How to log in, find your way around the Front Desk, and read the red numbers.

Welcome! This is our new system. It takes the place of EasyBusy. You do all of your desk work on one website. This page shows you how to get in and where things are.

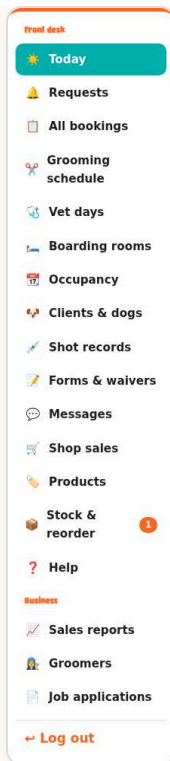

Steps

- 1 Go to our website on the desk computer. Press **Log In** at the top.
- 2 Type your work email and your password. Then press **Log in**.

The screenshot shows the login page for Hot Diggity Dog Resort. At the top, there is a navigation bar with links: Services, Training, Client Resources, Reviews, About, Shop, Log In, and a Book Now button. The main heading is "Log in". Below it is a form with an "Email" field containing "desk@example.com" and a "Password" field. A red "Log in" button is positioned below the password field, with a red callout box pointing to it that says "Type, then press here". Below the button is a link: "Forgot password, or first time since we switched systems?". At the bottom of the form area is a link: "New to Hot Diggity? Create an account". The footer contains the Hot Diggity Dog Resort logo and three columns of links: Services (Boarding, Daycare), Resources (Blog, Podcasts), and Get Started (Book a Stay, Client Login).

The log in page

- 3 Press **Front Desk** at the top of the page. You land on the **Today** page.
- 4 Look at the menu on the left. It is the same on every Front Desk page.

Grooming done: text the owner

Sends the ready-for-pickup text automatically (email if they don't take texts).

Next step

Check in

Cancel

Good to know: The owner gets only one text from you. If you sent the 20-minute text, **Done** does not send a second one.

Good to know: Some owners don't take texts. They get an email instead. The row says **Emailed**. They can't reply C, so no call is needed.

Good to know: Is the dog staying on in boarding? Then there is no pickup. No text goes out. Just press **Done**.

Tip: On a tablet, the site's top menu is behind the **Menu** button. Press **Menu**, then **Front Desk**.

If something goes wrong: A red box says **The 20-minute message didn't go out?** The text failed. Call the owner instead.

Report cards and webcam logins

While a dog is checked in, you can send the owner a report card. It tells them how the dog is doing. You can also give them the webcam login.

Send a report card

- 1 Open the booking of a dog that is checked in. Scroll to **Report cards**.
- 2 Pick the **Dog**. Type the **Mood** and **Meals**.
- 3 Type a short **Note to the owner**.
- 4 Leave **Email/text it to the owner now** ticked. Press **Save report card**.

The screenshot displays the 'Report cards' form on the Hot Diggity Dog Resort website. The form is located in the center of the page, under the 'Report cards' heading. It includes a 'Dog' dropdown menu with 'Biscuit' selected, a 'Mood' text input field with 'Happy and playful', and a 'Meals' text input field with 'Ate all breakfast and dinner'. The webcam card

3

Give the card to the owner. It has the web address, the username, and the password.

Good to know: Daycare has one camera login. Its username is "daycare." Each boarding suite has its own login. Its username is the suite number, like suite101.

Good to know: The camera password is not a secret. You may give it out on the phone.

Good to know: The cameras are not a way to watch dogs all night. There is no staff overnight. Never say we are open 24/7.

Good to know: Crates have no cameras.

If something goes wrong: The card says the camera password isn't saved yet? Tell David. He adds it in the settings.

The dog is approved

Good to know: Only a dog that passed can come for daycare or boarding. Grooming and training don't need it.

Good to know: We can't take bully breeds in boarding or daycare. Our insurance does not allow it. We also can't take dogs with a history of biting in daycare or boarding. Grooming and training are fine.

If something goes wrong: Not sure if the dog passed? Ask Penny or David before you press a button.

After the dog passes: the Daycare Card

- 1 On the assessment booking, type the **Temp test color** and who the dog was **Tested with**.
- 2 Press **Passed: approve for daycare & boarding**. This checks **Approved for daycare & boarding** on the dog's profile for you.
- 3 Press  **Daycare Card** next to the dog's name. Load the 5" x 8" card stock and print.

Tip: On **Today**, press  **Daycare Cards for today** to print a card for every approved dog here or arriving today.

Good to know: Grooming card notes and the temp test details can be changed later on the dog's card, under **Daycare Card (staff only)**.

Dematting and other by-the-hour add-ons

Dematting is \$60 an hour, in 15-minute steps. Get the owner's OK first.

Dematting (taking out mats) is **\$60 an hour, billed in 15-minute steps**. A brush-out is the same price. Hand scissoring and hand stripping are also priced by the hour.

- 1** If a coat is matted, tell the owner about the dematting fee **before** you start. Get their OK.
- 2** On the groom, add **Dematting, priced per hour**. Type the time in hours: **0.25** is 15 minutes, **0.5** is 30 minutes, **0.75** is 45 minutes, **1** is an hour.
- 3** The price works itself out.

Careful: Brushing out mats that hurt the dog isn't kind. If shaving down would be kinder, talk to the owner first.
