How to log in, find your way around the Front Desk, and read the red numbers.

Welcome! This is our new system. It takes the place of EasyBusy. You do all of your desk work on one website. This page shows you how to get in and where things are.

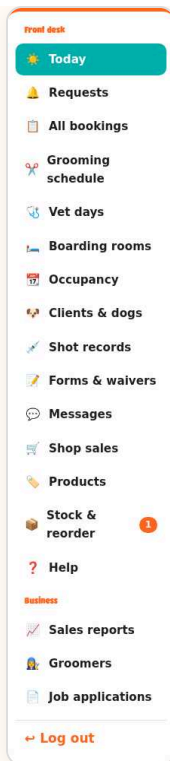

Steps

- 1 Go to our website on the desk computer. Press **Log In** at the top.
- 2 Type your work email and your password. Then press **Log in**.

The screenshot shows the login page of the Hot Diggity Dog Resort website. At the top, there is a navigation bar with links: Services, Training, Client Resources, Reviews, About, Shop, Log In, and a Book Now button. The main heading is "Log in". Below it is a form with an "Email" field containing "desk@example.com" and a "Password" field. A red "Log in" button is positioned below the password field, with a red callout box pointing to it that says "Type, then press here". Below the button is a link: "Forgot password, or first time since we switched systems?". At the bottom of the form area, it says "New to Hot Diggity? Create an account". The footer contains the Hot Diggity Dog logo and three columns of links: Services (Boarding, Daycare), Resources (Blog, Podcasts), and Get Started (Book a Stay, Client Login).

The log in page

- 3 Press **Front Desk** at the top of the page. You land on the **Today** page.
- 4 Look at the menu on the left. It is the same on every Front Desk page.

The Front Desk menu

5

Look for red numbers in the menu. A red number means there is work waiting. For example, the number by **Requests** is how many bookings need your answer.

Read the green box at the top. For boarding, it tells you which suite the dog got.

The screenshot shows the Hot Diggity Dog Resort website interface. At the top, there's a navigation bar with links: Services, Training, Client Resources, Reviews, About, Shop, Front Desk, My Account, and a Book Now button. A green box at the top of the main content area contains the text: "Marked confirmed. Assigned to Suite 0101." Below this, the "Confirmed!" section displays "Overnight Boarding" details for a client named Grace Example. The details include: Owner (Grace Example), Phone ((760) 555-0103), Email (grace@example.com), Dates (Tue, Oct 27, 2026 → Fri, Oct 30, 2026), Promo code (Code), and a button to Apply. There's also a section for "Ran out of food?" with a dropdown for "day" and a value of "1", and a button to "Add \$3/day/dog". The "Next step" section has a "Check in" button, a text input for "Reason (sent to the client)", and a "Cancel" button. At the bottom, there's an "Invoice" section with links to view, print, or email invoice #023014, a "Kennel sheet" link to print food and medication, and "Webcams" for suite101, daycare, and a link to print the webcam card. The "Total" is \$408.00 and the "Deposit" is \$0.00.

The request is confirmed

Why is it a request?

Daycare and boarding book right away online only when all of these are true:

- The dog passed the Temperament Assessment.
- The dog came to daycare or boarding in the last 6 months.
- For boarding, the suite is not shared with another family's dog.

If not, it comes to you as a request. Grooming can book online with no assessment.

Good to know: Never tell a client a request is "booked." It is only booked after you press **Confirm**.

Good to know: A dog needs Rabies, DHPP, and Bordetella on file before the first visit. A dog must be spayed or neutered before 8 months of age

for daycare and boarding.

Tip: If the stay asked for a groom before pickup, it goes on the grooming schedule by itself when you confirm.

If something goes wrong: Does it say **Over capacity**? We are full that day. Ask David before you make room. If he says yes, tick **Confirm anyway, even if over capacity** and press **Confirm** again.

Good to know: A shot box can be red (missing or out of date) or say **(unverified)**. Don't take the dog for daycare or boarding until the shots are OK. See Shot records.

Good to know: A yellow box that says **Temperament Assessment needed** means the dog has not passed yet. That dog can only come for a Temperament Assessment day. See Temperament Assessment day.

Tip: The Food & Medication sheet uses the owner's online form. If it says there is no form on file, fill it in by hand at drop-off.

Tip: Grooms don't need **Check in**. The groomer can still send the 20-minute text and press **Done**.

If something goes wrong: The webcam card shows only the daycare camera? The dog is not in a suite yet. Pick a suite first. See Boarding rooms and suites.

The boarding packet

Every boarding dog gets a packet. It goes with the dog and stays on the kennel.

- 1 Open the boarding booking.
- 2 Next to **Boarding packet**, press  **Print the packet**.
- 3 Each dog gets four pages: the **Registration Form**, the **Food & Medication Form**, the **Overnight Boarding Details Form**, and the **Entry / Exit Evaluation**.

4

Most of it is filled in for you. Fill in the rest by hand at drop-off: the items to inventory, the entry evaluation, and your initials.

Check a dog out and take payment

Take the money, then mark the dog as gone home.

When an owner picks up, first take the payment. Then check the dog out. Do it in that order.

Steps

- 1
- Press **Today** in the menu. Find the dog under **Going home**. Press the dog's name.

On the left is a sidebar with navigation links: Today, Requests, All bookings (highlighted), Grooming schedule, Vet days, Boarding rooms, Occupancy, Clients & dogs, Shot records, Forms & waivers, Messages, Shop sales, Products, and Stock & reorder. The main content area displays a summary for a dog's stay. At the top, it asks 'Ran out of food?' with a dropdown set to 'day' and a value of '1', and a button to 'Add \$3/day/dog'. Below this is a table of charges: Invoice #023003 (with links to view, print, or email), Kennel sheet (with a link to print the food & medication sheet), Webcams (suite101, daycare with a link to print the webcam card), Total \$408.00, Deposit \$0.00, Paid \$0.00, and Balance \$408.00 (highlighted with a red box). A 'What they owe' button is next to the balance. To the right, a 'Next step' section says 'Collect \$408.00 before checkout.' and has a 'Check out' button. Below the balance, there's a 'Room' section for 'Suite 0101' with dropdowns for 'Room (whole stay)' and 'Second room (dogs that don't fit together)', a 'Save room' button, and a checkbox for 'Put them there anyway'.

Paying by card

Once the card reader is set up, the booking shows a **Charge on card reader** button above the form.

- 1 Check the **Amount (before tip)**.
- 2 Leave **Show the tip screen** ticked so the client can add a tip.
- 3 Press **Charge on card reader**.
- 4 Ask the client to pick a tip, then tap or put in their card.
- 5 Wait. The screen says **Paid** when it goes through. The tip shows too.

If the client changes their mind, press **Cancel**. If the card reader is not set up yet, you will see **No card reader set up yet**. Then run the card on the other machine and record it as **card (in store)**.

Good to know: Tips on the card reader are saved by themselves. A cash tip? Type it in the **Tip** box on the **Record** form. Tips go to the groomer on that appointment.

Good to know: A dog can't go home with money owed. The red box says how much. The **Check out** button stays gray until it is paid. The amount counts any groom or bath booked with the stay. Only David can let a dog leave before it is paid. He types the reason.

Tip: Does the client have a daycare pass? Use it before you take money. See Daycare passes and L.E.E.P.

Going home early

Is a boarder leaving before the planned day? Do this before you take payment.

- 1 On the booking, press **Going home early?**
- 2 Check the **Pickup time today**.
- 3 Stayed less than 5 nights, with a free bath booked? Ask the owner if they still want the bath. It now costs the regular price. Pick their answer.
- 4 Press **End the stay today and re-price**.
- 5 The price changes to the nights they stayed. The bath or groom moves to finish before pickup. If they paid too much, the message tells you how much to refund.

Tip: Did a boarder run out of food and eat ours? Before checkout, type the days in **Ran out of food?** and press **Add \$3/day/dog**.

The screenshot shows the Hot Diggity Dog Resort website. The top navigation bar includes links for Services, Training, Client Resources, Reviews, About, Shop, Front Desk, My Account, and a Book Now button. The green box says **Room saved**.

The room is saved

To move a dog, do the same steps. Pick the new suite and press **Save room**.

Sharing a suite

Only dogs from the same family share. A suite can hold:

- up to 4 dogs of 20 lbs or less, or
- 3 dogs of 30 lbs or less, or
- 2 dogs of 60 lbs or less.

The first dog pays full price. Each extra dog in the same suite is \$5 off per night.

Good to know: Most suites are 4' × 6'. Suite 0501 is 5' × 6'. Suite 0601 is 6' × 6'. We save those two for 3 or 4 dogs sharing, or dogs over 80 lbs.

Good to know: A suite that says • **taken** is full for part of the stay. The system won't let you put a dog there. Tick **Put them there anyway** only

if David says so.

Good to know: The **Daycare Floor** and the crates are for busy times. If you use one, tell the owner. The dog sleeps in a crate at night.

Tip: On busy holidays, a stay may be split. That means no one suite is free every night, so the dog changes suites partway. The move shows in a yellow **Suite moves** box on the rooms page.

Tip: Occupancy in the menu shows six weeks at a time. Use it when a caller asks, "Do you have room?"

Below this is a 'Take a payment' section with fields for Amount (55.00), Method (card (in store)), and Reference (check #, last 4...), along with a 'Record' button and a checkbox for 'This is a refund'. To the right is the 'Move this groom' form, which is highlighted with an orange border. This form includes dropdowns for Groomer (Madison Hewett) and Day (09/29/2026), and input fields for Start (11:00 AM) and Length (min) (90). It also has checkboxes for 'Keep current price' and 'Book anyway if it overlaps', and a 'Move' button with a 'View that day' link. Below the 'Move this groom' form is a 'Change time or groomer' button. At the bottom is an 'Edit booking' section with fields for Start and End dates (both 09/29/2026) and Drop-off and Pickup times.

It has a header with the resort's logo and navigation links. The form itself has a sidebar on the left with various menu items like 'Shot records', 'Forms & waivers', 'Messages', 'Shop sales', 'Products', 'Stock & reorder', 'Sales reports', 'Groomers', and 'Job applications'. The main content area of the form is titled 'Block time' and contains a table with columns for 'Groomer', 'From', 'To', and 'Label'. The 'Groomer' column has a dropdown menu with 'Mariana Miranda' selected. The 'From' column has a time picker set to '03:00 PM'. The 'To' column has a time picker set to '03:30 PM'. The 'Label' column has a dropdown menu with 'Meeting' selected. There is an 'Add' button next to the 'Label' dropdown. Below the table, there is a note: 'A "Lunch" block pins that groomer's lunch for the day (same as dragging it). Remove blocks from the day by clicking the "X" icon.' Below the form, there is a section titled 'Waiting list for Tue, Sep 29, 2026' which says 'Nobody is waiting for this day.' The footer of the website is visible at the bottom, with links for 'Services', 'Resources', and 'Get Started'.

Block time

The waiting list

- 1 Scroll to **Waiting list for** the day. It shows clients who want that day.

The waiting list

- 2 A spot opened? Press **Text: spot open**. The client gets a text (or email).
- 3 They took it? Book the groom. Then press **Booked**.
- 4 They don't want it? Press **Remove**.

Good to know: A groom that moves to a different groomer can change price. The price follows the new groomer. Tick **Keep current price** on **Move this groom** to keep it the same.

Good to know: California law says lunch must start within the first 5 hours. The board warns you with **no legal lunch** if there is no room for it.

Tip: Double-click a groom block to open its booking. Or press **open** on the block.

Tip: Grooming card notes are on each groom's booking. Write the blade, style, and how the dog did. Press **Add note**.

The screenshot shows the Hot Diggity Dog Resort website interface. The top navigation bar includes links for Services, Training, Client Resources, Reviews, About, Shop, Front Desk, My Account, and a Book Now button. The left sidebar contains a list of menu items: Front desk, Today, Requests, All bookings (highlighted), Grooming schedule, Vet days, Boarding rooms, Occupancy, Clients & dogs, Shot records (1), Forms & waivers, Messages (1), Shop sales, Products, and Stock & reorder. The main content area displays the booking details for a dog named Rosie, a Cavalier King Charles Spaniel. It shows vaccination status (Rabies, Distemper-Parvo, Bordetella), feeding instructions, and the vet's name and phone number. The Grooming card notes section is highlighted with a red box, showing a text input field with the example note "e.g. #7F body, 1/2 in. comb on legs, teddy face. Wiggly for nails." and an Add note button. Below this, there are sections for Take a payment (Amount: 55.00, Method: card (in store)), Reference (check #, last 4...), and Move this groom (Groomer: Madison Hewett, Day: 09/29/2026, Start: 11:00 AM, Length: 90 min). The Record button is also visible.

Grooming card notes

If something goes wrong: It says **No groomers scheduled this day?** Nobody has hours that day. Hours are set under **Staff**. Ask David.

Shot records

Check the shot records clients upload, and add paper ones.

Every dog needs Rabies, DHPP (Distemper-Parvo), and Bordetella on file. Clients upload photos of their records. You check each one.

Check new uploads

- 1 Look at **Shot records** in the menu. A red number means new records are waiting.

Did a client fill out a paper form? Scan or take a photo of it.

1

Open the client page. Open the dog under **Dogs**.

2

Find **Attached forms**. Pick the **Form**.

4

Pick the photo or PDF in **Photo or PDF**. Add a **Note** if you want.

Press **Attach**.

Attach a paper form

Good to know: Only David can change the words on a form. You can read them, but not edit them.

Good to know: Old signed forms never change. We keep them just as the client signed them.

Tip: No Food & Medication form for a boarder? The printed sheet says so. Fill it in by hand at drop-off.

If something goes wrong: A client says the site won't let them book because of a form? Ask them to log in to their account and sign it there. Then they can book.

Where a client's forms are kept

Open the client's page. Scroll to **Forms & documents**. The client's waivers and training inquiries are under their name. Each dog's forms are under the dog's name, with any paper copies. Each dog's card also shows **Forms on file**, and marks what is still **needed**.

Good to know: A dog already coming here doesn't need the registration form or a new Temperament Assessment. On the dog's card, check **Approved for daycare & boarding** and press **Save**.

Good to know: The Food and Medication Form is needed for every boarding dog. The medication part can be left blank.

Messages and texts

Read and answer client texts, and know what CANCEL and STOP do.

The main content area is titled 'Messages' and contains three sections: 'Texts & emails with clients' (showing two incoming messages from Grace Example and Leo Tester, both marked as 'new'), 'From the website (contact form and training inquiries)' (showing 'No messages'), and 'Emails & texts sent' (showing a table of outgoing messages). The table has columns for WHEN, TYPE, TO, MESSAGE, and STATUS, with one entry from 2026-09-29 to +17605550104, marked as 'not sent: test site'.

Below this is a client's reply: "Text - Sep 29, 2:48 PM Hot Diggity Dog Resort: Hi Grace, Teddy will be done with grooming and ready to go home in about 20 minutes. Please reply C to confirm you got this message." The "Your reply" section is highlighted with a red box, showing a text input field with the placeholder "Type your message..." and a "Send" button.

Texts from a number we don't know

Sometimes a text comes from a number that isn't on any client. The page says so. Press **Find or add the client**. Put the number on their profile. Their next texts will show under their name.

CANCEL and STOP

If a client texts only the word **CANCEL** or **STOP**, the phone company turns their texts off. After that, we can't text them.

- A text that says only CANCEL shows a red box: **"CANCEL" by itself turned this client's texts off. They may have meant their appointment. Please call them.** Call them. Ask what they meant.
- When texts are off, the client page says **(texts turned off)**. You can only send an email.

The screenshot shows the 'Front Desk' interface for Hot Diggity Dog Resort. At the top, there's a navigation bar with links: Services, Training, Client Resources, Reviews, About, Shop, Front Desk, My Account, and a 'Book Now' button. Below the navigation bar, a greeting says 'Hi, SAM!'. The main heading is 'Front Desk'. On the left is a sidebar menu with options: Today, Requests, All bookings, Grooming schedule, Vet days, Boarding rooms, Occupancy, Clients & dogs, Shot records, Forms & waivers, Messages (highlighted), Shop sales, and Products. The main content area shows a client profile for 'Jenny Walker' with a 'Client profile' button. Below the name, the phone number '(760) 555-0177' is shown with a note '(texts turned off)'. A red box contains the text 'Texts are off /et.'. Below this is a 'Reply' form with a 'Send as' dropdown set to 'Email', an 'Email subject (emails only)' field with the text 'A note from Hot Diggity Dog Resort', and a 'Message' text area with the placeholder 'Type your message...'. A red 'Send' button is at the bottom of the form.

Texts are off for this client

- To turn texts back on, the client texts **START** to our number.

Good to know: Don't tick **OK to text** again for a client who texted STOP. Only the client can turn texts back on, by texting START.

Good to know: Email replies from clients go to the office inbox, not here.

Tip: From the website lists notes from our contact form. Answer them, then press **Mark handled**.

Tip: Emails & texts sent lists every message the system sent by itself, like reminders.

You can take a card three ways: the **card reader**, a **card on file**, or **type it in**. Use the reader when the client is standing there. It costs us less. Use a card on file or type it in when they call, or when the reader isn't handy.

- 2 Under **Card on file, or type in a card**, press **Card on file**.

Monthly dogs, Discount IDs, Forms & waivers, Messages, Shop sales, Products, Stock & reorder, and End of day. The middle column is titled 'Take a payment' and includes a 'Card reader' section with a note about adding a card reader under settings. Below this is the 'Card on file, or type in a card' section, which is currently selected. It shows the amount before tip as \$55.00 and the card as Visa **** 4242. There are buttons for 'Card on file (1)' and 'Type in a card'. The 'Tip' section offers options: No tip, 10% (\$5.50), 15% (\$8.25), 20% (\$11.00), and \$ Other. The waiting list

Put a caller on the waiting list for a full day or full dates. The site tells everyone waiting when a spot opens.

No more notebook. When a day is full for grooming, or the dates are full for boarding or daycare, put the client on the waiting list in the site. Clients can also join it themselves online.

When any booking is cancelled, **everyone waiting for those dates gets a text right away** (or an email if they don't take texts). Whoever books first gets the spot. The office gets an email saying who was told.

Add a caller to the waiting list

- 1 Open the client's page. Scroll to **Add to the waiting list**.
- 2 Pick the service. Type the date. For boarding or daycare, also type the pickup date.
- 3 Check the dogs. Add a note if it helps, like "Can do Dec 24."
- 4 Press **Add to the waiting list**.
