card three ways: the **card reader**, a **card on file**, or **type it in**. Use the reader when the client is standing there. It costs us less. Use a card on file or type it in when they call, or when the reader isn't handy.

Charge a card on file

- 1 Open the booking (or the shop sale). Scroll to **Take a payment**.
- 2 Under **Card on file, or type in a card**, press **Card on file**.
- 3 Check the amount. Pick the card. Ask about a tip: **No tip, 10%, 15%, 20%**, or **\$ Other**.
- 4 Press **Charge**. The site asks "Charge \$55.00 to Visa •••• 4242?" Press **OK**.

The screenshot shows the 'Take a payment' section of the website. Under the 'Card on file, or type in a card' heading, the 'Card on file' option is selected. The amount is \$55.00, and the card is Visa •••• 4242. The tip is set to 10% (\$5.50). The 'Charge \$55.00 to the card on file' button is highlighted. There is also a 'Move this groom' section on the right.

Pick the card, the tip, then Charge

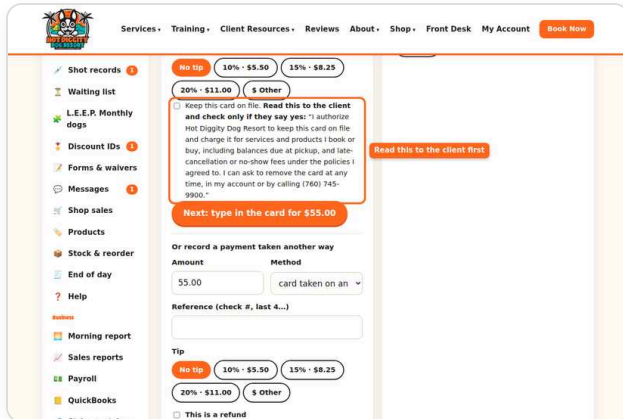

5

A green box at the top says **Charged \$55.00 to the card on file**.

Careful: If it says the bank wants the client to approve the charge, send them a pay link or use the card reader.

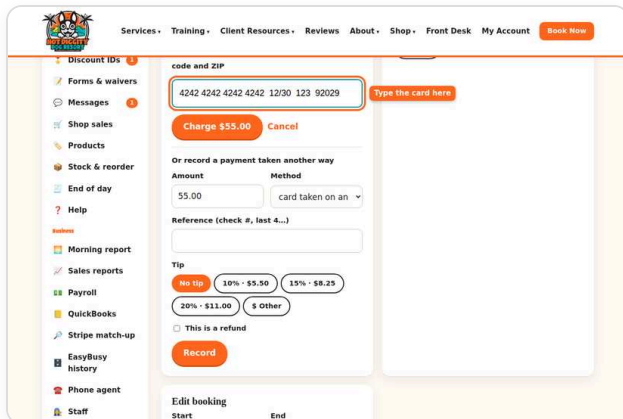

Type in a card

- 1 Press **Type in a card**.
- 2 Check the amount and the tip.
- 3 Does the client want us to keep the card for next time? **Read them the words next to "Keep this card on file."** Check the box only if they say yes.

Read this to the client first

- 4 Press **Next: type in the card**.
- 5 Type the card number, the date (MM/YY), the 3-digit code, and the ZIP code, all in the one box.

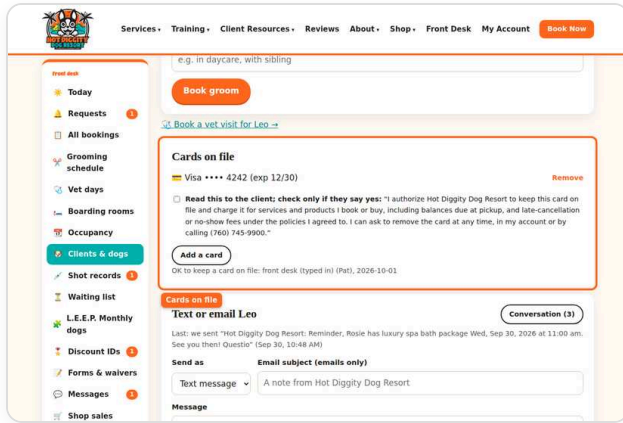

Type the card here

- 6 Press **Charge**. The green box says **Paid \$55.00 by card**.

Good to know: The card number goes straight to Stripe, our card company. Our website never sees it or keeps it. Never write a card number down.

See or remove a client's saved cards

- 1 Open the client's page. Scroll to **Cards on file**.
- 2 Press **Remove** next to a card to take it off. To save a card without charging it, check the box (after reading it to the client) and press **Add a card**.

Cards on file

Good to know: "card taken on another machine (just recording it)" doesn't charge anything. Use it only to write down a card payment that was already taken somewhere else.

The waiting list

Put a caller on the waiting list for a full day or full dates. The site tells everyone waiting when a spot opens.

No more notebook. When a day is full for grooming, or the dates are full for boarding or daycare, put the client on the waiting list in the site. Clients can also join it themselves online.

When any booking is cancelled, **everyone waiting for those dates gets a text right away** (or an email if they don't take texts). Whoever books first gets the spot. The office gets an email saying who was told.

Add a caller to the waiting list

- 1 Open the client's page. Scroll to **Add to the waiting list**.
- 2 Pick the service. Type the date. For boarding or daycare, also type the pickup date.
- 3 Check the dogs. Add a note if it helps, like "Can do Dec 24."
- 4 Press **Add to the waiting list**.

Fill in and press Add

See everyone who is waiting

- 1 Press **Waiting list** in the menu. The red number shows how many are waiting.
- 2 **Told** means the site already let them know about an opening.
- 3 Press **Tell them: spot open** to send the message yourself. Press **Booked** when they book. Press **Remove** if they don't want it anymore.

Tip: If the email to the office says a message was **NOT sent**, call that client.

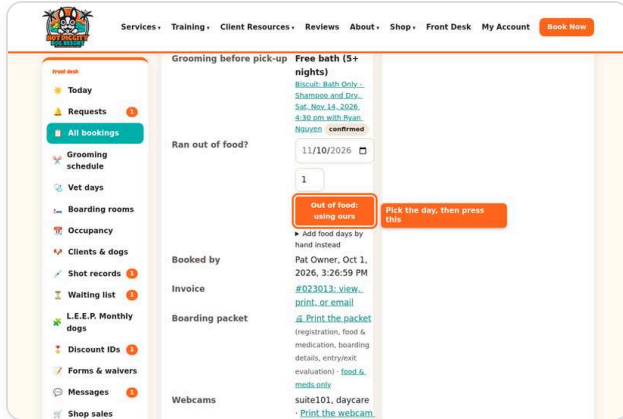

A boarder ran out of food

Mark "Out of food: using ours" once. The \$3 a day charge adds itself through pickup.

When a boarder's food runs out, we feed them our house food. It's \$3 a day per dog. You don't have to tell the front desk. Mark it once, and the charge goes on the bill by itself, from that day through pickup.

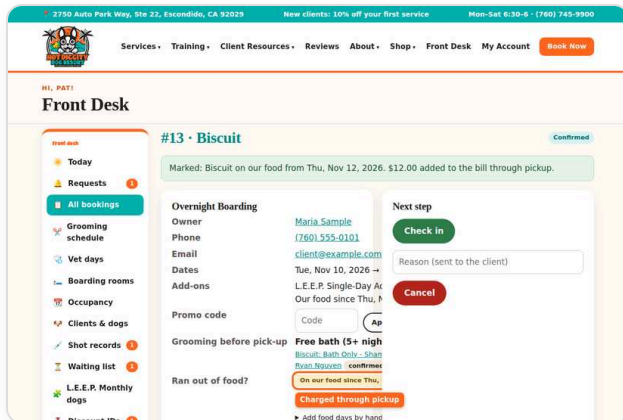

Mark it

- 1 Open the dog's boarding stay. (On **Boarding rooms**, press the dog's name.)
- 2 Find **Ran out of food?** Pick the first day on our food. Check how many dogs.
- 3 Press **Out of food: using ours**.

Pick the day, then press this

- 4 A yellow tag says **On our food since...** The charge is on the bill.

Charged through pickup

Good to know: If the pickup day changes, or the dog goes home early, the charge changes by itself. If you marked it by mistake, or the owner brings more food, press **Undo**.

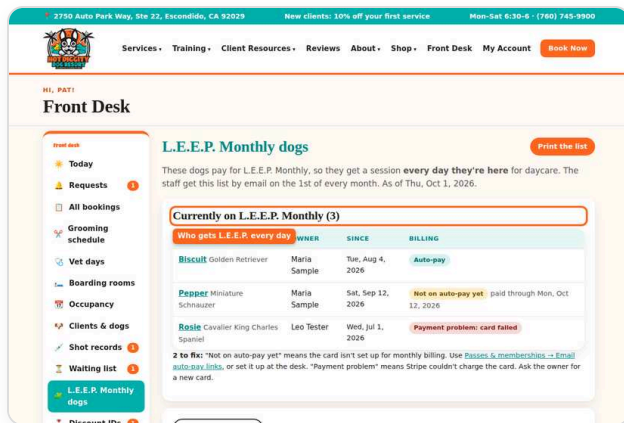

Who gets L.E.E.P. (and how many days)

The L.E.E.P. Monthly list, and the L.E.E.P. question on every boarding stay.

L.E.E.P. Monthly dogs

Dogs on **L.E.E.P. Monthly** get a L.E.E.P. session **every day they're here** for daycare.

- 1 Press **L.E.E.P. Monthly dogs** in the menu.
- 2 The list shows each dog, the owner, and the billing. **Auto-pay** is good. **Not on auto-pay yet** or **Payment problem** goes to the front desk to fix.
- 3 Press **Print the list** for the daycare room. The staff also get it by email on the 1st of every month, with who joined and who left.

Who gets L.E.E.P. every day

L.E.E.P. by the day on a boarding stay

Every boarding booking asks: **Add L.E.E.P.? How many days?** A client might board 5 days and want L.E.E.P. on 2 of them.

- 1 When you book a stay at the desk, ask the client: "Would you like L.E.E.P. while they're here? How many days?"
- 2 Pick their answer in the L.E.E.P. box: **No L.E.E.P.**, **Every day**, or a number of days. The booking won't save until you pick one.

Ask: L.E.E.P.? How many days?

- 3 To change it later, open the booking. Use **L.E.E.P. on this stay** under **Edit booking**, then press **Save changes**.

Good to know: The number of days prints on the boarding packet in # **L.E.E.P. Days**. Monthly members show **Member**.

Military and first responder IDs

Check the ID a client sent, then turn the discount on.

Military, firefighters, police, EMTs and paramedics, and 911 dispatchers get a discount. Clients send a photo of their ID from their account.

- 1 Press **Discount IDs** in the menu. The red number shows how many are waiting.
- 2 Look at the photo. Does it look real? Does the name match the client?
- 3 Press **Approve: turn on the discount**. Or press **Decline**.

Looks real and the name matches? Approve

Good to know: Once it's on, the discount comes off every booking by itself.

Dematting and other by-the-hour add-ons

Dematting is \$60 an hour, in 15-minute steps. Get the owner's OK first.

Dematting (taking out mats) is **\$60 an hour, billed in 15-minute steps**. A brush-out is the same price. Hand scissoring and hand stripping are also priced by the hour.

- 1 If a coat is matted, tell the owner about the dematting fee **before** you start. Get their OK.
- 2 On the groom, add **Dematting, priced per hour**. Type the time in hours: **0.25** is 15 minutes, **0.5** is 30 minutes, **0.75** is 45 minutes, **1** is an hour.
- 3 The price works itself out.

Careful: Brushing out mats that hurt the dog isn't kind. If shaving down would be kinder, talk to the owner first.

Phone calls the phone agent took

Every call the phone agent answers leaves a short note for the desk. Calls that need a person stay at the top until someone handles them.

When the phone agent answers a call, it leaves a note, like a message slip from an answering service. The note says who called, why, and what the agent did (booked, moved, cancelled, sent a link).

The phone agent isn't turned on yet. This page fills up once it is.

Where to find the notes

- **Front Desk → Phone calls.** The number next to it is how many calls are waiting for a call back.
- **The client's page** also shows their last few calls, under **Phone calls with the phone agent**.
- The office email gets each note too. Urgent ones start with **URGENT**, and call-backs start with **Call back**.

Handle a call back

- 1 Open **Phone calls**. The ones that need you are under **Needs a call back**.
- Call the client.

2

3

Press **Called back / handled**. If you pressed it by mistake, press **Undo**.

What the agent can and can't do

- It looks up a caller by their phone number, **and** asks for their dog's name before it tells them anything about their bookings.
- It books, moves a groom, or cancels by the same rules as the website. It reads everything back and waits for a "yes" first.
- Bookings it makes on the spot are paid in full by a link it texts. The spot is held for 60 minutes.
- It can't cancel or change anything inside the cancellation window, or move a stay's dates. Those come to you as a request or a call back.
- The client always gets a text or email of what was done, so a mistake shows up right away.
- Every booking it makes says **Booked by phone (phone agent)** in the staff notes.

Grooms for several dogs at once

One screen for a family with two or more dogs. Pick each dog's groom and see the next three days they can all come in together.

When a client calls to book grooms for two or more dogs, usually on the same day at the same time, use this screen instead of booking each dog alone.

1

Open the client's page. Under **Book a groom**, press  **Book grooms for several dogs at once**.

2

Each dog shows what they **usually** get, how many times, and when they were last here. Use that to ask the client.

3

Tick each dog that's coming. Pick each one's **Groom**, and any **Add-ons**.

4

If the client wants a certain groomer for a dog, pick **Only (name)**. Otherwise leave **Any trained groomer**. The dog's usual groomer is tried first.

5

Choose **Together?**: same start time, within 30 minutes, within 1 hour, or any time that day.

6

Press **Find the next 3 days**.

7

Read the choices to the client. Each one shows the drop-off time, every dog's groom, its groomer (★ = their usual groomer), and the price.

8

Press **Book all** on the one they pick. If none work, press **None of these work: show the next 3 days**.

Good to know:

- Only groomers trained for that groom (and its add-ons) are offered. Two dogs never get the same groomer at the same time.
- Times are back-to-back, so no groomer is left with a gap.
- It's all or nothing. If someone takes one of those times first, nothing is booked and you just pick again.

Family members who may pick up

Add the people who may drop off or pick up a dog, each with a photo, so the desk knows them on sight. Take a dog or person off the list when they're no longer with the family.

Add a person

- 1 Open the client's page and find **People who may drop off and pick up**.
- 2 Type their name, who they are (spouse, daughter, dog walker), and their phone. Add a photo if you have one.
- 3 Press **Add person**.

Clients can add people themselves too, from **My details** in their online account.

Only release a dog to the client or someone on this list. If someone isn't on it, call the client first.

Take someone off the list

Press **Remove** under their photo. They move to **Removed**, where **Put back** brings them back.

A dog that's no longer with the family

Open the dog on the client's page, choose why (passed away, rehomed), and press **Take (name) off the active list**. Their history stays. Press **Put (name) back on the active list** if you need to.

Please be gentle when a client tells you their dog has passed. A kind word goes a long way.

Scanning barcodes at the register

Use the barcode scanner on the shop sale screen. Each product needs its barcode saved once.

- 1 Start a sale (**Shop sales** → **New sale**).
- 2 Click in the **Scan a barcode** box.

- 3 Scan the item. It's added to the sale, one at a time. Scan it again for a second one.

If it says **No product has the barcode...**, that product's barcode isn't saved yet:

- 1 Open **Products**, then the item.
- 2 Click in **SKU / barcode** and scan the item. Save.

From then on, scanning adds it.

You can still pick items from the **Add product** list, like before.

Other parts of the page

- **Tips by groomer:** tips from the card reader, by groomer.
- **Grooming by groomer:** finished grooms and their value.

- **Year to date by payment method:** card, cash, check, and more.

Good to know: "Collected" is money in the bank. "Booked" is work on the books. They are not always the same number.

Tip: For your books, use the **QuickBooks** page. See topic 13.

Bring over clients

Load clients, dogs, shots, waivers, upcoming bookings, passes and old invoices from the client file. A backup is made first.

- 1 Get the client file from Claude. It ends in **.tar.gz**. **Don't unzip it**. Keep it private: it has every client's details.
- 2 Go to **Front Desk → Bring over clients** (owners only).
- 3 Choose the file and press **Load clients**. It takes about a minute.
- 4 Read the summary. Then go to **EasyBusy history → Price them** to put prices on the upcoming bookings that came over.

Running it again is safe: anyone already here is skipped, never doubled.

The test site never emails or texts clients, so it's safe to practice with real clients there.

Discounts and deposits

One discount per visit (the biggest one wins), the birthday discount, and deposits in dollars or percent.

One discount per visit

A visit can only get one discount. When more than one could apply, the biggest is used:

- **Military and first responder** (10%), for approved clients.
- **A promo code**.
- **Birthday** (10%), when the visit is within 7 days of a dog's birthday or the stay covers it. The dog needs a birthday on its profile.

Change the birthday % or the number of days in **Settings**. Set it to 0 to turn it off.

Deposits

In **Services & prices**, each service has **Deposit (\$)** and **Deposit (% of total)**. Leave both at 0 for no deposit, or type 50 in the % box for 50% down.

Online bookings are paid in full, so deposits only apply to bookings the desk makes or approves.

Login safety and alerts

What the site does to keep logins safe, the email you get when a staff login is used from a new place, and what to do about it.

What the site does on its own

- **Wrong passwords:** after 8 wrong tries on one login, it waits 15 minutes. Many tries from one internet address get the same wait.
- **New place:** when a staff or owner login is used from an internet address it has never used before, the owners get an email: **New login place: (name)**.
- **Stolen cards:** a client can't try more than 5 cards a day. That stops crooks from "testing" stolen card numbers.
- **Fake sign-ups:** no more than 5 new accounts an hour from one place.
- **Staff logins time out** when nobody uses them, and each job only sees what it needs.

You get a "New login place" email

- If it was them (a new phone, home Wi-Fi, a different computer), there's nothing to do.
- If it wasn't, go to **Staff logins & permissions**, press **Turn off this login**, then give them a new password.

Every login and failed try is listed in the **Activity log**.

The best protection

Turn on two-step login (a code from your phone) for Render, Stripe, GitHub, your email, QuickBooks, Google and Twilio. Never log in from a link in an email: go to the site yourself.
