How to log in, find your way around the Front Desk, and read the red numbers.

Welcome! This is our new system. It takes the place of EasyBusy. You do all of your desk work on one website. This page shows you how to get in and where things are.

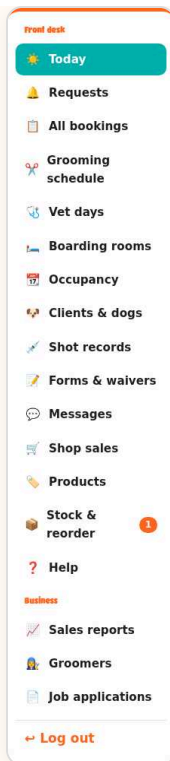

Steps

- 1 Go to our website on the desk computer. Press **Log In** at the top.
- 2 Type your work email and your password. Then press **Log in**.

The screenshot shows the login page for Hot Diggity Dog Resort. At the top, there is a navigation bar with links: Services, Training, Client Resources, Reviews, About, Shop, Log In, and a Book Now button. The main heading is "Log in". Below it is a form with an Email field containing "desk@example.com" and a Password field. A red "Log in" button is present, with a callout box pointing to it that says "Type, then press here". Below the button is a link: "Forgot password, or first time since we switched systems?". At the bottom of the form area, it says "New to Hot Diggity? Create an account". The footer contains the Hot Diggity Dog Resort logo and three columns of links: Services (Boarding, Daycare), Resources (Blog, Podcasts), and Get Started (Book a Stay, Client Login).

The log in page

- 3 Press **Front Desk** at the top of the page. You land on the **Today** page.
- 4 Look at the menu on the left. It is the same on every Front Desk page.

The Front Desk menu

5

Look for red numbers in the menu. A red number means there is work waiting. For example, the number by **Requests** is how many bookings need your answer.

Read the green box at the top. For boarding, it tells you which suite the dog got.

The screenshot shows the Hot Diggity Dog Resort website interface. At the top, there's a navigation bar with links: Services, Training, Client Resources, Reviews, About, Shop, Front Desk, My Account, and a Book Now button. A green box at the top of the main content area contains the text: "Marked confirmed. Assigned to Suite 0101." Below this, the "Confirmed!" section displays "Overnight Boarding" details for a client named Grace Example. The details include: Owner (Grace Example), Phone ((760) 555-0103), Email (grace@example.com), Dates (Tue, Oct 27, 2026 → Fri, Oct 30, 2026), Promo code (Code), Ran out of food? (day 1), Invoice (#023014: view, print, or email), Kennel sheet (Print Food & Medication sheet), Webcams (suite101, daycare · Print the webcam card), Total (\$408.00), and Deposit (\$0.00). To the right of these details is a "Next step" section with a green "Check in" button, a text input field for "Reason (sent to the client)", and a red "Cancel" button. A left sidebar contains various navigation options like Today, Requests, All bookings, Grooming schedule, Vet days, Boarding rooms, Occupancy, Clients & dogs, Shot records, Forms & waivers, Messages, Shop sales, Products, and Stock & reorder.

The request is confirmed

Why is it a request?

Daycare and boarding book right away online only when all of these are true:

- The dog passed the Temperament Assessment.
- The dog came to daycare or boarding in the last 6 months.
- For boarding, the suite is not shared with another family's dog.

If not, it comes to you as a request. Grooming can book online with no assessment.

Good to know: Never tell a client a request is "booked." It is only booked after you press **Confirm**.

Good to know: A dog needs Rabies, DHPP, and Bordetella on file before the first visit. A dog must be spayed or neutered before 8 months of age

for daycare and boarding.

Tip: If the stay asked for a groom before pickup, it goes on the grooming schedule by itself when you confirm.

If something goes wrong: Does it say **Over capacity**? We are full that day. Ask David before you make room. If he says yes, tick **Confirm anyway, even if over capacity** and press **Confirm** again.

Check a dog in

Mark a dog as here when the owner drops off.

Check in every boarding and daycare dog when the owner drops off. Checked-in dogs show in **In the building** on the Today page.

Good to know: A shot box can be red (missing or out of date) or say **(unverified)**. Don't take the dog for daycare or boarding until the shots are OK. See Shot records.

Good to know: A yellow box that says **Temperament Assessment needed** means the dog has not passed yet. That dog can only come for a Temperament Assessment day. See Temperament Assessment day.

Tip: The Food & Medication sheet uses the owner's online form. If it says there is no form on file, fill it in by hand at drop-off.

Tip: Grooms don't need **Check in**. The groomer can still send the 20-minute text and press **Done**.

If something goes wrong: The webcam card shows only the daycare camera? The dog is not in a suite yet. Pick a suite first. See Boarding rooms and suites.

The boarding packet

Every boarding dog gets a packet. It goes with the dog and stays on the kennel.

- 1 Open the boarding booking.
- 2 Next to **Boarding packet**, press  **Print the packet**.
- 3 Each dog gets four pages: the **Registration Form**, the **Food & Medication Form**, the **Overnight Boarding Details Form**, and the **Entry / Exit Evaluation**.

4

Most of it is filled in for you. Fill in the rest by hand at drop-off: the items to inventory, the entry evaluation, and your initials.

Check a dog out and take payment

Take the money, then mark the dog as gone home.

When an owner picks up, first take the payment. Then check the dog out. Do it in that order.

Steps

- 1
- Press **Today** in the menu. Find the dog under **Going home**. Press the dog's name.

- Look at **Balance**. That is what the owner owes.

The screenshot shows the 'Front Desk' section of the Hot Diggity Dog Resort website. On the left is a sidebar with navigation links: Today, Requests, All bookings (highlighted), Grooming schedule, Vet days, Boarding rooms, Occupancy, Clients & dogs, Shot records (1), Forms & waivers, Messages (1), Shop sales, Products, and Stock & reorder. The main content area displays a summary for a dog's stay. At the top, it asks 'Ran out of food?' with a dropdown set to 'day' and a value of '1', and a button to 'Add \$3/day/dog'. Below this is a table of charges: Invoice #023003 (with links to view, print, or email), Kennel sheet (with a link to print food & medication sheet), Webcams (suite101, daycare with a link to print webcam card), Total \$408.00, Deposit \$0.00, Paid \$0.00, and Balance \$408.00 (highlighted with an orange box). To the right of the balance is a button 'What they owe'. Further right, a note states 'also shows in their account during the stay.' Below the balance table is a 'Room' section for 'Suite 0101', with dropdowns for 'Room (whole stay)' and 'Second room (dogs that don't fit together)', a 'Save room' button, and a checkbox 'Put them there anyway'. On the far right, a 'Next step' section says 'Collect \$408.00 before checkout.' and features a large green 'Check out' button.

This screenshot shows the 'Front Desk' interface for a specific dog, '#3 • Luna', who is marked as 'Checked In'. The sidebar is identical to the previous screenshot. It also includes the 'Ran out of food?' section with 'day' and '1' selected, and an 'Add \$3/day/dog' button. Below this is the same invoice and kennel sheet information as before. On the right, a new section titled 'Ready for pickup?' contains a message box: 'Hot Diggity Dog Resort: Luna is all done and ready for pickup! See you soon.' Below the message box are two buttons: 'Text the owner' (highlighted with an orange box) and 'Optional: dog is ready'. A note below these buttons says 'All messages with this client'. Further down, a message icon indicates 'Checked in. Hand the owner the webcam card (suite101 + daycare). It also shows in their account during the stay.' The 'Next step' section remains the same, showing 'Collect \$408.00 before checkout.' and a green 'Check out' button.

Paying by card

Once the card reader is set up, the booking shows a **Charge on card reader** button above the form.

- 1 Check the **Amount (before tip)**.
- 2 Leave **Show the tip screen** ticked so the client can add a tip.
- 3 Press **Charge on card reader**.
- 4 Ask the client to pick a tip, then tap or put in their card.
- 5 Wait. The screen says **Paid** when it goes through. The tip shows too.

If the client changes their mind, press **Cancel**. If the card reader is not set up yet, you will see **No card reader set up yet**. Then run the card on the other machine and record it as **card (in store)**.

Good to know: Tips on the card reader are saved by themselves. A cash tip? Type it in the **Tip** box on the **Record** form. Tips go to the groomer on that appointment.

Good to know: A dog can't go home with money owed. The red box says how much. The **Check out** button stays gray until it is paid. The amount counts any groom or bath booked with the stay. Only David can let a dog leave before it is paid. He types the reason.

Tip: Does the client have a daycare pass? Use it before you take money. See Daycare passes and L.E.E.P.

Going home early

Is a boarder leaving before the planned day? Do this before you take payment.

- 1 On the booking, press **Going home early?**
- 2 Check the **Pickup time today**.
- 3 Stayed less than 5 nights, with a free bath booked? Ask the owner if they still want the bath. It now costs the regular price. Pick their answer.
- 4 Press **End the stay today and re-price**.
- 5 The price changes to the nights they stayed. The bath or groom moves to finish before pickup. If they paid too much, the message tells you how much to refund.

Tip: Did a boarder run out of food and eat ours? Before checkout, type the days in **Ran out of food?** and press **Add \$3/day/dog**.

There are links for the invoice (#023011) and webcams. A 'Next step' section has a 'Check in' button and a 'Reason (sent to the client)' text area. A 'Cancel' button is also present. The 'Dogs on this booking' section lists Rosie, a Cavalier King Charles Spaniel, with vaccination records for Rabies, Distemper-Parvo (DHPP), and Bordetella. The 'Feeding' section shows '1 cup morning and night'.

For boarding you marked confirmed, the system picks a suite for you. The green message says which one. If no suite is free, it says so. Then pick one by hand under **Room**. See Boarding rooms and suites.

Below the header is a navigation bar with links: Services, Training, Client Resources, Reviews, About, Shop, Front Desk, My Account, and a 'Book Now' button. The main content area is titled 'Front Desk' and shows a greeting 'Hi, SAM!'. On the left is a sidebar with various menu items: Today, Requests (1), All bookings (selected), Grooming schedule, Vet days, Boarding rooms, Occupancy, Clients & dogs, Shot records (1), Forms & waivers, Messages (1), and Shop sales. The main area displays a booking for '#11 • Luna' with a status of 'Confirmed'. A green message box states 'Booking created. Assigned to Suite 0101.' Reason (sent to the client)

The room is saved

To move a dog, do the same steps. Pick the new suite and press **Save room**.

Sharing a suite

Only dogs from the same family share. A suite can hold:

- up to 4 dogs of 20 lbs or less, or
- 3 dogs of 30 lbs or less, or
- 2 dogs of 60 lbs or less.

The first dog pays full price. Each extra dog in the same suite is \$5 off per night.

Good to know: Most suites are 4' × 6'. Suite 0501 is 5' × 6'. Suite 0601 is 6' × 6'. We save those two for 3 or 4 dogs sharing, or dogs over 80 lbs.

Good to know: A suite that says • **taken** is full for part of the stay. The system won't let you put a dog there. Tick **Put them there anyway** only

if David says so.

Good to know: The **Daycare Floor** and the crates are for busy times. If you use one, tell the owner. The dog sleeps in a crate at night.

Tip: On busy holidays, a stay may be split. That means no one suite is free every night, so the dog changes suites partway. The move shows in a yellow **Suite moves** box on the rooms page.

Tip: Occupancy in the menu shows six weeks at a time. Use it when a caller asks, "Do you have room?"

The main content area features a 'No notes yet.' section with a text input field and an 'Add note' button. Below this is a 'Take a payment' section with fields for Amount (55.00), Method (card (in store)), and Reference (check #, last 4...), along with a 'Record' button and a checkbox for 'This is a refund'. To the right is the 'Move this groom' form, which is highlighted with an orange border. This form includes dropdowns for Groomer (Madison Hewett) and Day (09/29/2026), and input fields for Start (11:00 AM) and Length (min) (90). It also has checkboxes for 'Keep current price' and 'Book anyway if it overlaps', and buttons for 'Move' and 'View that day ->'. Below the 'Move this groom' form is a 'Change time or groomer' button. At the bottom is an 'Edit booking' section with fields for Start and End dates (both 09/29/2026) and Drop-off and Pickup times.

Texts from a number we don't know

Sometimes a text comes from a number that isn't on any client. The page says so. Press **Find or add the client**. Put the number on their profile. Their next texts will show under their name.

CANCEL and STOP

If a client texts only the word **CANCEL** or **STOP**, the phone company turns their texts off. After that, we can't text them.

- A text that says only CANCEL shows a red box: **"CANCEL" by itself turned this client's texts off. They may have meant their appointment. Please call them.** Call them. Ask what they meant.
- When texts are off, the client page says **(texts turned off)**. You can only send an email.

Texts are off for this client

- To turn texts back on, the client texts **START** to our number.

Good to know: Don't tick **OK to text** again for a client who texted STOP. Only the client can turn texts back on, by texting START.

Good to know: Email replies from clients go to the office inbox, not here.

Tip: From the website lists notes from our contact form. Answer them, then press **Mark handled**.

Tip: Emails & texts sent lists every message the system sent by itself, like reminders.

Members show an **L.E.E.P. member** tag on their bookings.

Good to know: The pass button only shows when the client has credits for that kind of daycare. A full-day pass works for full days. A half-day pass works for half days.

Good to know: Pressing **Use pass credits** twice does not use two credits. It works once per booking.

Good to know: Leave **Still billed by EasyBusy** and **Comp / staff dog** to David.

If something goes wrong: No pass button, but the client says they have a pass? Check that the pass is for the same dog. Also check that it has not expired.

- 3 Tick **This is a refund**. Press **Record**.

The screenshot shows the 'Take a payment' form on the Hot Diggity Dog Resort website. The form is divided into two main sections: 'Take a payment' and 'Edit booking'. In the 'Take a payment' section, there is a 'Method' dropdown menu set to 'card (in store)'. Below this, there is a checkbox labeled 'This is a refund' which is checked. A red box highlights this checkbox with the text 'Tick for a refund'. Below the checkbox is a 'Record' button. In the 'Edit booking' section, there are fields for 'Start' and 'End' dates, 'Drop-off' and 'Pickup' times, and a 'Deposit' field. The 'Deposit' field is set to '0.00'. There is also a 'Grooming before pickup' dropdown menu set to 'None'. At the bottom of the form, there is a 'Save changes' button. The left sidebar of the website is visible, showing various navigation options like 'Vet days', 'Boarding rooms', 'Occupancy', 'Clients & dogs', 'Shot records', 'Forms & waivers', 'Messages', 'Shop sales', 'Products', 'Stock & reorder', 'Help', 'Sales reports', 'Groomers', and 'Job applications'.

Tick This is a refund

Good to know: Record with **This is a refund** only writes it down. It does not send money back. For cash, hand the money back. For a card, ask David to refund the card.

Good to know: If you type a reason, the client gets it by text or email. With no reason, no message is sent.

Tip: When a groom is cancelled, a waiting-list client may get that spot. Look at the waiting list on the grooming schedule.

If something goes wrong: Changed boarding dates and the suite changed? New dates can mean a new suite. Check the **Room** box after you save.

The dog is approved

Good to know: Only a dog that passed can come for daycare or boarding. Grooming and training don't need it.

Good to know: We can't take bully breeds in boarding or daycare. Our insurance does not allow it. We also can't take dogs with a history of biting in daycare or boarding. Grooming and training are fine.

If something goes wrong: Not sure if the dog passed? Ask Penny or David before you press a button.

After the dog passes: the Daycare Card

- 1 On the assessment booking, type the **Temp test color** and who the dog was **Tested with**.
- 2 Press **Passed: approve for daycare & boarding**. This checks **Approved for daycare & boarding** on the dog's profile for you.
- 3 Press  **Daycare Card** next to the dog's name. Load the 5" x 8" card stock and print.

Tip: On **Today**, press  **Daycare Cards for today** to print a card for every approved dog here or arriving today.

Good to know: Grooming card notes and the temp test details can be changed later on the dog's card, under **Daycare Card (staff only)**.

Card on file, or type in a card

Charge a card the client saved, or type a card in at the keyboard (phone orders, or a card handed to you).

You can take a card three ways: the **card reader**, a **card on file**, or **type it in**. Use the reader when the client is standing there. It costs us less. Use a card on file or type it in when they call, or when the reader isn't handy.

Charge a card on file

- 1 Open the booking (or the shop sale). Scroll to **Take a payment**.
- 2 Under **Card on file, or type in a card**, press **Card on file**.
- 3 Check the amount. Pick the card. Ask about a tip: **No tip**, **10%**, **15%**, **20%**, or **\$ Other**.

Below this, the 'Take a payment' section is active, showing options for 'Card reader', 'Card on file, or type in a card (phone or keyboard)', and 'Move this groom'. The 'Card on file' option is selected, and the amount is \$55.00. The card type is Visa, and the tip is \$11.00 (20%). The 'Move this groom' section shows the groomer as Madison Hewett, the day as 09/30/2026, the start time as 11:00 AM, and the length as 90 minutes. There are buttons for 'Move', 'View that day', 'Charge \$55.00 to the card on file', and 'Pick the card, the tip, then Charge'.

Pick the card, the tip, then Charge

Below the checkbox is a button that says 'Next: type in the card for \$55.00'. Further down, there is a section 'Or record a payment taken another way' with fields for 'Amount' (55.00) and 'Method' (card taken on an). There is also a 'Reference (check #, last 4...)' field. At the bottom, there is a 'Tip' section with buttons for 'No tip', '10% · \$5.50', '15% · \$8.25', '20% · \$11.00', and '\$ Other'. A checkbox labeled 'This is a refund' is also visible.

Below this is a link to 'Book a vet visit for Leo'. The 'Cards on file' section displays a Visa card ending in 4242, expiring 12/30, with a Remove button. It includes a checkbox for a client authorization statement and an Add a card button. Below the card section is a 'Text or email Leo' section with a Conversation (3) button, a message history, and fields for Send as (Text message) and Email subject (A note from Hot Diggity Dog Resort).

Cards on file

Good to know: "card taken on another machine (just recording it)" doesn't charge anything. Use it only to write down a card payment that was already taken somewhere else.

The waiting list

Put a caller on the waiting list for a full day or full dates. The site tells everyone waiting when a spot opens.

No more notebook. When a day is full for grooming, or the dates are full for boarding or daycare, put the client on the waiting list in the site. Clients can also join it themselves online.

When any booking is cancelled, **everyone waiting for those dates gets a text right away** (or an email if they don't take texts). Whoever books first gets the spot. The office gets an email saying who was told.

Add a caller to the waiting list

- 1 Open the client's page. Scroll to **Add to the waiting list**.
- 2 Pick the service. Type the date. For boarding or daycare, also type the pickup date.
- 3 Check the dogs. Add a note if it helps, like "Can do Dec 24."
- 4 Press **Add to the waiting list**.

A boarder ran out of food

Mark "Out of food: using ours" once. The \$3 a day charge adds itself through pickup.

When a boarder's food runs out, we feed them our house food. It's \$3 a day per dog. You don't have to tell the front desk. Mark it once, and the charge goes on the bill by itself, from that day through pickup.

Mark it

- 1 Open the dog's boarding stay. (On **Boarding rooms**, press the dog's name.)
- 2 Find **Ran out of food?** Pick the first day on our food. Check how many dogs.
- 3 Press **Out of food: using ours**.

The screenshot shows the Hot Diggity Dog Resort website. The navigation bar includes links for Services, Training, Client Resources, Reviews, About, Shop, Front Desk, My Account, and a Book Now button. The left sidebar lists various services like Front desk, Today, Requests, All bookings, Grooming schedule, Vet days, Boarding rooms, Occupancy, Clients & dogs, Shot records, Waiting list, L.E.E.P. Monthly dogs, Discount IDs, Forms & waivers, Messages, and Shop sales. The main content area shows the 'Boarding rooms' section for a specific dog, with a 'Ran out of food?' section highlighted. This section includes a date picker set to 11/10/2026 and a button labeled 'Out of food: using ours'. A callout box points to this button with the text 'Pick the day, then press this'.

Pick the day, then press this

A yellow tag says **On our food since...** The charge is on the bill.

The screenshot shows the 'Front Desk' interface for Hot Diggity Dog Resort. The top navigation bar includes the address '2750 Auto Park Way, Ste 22, Escondido, CA 92029', a promotion 'New clients: 10% off your first service', and contact info 'Mon-Sat 6:30-6 • (760) 745-9900'. The main header shows 'HI, PAT!' and 'Front Desk'. A sidebar on the left lists various management tools like 'Today', 'Requests', 'All bookings', 'Grooming schedule', 'Vet days', 'Boarding rooms', 'Occupancy', 'Clients & dogs', 'Shot records', 'Waiting list', 'L.E.E.P. Monthly dogs', and 'Discount IDs'. The main content area displays a booking for '#13 • Biscuit' with a 'Confirmed' status. A green message box states: 'Marked: Biscuit on our food from Thu, Nov 12, 2026. \$12.00 added to the bill through pickup.' Below this, the 'Overnight Boarding' details for owner Maria Sample are shown, including contact info and dates. A 'Next step' section has 'Check in' and 'Cancel' buttons. A yellow tag at the bottom of the booking details reads 'On our food since Thu, Nov 12, 2026' and 'Charged through pickup'.

Charged through pickup

Good to know: If the pickup day changes, or the dog goes home early, the charge changes by itself. If you marked it by mistake, or the owner brings more food, press **Undo**.

Who gets L.E.E.P. (and how many days)

The L.E.E.P. Monthly list, and the L.E.E.P. question on every boarding stay.

L.E.E.P. Monthly dogs

Dogs on **L.E.E.P. Monthly** get a L.E.E.P. session **every day they're here** for daycare.

- 1 Press **L.E.E.P. Monthly dogs** in the menu.
- 2 The list shows each dog, the owner, and the billing. **Auto-pay** is good. **Not on auto-pay yet** or **Payment problem** goes to the front desk to fix.
- 3 Press **Print the list** for the daycare room. The staff also get it by email on the 1st of every month, with who joined and who left.

The screenshot shows the website's front desk interface. At the top, there's a teal header with the address '2750 Auto Park Way, Ste 22, Escondido, CA 92029', a discount 'New clients: 10% off your first service', and contact info 'Mon-Sat 6:30-6 • (760) 745-9900'. Below this is a navigation bar with links: Services, Training, Client Resources, Reviews, About, Shop, Front Desk, My Account, and a 'Book Now' button. The main content area is titled 'Front Desk' and includes a sidebar with various management tools like 'Today', 'Requests', 'All bookings', 'Grooming schedule', 'Vet days', 'Boarding rooms', 'Occupancy', 'Clients & dogs', 'Shot records', and 'Waiting list'. The 'L.E.E.P. Monthly dogs' section is highlighted in the sidebar. The main content area for this section has a title 'L.E.E.P. Monthly dogs' and a 'Print the list' button. Below the title is a text block explaining that these dogs get a session every day they're here for daycare, and the list is emailed on the 1st of every month. A table titled 'Currently on L.E.E.P. Monthly (3)' lists three dogs: Biscuit (Golden Retriever, Maria Sample, since Aug 4, 2026, with 'Auto-pay' status), Pepper (Miniature Schnauzer, Maria Sample, since Sep 12, 2026, with 'Not on auto-pay yet' status), and Rosie (Cavalier King Charles Spaniel, Leo Tester, since Jul 1, 2026, with 'Payment problem: card failed' status). A note at the bottom explains the 'Not on auto-pay yet' and 'Payment problem' statuses and provides instructions on how to fix them.

Who gets L.E.E.P. every day

L.E.E.P. by the day on a boarding stay

Every boarding booking asks: **Add L.E.E.P.? How many days?** A client might board 5 days and want L.E.E.P. on 2 of them.

- 1 When you book a stay at the desk, ask the client: "Would you like L.E.E.P. while they're here? How many days?"
- 2 Pick their answer in the L.E.E.P. box: **No L.E.E.P., Every day**, or a number of days. The booking won't save until you pick one.

Dematting and other by-the-hour add-ons

Dematting is \$60 an hour, in 15-minute steps. Get the owner's OK first.

Dematting (taking out mats) is **\$60 an hour, billed in 15-minute steps**. A brush-out is the same price. Hand scissoring and hand stripping are also priced by the hour.

- 1** If a coat is matted, tell the owner about the dematting fee **before** you start. Get their OK.
- 2** On the groom, add **Dematting, priced per hour**. Type the time in hours: **0.25** is 15 minutes, **0.5** is 30 minutes, **0.75** is 45 minutes, **1** is an hour.
- 3** The price works itself out.

Careful: Brushing out mats that hurt the dog isn't kind. If shaving down would be kinder, talk to the owner first.

Choose who can book it online

- 1 Open the service.

The price is set at \$15.00 per visit, with a deposit of \$0.00. The length is 15 minutes. The 'Online booking' dropdown is highlighted with a red box, showing 'Desk approves every book'. Grooming prices by size and coat

Set the price and time for each dog size and coat type.

Most grooms cost more for bigger dogs and thicker coats. Each groom has a price table. The table also holds how long the groom takes. That time blocks the groomer's day.

Steps

- 1 In the menu, click **Services & prices**.
- 2 Click a groom, like **Hair Cuts - Full Grooms**. Its box opens.
- 3 Scroll down to the table. Each row is a coat type. Each column is a dog size.
- 4 The top number in a box is the price in dollars. Type the new price.

The screenshot shows the 'Services & prices' page for Hot Diggity Dog Resort. The page features a navigation menu on the left with options like 'Today', 'Requests', 'All bookings', 'Grooming schedule', 'Vet days', 'Boarding rooms', 'Occupancy', 'Clients & dogs', 'Shot records', 'Forms & waivers', 'Messages', 'Shop sales', 'Products', 'Stock & reorder', and 'Help'. The main content area displays a description of the grooming service: 'Snip, style, and shine. Includes the Luxury Spa bath. We groom all coat types.' Below this, there are two tables for 'Standard groomers' and 'Signature groomers'. The 'Standard groomers' table has columns for 'COAT', 'SMALL 0-30 LBS', 'MEDIUM 31-50 LBS', 'LARGE 51-80 LBS', and 'X-LARGE OVER 80 LBS'. The 'Single Coat' row shows prices of 99, 105, 129, 149, and 150. The 'Double Coat' row shows prices of 115, 128, 155, 180, and 225. The 'Poodle / Doodle / Bichon' row shows prices of 124, 149, 169, 189, and 240. The 'Signature groomers' table has the same columns and rows, with prices ranging from 108 to 225. A red circle highlights the '99' price box for a small, single-coat dog.

What the sizes mean

- **Small:** 0 to 30 lbs.
- **Medium:** 31 to 50 lbs.
- **Large:** 51 to 80 lbs.
- **X-Large:** over 80 lbs.

The coats are **Single Coat**, **Double Coat**, and **Poodle / Doodle / Bichon**.

Good to know: Leave a price box blank, and clients must call to book that dog. Leave a Signature price blank, and Signature groomers charge the standard price.

Careful: The minutes matter. Too few, and the groomer runs late. Too many, and the day has empty gaps.

By the job or by the minute

Each service has a **Charge** box.

- **By the job:** you type the price in each box, like now.
- **By the minute:** type a **\$ per minute** (and a Signature rate, if it's different). Then type only the minutes. The system works out each price (minutes × rate, rounded to the dollar). That price shows on the website and at the desk.

Either way, the minutes are what block the groomer's calendar.

One dog who takes longer (or shorter)

- 1 Open the client, then the dog.
- 2 Under **Grooming**, find **own times**. Pick the service and type the minutes, like **Full Groom: 120**.

3

Leave the price blank to charge the usual way. By the minute, that's the dog's minutes × the rate. Or type a price just for this dog.

4

Press **Save**.

Tip: Some add-ons are one price for every dog. They have no table. They just have one **Price (\$)** box.

Passes and L.E.E.P. memberships

Change daycare pass discounts and the L.E.E.P. Monthly price.

A daycare pass is 10 or 20 days paid ahead, at a discount. L.E.E.P. Monthly is billed every month. You set both on one page.

Steps for daycare passes

- 1 In the menu, click **Passes & memberships**.
- 2 Find the **Daycare passes** box.
- 3 To change the discount, type a new number in **Discount %**.

The Discount % box for a pass

- 4 The **Offered** box is checked when the pass is for sale. Uncheck it to stop selling it.

Good to know: A pass price is based on each dog's daycare price, minus the discount. You don't type a pass price.

Careful: The pass name has the discount in it, like "(5% off)". Changing the number does not change the name. Ask Claude to fix the name if you change a discount.

Steps for L.E.E.P. Monthly

- 1 On the same page, find **Monthly memberships**.
- 2 Type the new price in **Price / month (\$)**.
- 3 Press **Save**.

The screenshot shows the 'Monthly memberships' section of the Hot Diggity Dog Resort website. The page has a navigation bar at the top with links: Services, Training, Client Resources, Reviews, About, Shop, Front Desk, My Account, and a 'Book Now' button. A sidebar on the left contains various links: Products, Stock & reorder, Help, Morning report, Sales reports, Payroll, QuickBooks, EasyBus history, Phone agent, Groomers, Job applications, Services & prices, Passes & memberships (highlighted in teal), Website pages, and Team members. The main content area is titled 'Monthly memberships' and includes a note about pricing for new members. Below this is a table with columns: MEMBERSHIP, PRICE / MONTH (\$), and OFFERED. The table lists 'L.E.E.P. Monthly' with a price of 50.00 and an 'OFFERED' checkbox that is checked. A red box highlights the '50.00' price input field. Below the table is a red 'Save' button.

The L.E.E.P. Monthly price box

Careful: A new price is only for new members. Members who already pay by card keep their old price. California law says you

must email them 7 to 30 days before you raise it. Ask Claude to do that for you.

See who is a member

The **Members** box at the top lists each member and their dog. The **Billing** column shows if their card is on auto-pay.

Holiday fee and holiday rules

Where the holiday fee, the 3-night rule, and the shared-suite \$5 off are set.

The system adds holiday rules to boarding on its own. This page tells you what they are, where to change them, and where clients see them.

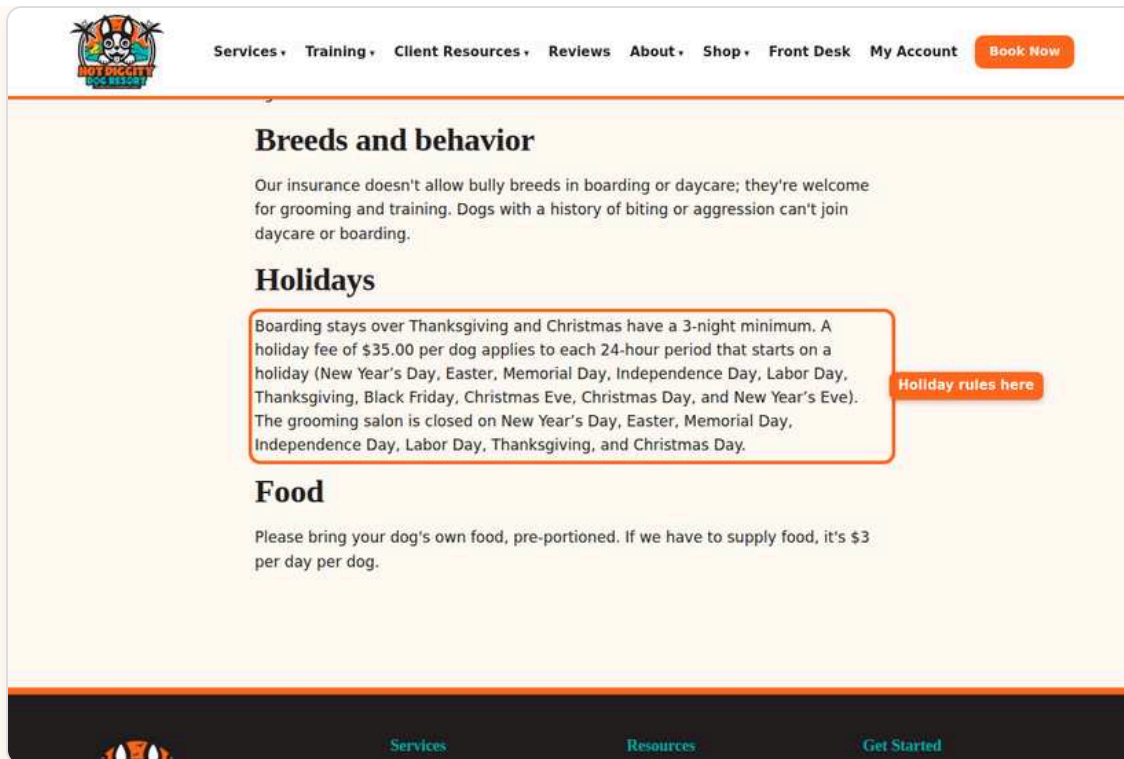

What the system does now

- **Holiday fee:** \$35 per dog, for each holiday the dog "touches": the day it checks in, the day it checks out, or a day it stays over. Check in Dec 22 and go home Christmas morning, and Christmas Eve and Christmas Day are both charged.
- **3-night minimum:** stays over Thanksgiving or Christmas Day must be at least 3 nights.
- **Sharing a suite:** the first dog pays full price. Each extra dog in the same suite gets \$5 off per night.

The holiday fee days are New Year's Eve, New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, Black Friday, Christmas Eve, and Christmas Day. Three holidays are two fee days each: Thanksgiving and Black Friday, Christmas Eve and Christmas Day, New Year's Eve and New Year's Day. Easter has no fee.

See what clients see

- 1 Open the website's **Policies** page.
- 2 Scroll to **Holidays**. The fee and the 3-night rule are shown there.

The Holidays part of the Policies page

Good to know: The Policies page gets these numbers from the system. If the numbers change, the page changes too.

To change a number

- 1 In **Front Desk**, press  **Settings & staff**.
- 2 Find the box **Capacity & requirements**.
- 3 Type the new amount in **Boarding holiday fee, per dog per night (\$)**, **Thanksgiving & Christmas minimum stay (nights)**, or **Shared suite: off per extra dog per night (\$)**.
- 4 Press **Save settings**.

Careful: A change affects the price of new boarding bookings. Also tell the desk, so they give clients the right price.

Tip: The phone agent has its own words about holidays. If a rule changes, update that too. See topic 18.

Staff pages, services, and hours

Each person's page: the services they can do, their hours, pay, tips, paperwork, and notices.

Every person who works here has a page. Press **Staff** in the menu, then press their name. The list on the left is the same as EasyBusy: **Profile, Appointments, Availability, Clients, Forms, Info Card, Payroll, Permissions, Services, Tips, Notifications.**

Pick the services someone can do

This is the most important part. A groomer can only be booked for the services checked here. That goes for online booking, the front desk, and moving a groom on the schedule.

- 1 Press **Staff**, then the person's name.
- 2 Press **Services**.
- 3 Check each service they can do. Check the add-ons too, like nails or teeth.
- 4 Press **Save services**.

Good to know: If a groom has an add-on they don't do, it can't go to them. The site says so if someone tries.

Good to know: Took a service away? The site tells you if they already have one booked. Look under **Appointments** for the orange "not in their services" tag.

Add a new person

- 1 Press **Staff**. Scroll to **Add a staff member**.
- 2 Type their name, title, cell, and email.
- 3 Takes grooming appointments? Leave **Takes appointments** checked.
- 4 Press **Add, then pick their services**. Their **Services** page opens next.
- 5 Then set their hours under **Availability**.
- 6 Give them a login on **Staff logins & permissions**. Link it under **Permissions**.

Hours and time off

- 1 Press **Availability**.
- 2 Type start and end times for each day. Leave the start blank for days off. Press **Save hours**.
- 3 For a day off or a one-time change, use **Time off & one-off changes**. Press **Add**.

The other sections

- **Appointments**: what's coming up for them, and the last 30 days.
- **Clients**: clients they've groomed, and dogs who ask for them.
- **Forms**: upload their W-4, DE 4, I-9, and licenses. Add an expiration date if the paper has one. Only owners can open these.
- **Info Card**: address, birthday, and emergency contact. Press **Print card**.
- **Payroll**: their hourly rate and commission, and their last three pay periods.
- **Permissions**: which login is theirs, and what their job can do.
- **Tips**: tips by month, and the latest tips.
- **Notifications**: email or text them when a groom is booked, moved, or cancelled. It can also send their day's list at 6 am.

Good to know: Staff see their own Tips and Notifications. Only owners see Forms, Info Card, Payroll, and Permissions.

Staff logins, permissions, and the activity log

Give each person their own login, choose what each job can do, and see who did what.

Everyone who works here gets their **own** login. Never share one. The site writes down everything each person does, under their name. If something goes wrong, you can see who did it and when.

Give someone a login

- 1 Press **Staff logins & permissions** in the menu.
- 2 Press + **Add a login**.
- 3 Type their first name and last name. Then type a **username** (like mariana.m), or their work email if they have one. Never use a personal email.
- 4 Pick their **Job**: General Manager, Office Manager, Salon Manager, Daycare & Boarding Manager, Front Desk Lead, Front Desk Coordinator, Groomer, Pet Care Technician, or Owner.
- 5 Is this person a groomer? Pick their name. This ties their login to their spot on the grooming schedule.
- 6 Type a starting password. Tell it to them in person. They can change it with **Forgot password**.
- 7 Press **Add login**.

Choose what a job can do

- 1 On the same page, go to **What each job can do**.
- 2 Open a job, like **Groomer**.

- 3 Check the things this job may do. Uncheck the rest.
- 4 Press **Save**. It changes for everyone in that job right away.

Good to know: Owners can always do everything. Prices, payroll, QuickBooks, settings, logins, and the activity log are for owners only. They can't be given to a job.

Good to know: Want a new kind of job, like "Bather"? Open + **Add a job**, name it, check its boxes, and save.

When someone leaves

- 1 Find them under **Logins**. Press **Edit**.
- 2 Press **Turn off this login (they left)**.
- 3 They are signed out right away and can't get back in. Everything they did stays in the activity log.

See who did what

- 1 Press **Activity log** in the menu.
- 2 Pick a **Person**, a kind of thing (**Money** shows payments, refunds, cash counts, and promo codes), or dates.
- 3 Or type a booking number, like **1042**, or a word, like **refund**.
- 4 Press **Search**. Press **changes** under a line to see each thing that changed, with what it was before.

Tip: Every booking and client page has a **History** box at the bottom. Only owners see it. It shows who booked it, who changed it, and who took each payment.

Good to know: The log also shows log-ins, wrong passwords, and anything a login tried to do but wasn't allowed to.

Shared computers

Staff are logged out after 60 minutes of not using the site. You can change the minutes on **Staff logins & permissions**. At a shared computer, staff should press ⇌ **Switch user** at the bottom of the menu when they are done. Then the next person logs in as themselves.

Edit a website page

Change words, add a photo, preview, go live, and undo.

You can change the words and photos on any page of your website. Every save is kept. So you can always go back.

Open the page

- 1 In the menu, click **Website pages**.
- 2 Find the page in the list. Press **Edit** on its row.

Good to know: "Collected" is money in the bank. "Booked" is work on the books. They are not always the same number.

Tip: For your books, use the **QuickBooks** page. See topic 13.

QuickBooks

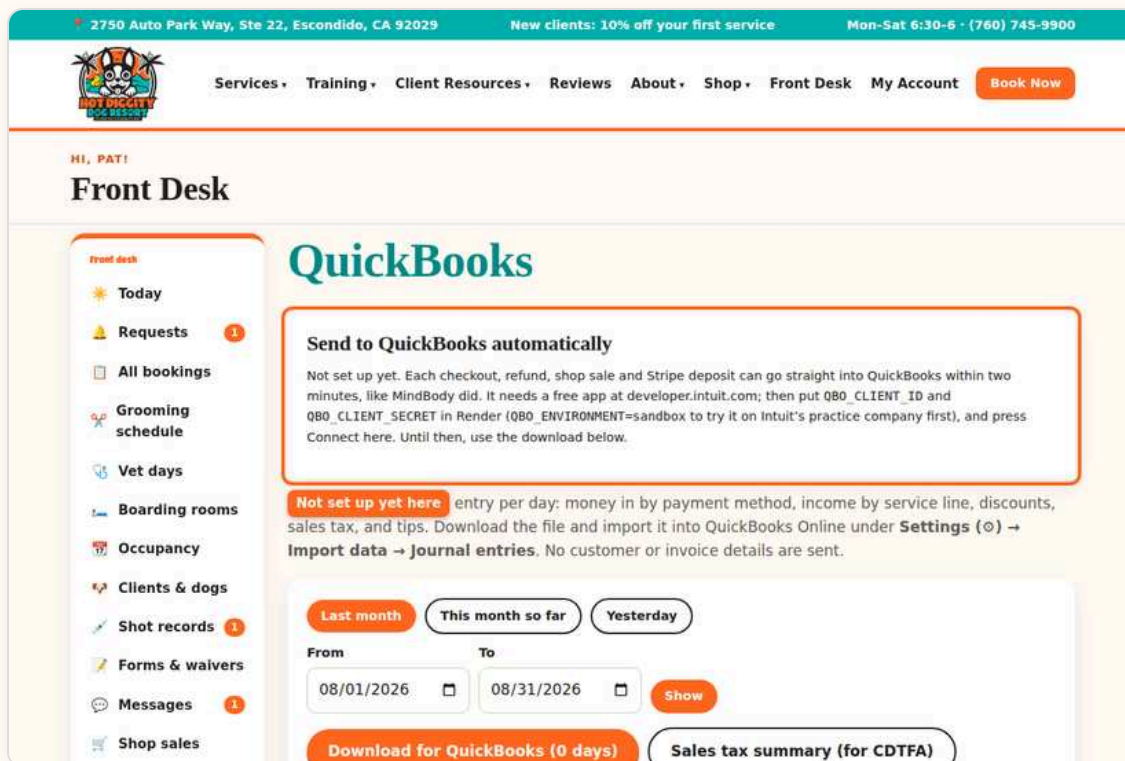

Send your sales to QuickBooks on their own, or download a file as a backup.

The system can send your sales to QuickBooks Online by itself. Each checkout, refund, shop sale, and Stripe deposit goes in within about two minutes. There is also a download. Use it only as a backup.

First, a one-time setup

The automatic sending needs a free Intuit app. Claude sets it up with you. It will walk you through each step. Until that is done, the box at the top says **Not set up yet**.

- 1 In the menu, click **QuickBooks**.
- 2 Look at the top box, **Send to QuickBooks automatically**.

The box that says Not set up yet

Good to know: The practice site has no Intuit app. So it always says **Not set up yet** there.

Connect QuickBooks

Once the Intuit app is ready, the box shows a **Connect to QuickBooks** button.

- 1 Press **Connect to QuickBooks**.
- 2 Sign in to QuickBooks. Pick the Hot Diggity company.
- 3 You come back to this page. The box now says **On** and "Connected to" your company.

Pick the start day

- 1 Find **Send money taken on or after**.
- 2 Pick the day the new system goes live.
- 3 Press **Save** next to it.

Careful: Use the go-live day. Then money EasyBusy already put in your books is not counted twice.

Missing accounts

QuickBooks may not have an account the system uses. Then a yellow note lists it.

- 1 If you see **Create it** next to a name, press it. QuickBooks makes the account.

2

If there is no button, make the account in QuickBooks. Or change the name at the bottom of this page.

Entries that need a missing account wait until it exists.

Entries that didn't go

A table may show things that didn't reach QuickBooks. It lists the **Day**, **What** it was, and **Why it didn't go**. Fix the problem. Then press **Send now**.

The buttons

- **Send now**: send anything waiting, right now.
- **Pause**: stop sending for a while. The button then says **Resume**.
- **Disconnect**: stop sending for good. You would need to connect again.

Stripe deposits

When Stripe puts card money in your bank, that goes in on its own too:

- Your bank account gets the money that arrived.
- The Stripe fee goes to 533 Credit Card Processing Fees.
- **POS Clearing - Stripe** goes back down, toward zero.

Your account names

The system puts money into your QuickBooks accounts. The names already match your chart of accounts. Look them over once.

1

Scroll down. Click **Your QuickBooks account names (set once)**.

2

Check that each name matches QuickBooks exactly.

Press **Save account names**.

The screenshot shows the Hot Diggity Dog Resort website interface. The top navigation bar includes links for Services, Training, Client Resources, Reviews, About, Shop, Front Desk, My Account, and a Book Now button. The left sidebar contains a menu with options like Job applications, Services & prices, Passes & memberships, Website pages, Team members, Promo codes, Automatic reminders, and Settings & staff. The main content area displays various account management options, including Business Checking #3002, Card processing fees (Stripe), Money in: gift card, Other Costs: Credit Card Processing Fees, Gift Card Liability, Money in: anything else, Undeposited Funds, and Daycare passes. The Daycare passes section has two radio button options: 'Count a pass as income the day it's paid for.' (selected) and 'Hold it as a liability and count each day as it's used (accrual basis; not for Hot Diggity)'. Below these options are two 'Save account names' buttons. The footer contains the Hot Diggity Dog Resort logo and links for Services (Boarding, Daycare, Grooming), Resources (Blog, Podcasts, eBooks), and Get Started (Book a Stay, Client Login, Help).

The Save account names button

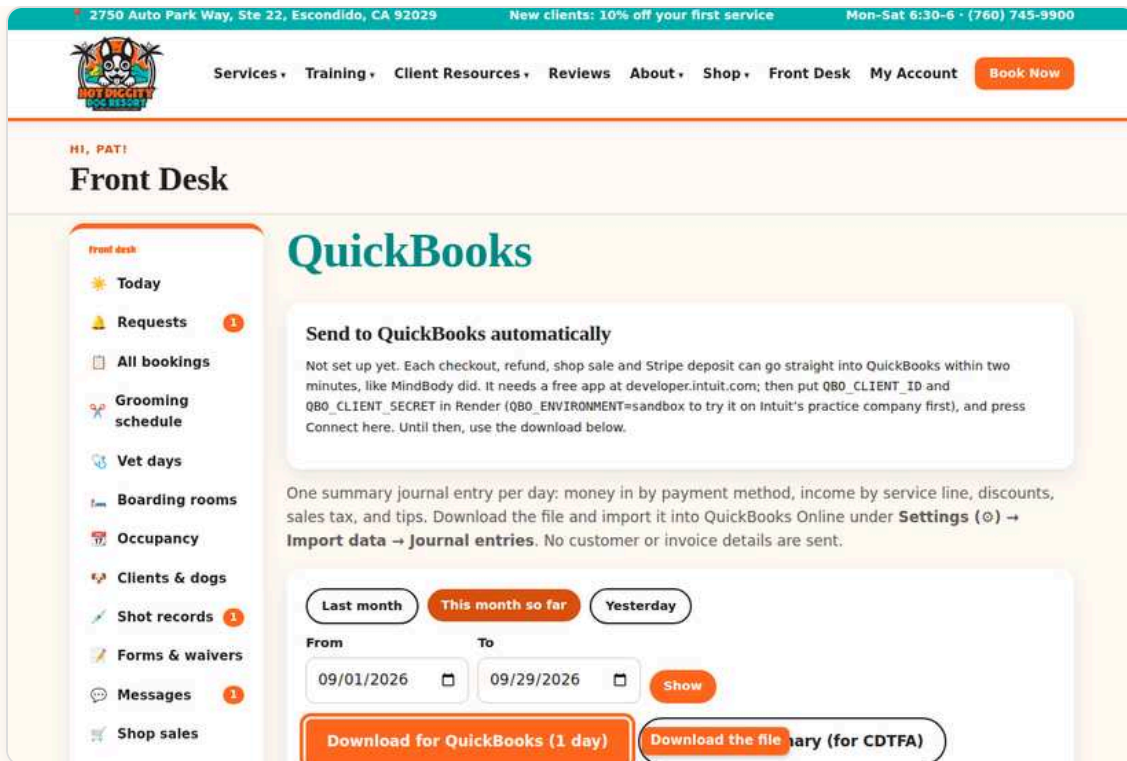

Tip: For an account inside another account, type both names with a colon. For example: `Daycare:Daycare Discount Packages`.

The backup way: download a file

Use this only when automatic sending is not on.

1

Pick the days. Press **Last month**, **This month so far**, or **Yesterday**. Or type dates in **From** and **To**, and press **Show**.

The Download for QuickBooks button

4

In QuickBooks Online, click **Settings** (the gear). Then click **Import data**. Pick **Journal entries**, and choose the file.

Careful: Never bring in a download for days that were already sent on their own. QuickBooks would count that money twice.

Careful: Don't bring in the same days twice, either. The page warns you when your dates overlap a past download.

Good to know: Cash basis means money counts on the day it comes in. Only money taken in the new system goes to QuickBooks. Older money stays in EasyBusy history.

- 2 Pick the days, like **Last month**. Or type dates in **From** and **To**, and press **Show**.
- 3 Scroll down to the **Sales tax** box. It shows each month.

The screenshot shows the website's front desk interface. On the left is a sidebar menu with items like 'Today', 'Requests', 'All bookings', 'Grooming schedule', 'Vet days', 'Boarding rooms', 'Occupancy', 'Clients & dogs', 'Shot records', 'Forms & waivers', 'Messages', 'Shop sales', 'Products', 'Stock & reorder', and 'Help'. The main content area has a header with navigation links and a 'Book Now' button. Below the header, there's a section for 'One summary journal entry per day...' with instructions on how to import data into QuickBooks. A date range selector shows 'From 09/01/2026' to 'To 09/29/2026'. Two buttons are highlighted: 'Download for QuickBooks (1 day)' and 'Sales tax summary (for CDTFA)'. Below these, there's a table for 'Tue, Sep 1, 2026 – Tue, Sep 29, 2026' with columns for 'QUICKBOOKS ACCOUNT', 'DEBITS', and 'CREDITS'. The table lists 'POS Clearing - Stripe' with a debit of \$57.00 and 'Daycare' with a credit of \$57.00. At the bottom, there's a section for 'Sales tax, Tue, Sep 1, 2026 – Tue, Sep 29, 2026' with columns for 'MONTH', 'TAXABLE SALES', 'TAX COLLECTED', and 'NON-TAXABLE (SERVICES, COURSES)'.

The Sales tax summary button

What the columns mean

- **Taxable sales:** shop products that are taxed, after discounts.
- **Tax collected:** the tax clients paid.
- **Non-taxable:** services and online courses.

Careful: Have your accountant check the numbers before you file.

Good to know: Sales tax goes to its own account in QuickBooks, "Sales Tax Payable - HDDR." So file from this summary, not from the QuickBooks sales tax center.

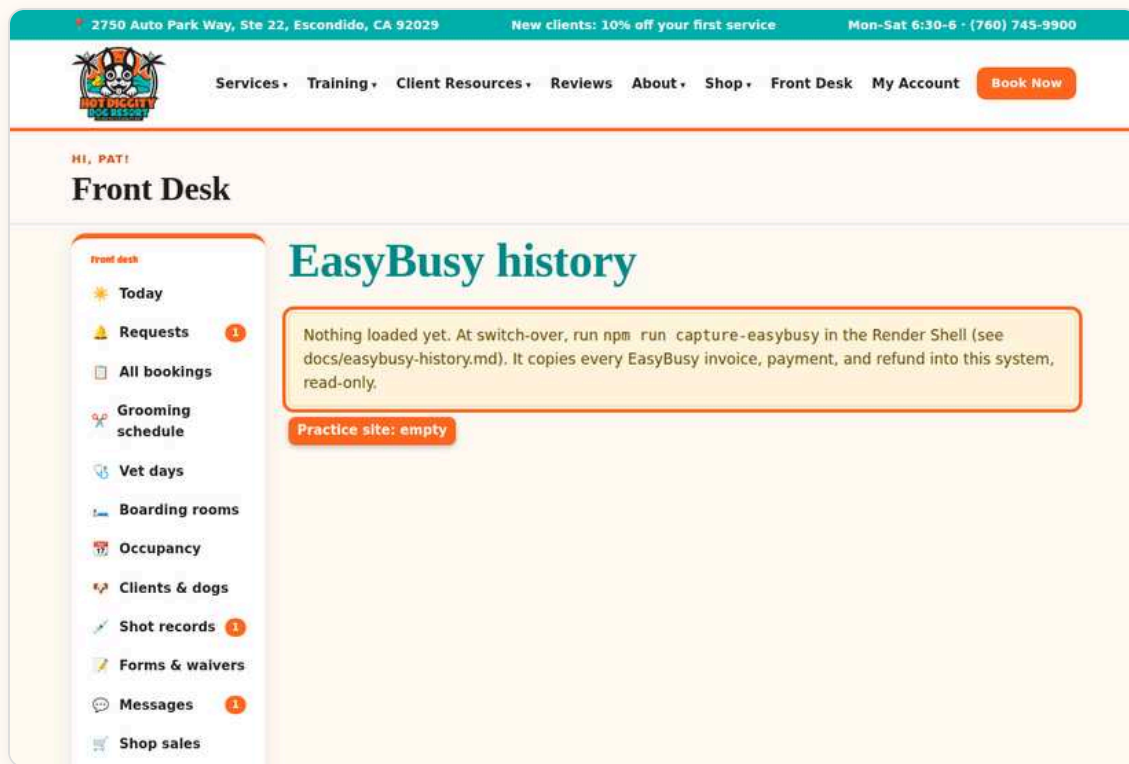

Tip: The shop's tax rate is set on **Settings**. See topic 21.

EasyBusy history

Look up your old sales and invoices from EasyBusy.

Your old sales from EasyBusy are kept in the new system. You can look them up and download them. You can't change them.

Good to know: The practice site has no EasyBusy history. It only shows a note. The real site fills in once the EasyBusy copy is loaded.

The practice site's EasyBusy history page

Steps

- 1 In the menu, click **EasyBusy history**.
- 2 Press a year button to pick a year. Or press **All years**.
- 3 **Money received by month** shows money in, refunds, tips, and sales tax.

- 4 **Sales by category** shows sales for boarding, grooming, and more. Click **By service** for each service.
- 5 **Sales tax by quarter** shows the tax for each three-month period.
- 6 **Refunds** lists every refund. Click it to open the list.

Download a report

Each box has a download button. On **Money received by month**, you can pick:

- **Download monthly summary**
- **Every payment and refund**
- **Every invoice**
- **Every line item**

The other boxes have a **Download** button.

Find an old invoice

- 1 Scroll to **Find an invoice**.
- 2 Type an invoice number, a client, or a dog's name.
- 3 Press **Search**.
- 4 Click the invoice number to see it.

Good to know: Money counts on the day it came in. That is cash basis. California says to keep sales tax records at least 4 years.

Tip: Some future bookings from EasyBusy may have no price yet. Then a yellow note shows at the top. Press **Price them from the price list**.

Payroll

See what each groomer earned for a pay period, and download it.

The **Payroll** page adds up each groomer's grooms for a pay period. It works out hourly pay and commission. It does not pay anyone. You send the numbers to your payroll service or accountant.

Steps

- 1 In the menu, click **Payroll**.
- 2 The page opens on this pay period. Periods are the 1st to the 15th, and the 16th to the end of the month.
- 3 To pick other days, type **From** and **To** dates. Press **Show**. Or press ← **Previous period**.

The table shows one appointment on Tuesday, Sep 29, 2026, at 9:00 am, for a service called 'Hair Cuts - Full Grooms' for a dog named Teddy, client Grace Example, lasting 150 minutes, with an amount of \$0.00 and a tip of \$0.00. Below the table is a button labeled 'Each appointment'.

The list of each groom for one groomer

Good to know: A groomer with both an hourly rate and a commission gets whichever is more. Tips are shown on their own. They are not part of the commission.

Careful: Have your accountant check the pay math. California has special rules for pay by commission.

Tip: Only grooms that were checked in or finished count.

Backups

What gets saved each night, and how to make a backup yourself.

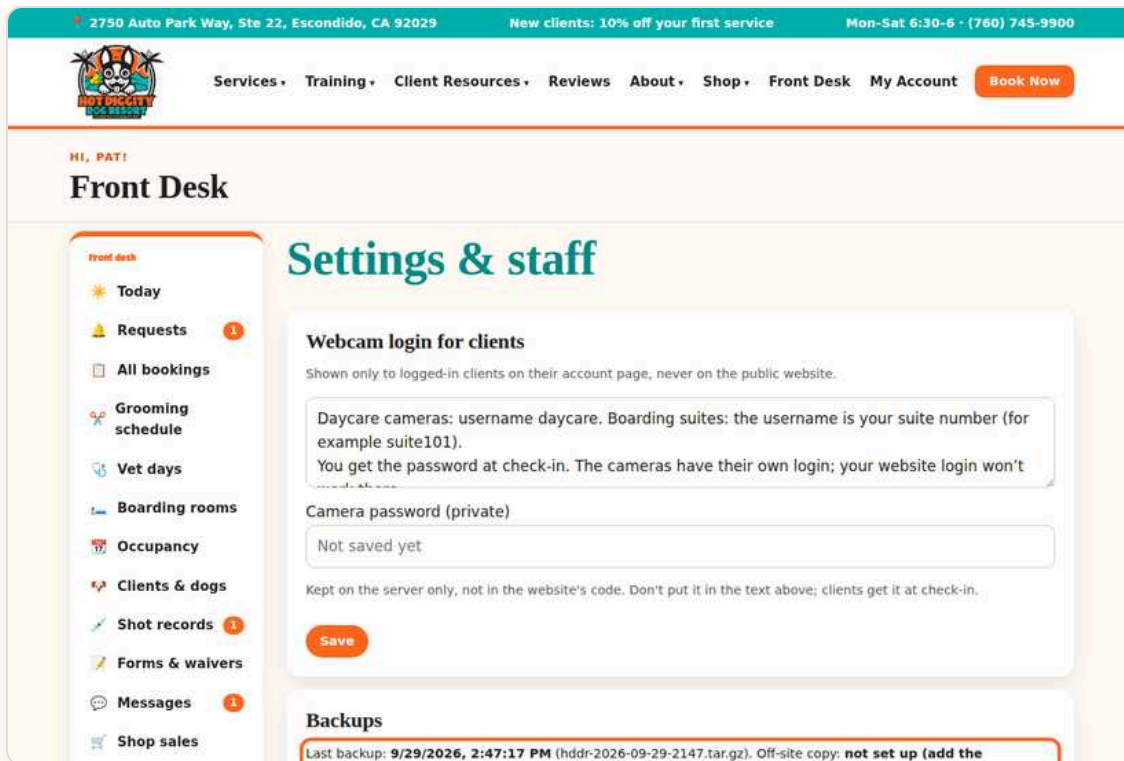

A backup is a spare copy of all your records. It has clients, dogs, bookings, and payments. If something goes wrong, the records can come back from a backup.

What runs each night

- About 2 am, the system saves a copy on the server. It keeps the last 7.
- It then sends the copy off-site to Backblaze. That is storage you own, away from the server.
- New files, like shot records, are sent off-site too.
- Render, your web host, also saves its own copy of the disk each day.

Check the last backup

- 1 In the menu, click **Settings**.
- 2 Find **Backups**. It shows the time of the **Last backup**.
- 3 Look at **Off-site copy**. On the real site, it should say **uploaded**.

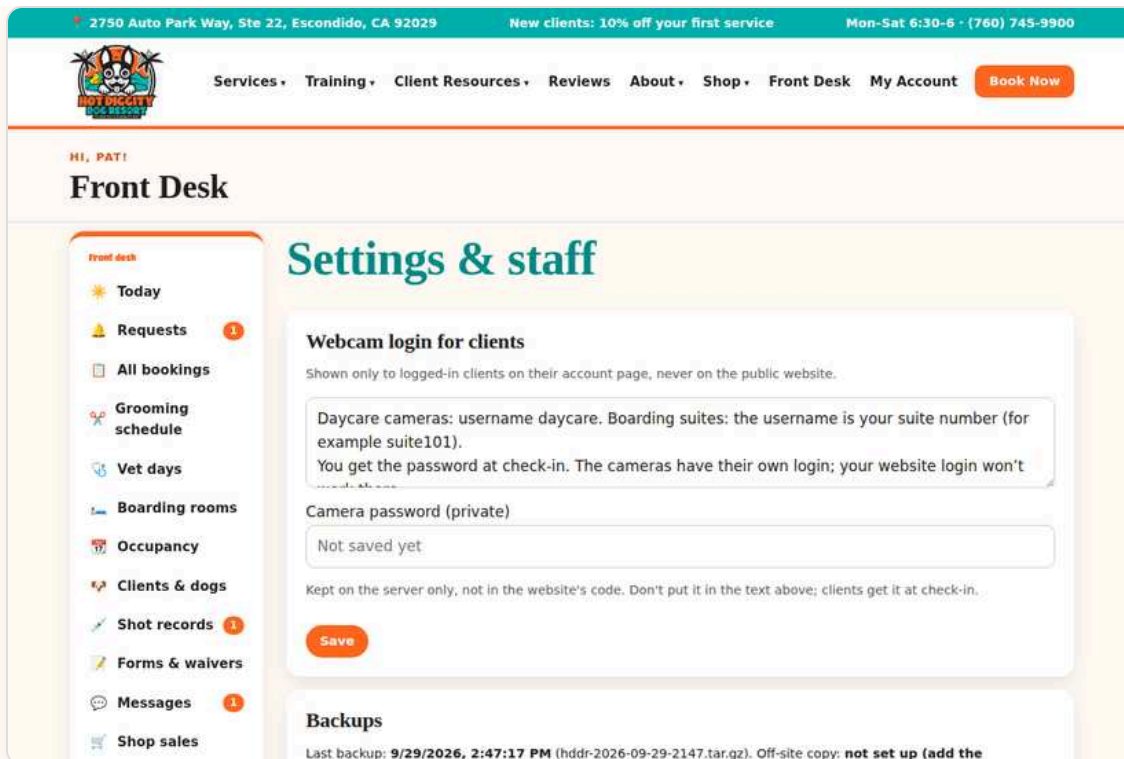

The Backups box with the last backup

Good to know: "Uploaded" means the copy reached Backblaze. The practice site says "not set up." That is normal there. It has no off-site storage.

Make a backup now

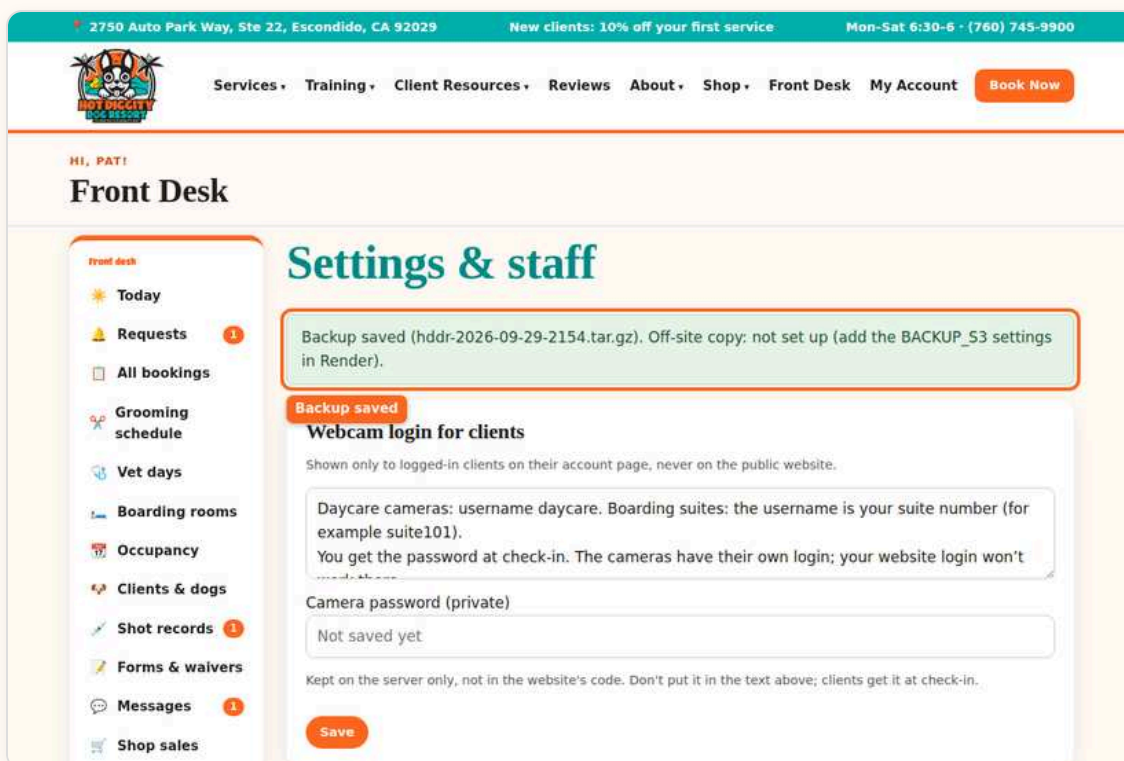

1 Press **Back up now**.

The Back up now button

2

Wait a moment. A note says **Backup saved**, and tells you about the off-site copy.

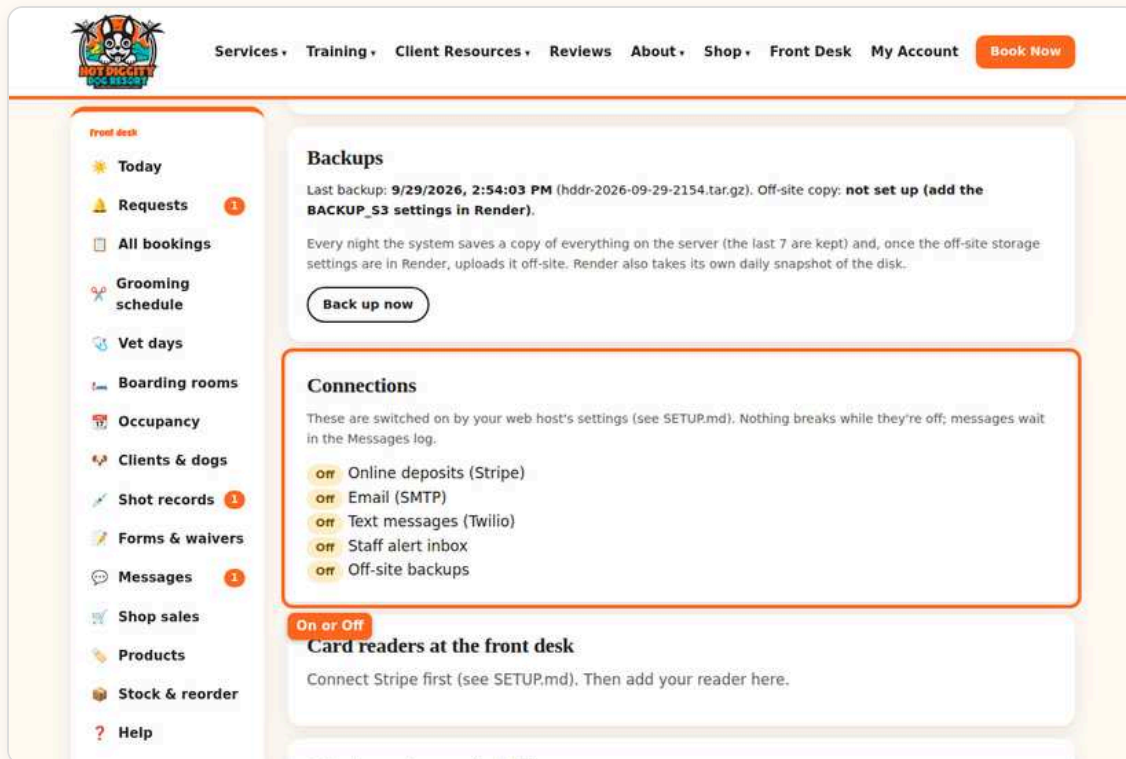

The note after a backup

Tip: Press **Back up now** before a big change, like new prices for the year.

Careful: If the note says **FAILED**, the off-site copy did not work. Tell Claude. If a nightly off-site copy fails, the staff alert inbox gets an email.

The Connections box

Connections shows what is hooked up: card payments, email, texts, the staff alert inbox, and off-site backups. Each says **On** or **Off**.

The Connections box

Phone agent

Change what the phone helper may say about your rules.

The phone agent is a computer helper that answers calls. It gets your hours, prices, and holidays from this system. On this page, you write the rules it may explain, like cancellations and shots.

Check that it's connected

- 1 In the menu, click **Phone agent**.
- 2 The box at the top says if the connection is on or off.

How many dogs fit, and shots we require

Set the most dogs per day, how long passes last, and the shots you require.

These settings stop you from booking too many dogs. They also set which shots every dog must have.

- 3 Type the code in **Pairing code**. Give it a **Name**, like "Front desk."
- 4 Press **Connect reader**.

The screenshot shows the 'Settings' page for 'Hot Diggity Dog Resort'. The left sidebar contains a navigation menu with categories like 'Occupancy', 'Clients & dogs', 'Forms & waivers', 'Messages', 'Shop sales', 'Products', 'Stock & reorder', 'Help', 'Business', 'Morning report', 'Sales reports', 'Payroll', 'QuickBooks', 'EasyBusy history', 'Phone agent', and 'Groomers'. The main content area is titled 'Connect Stripe first (see SETUP.md). Then add your reader here.' Below this is the 'Card readers' section, which includes a 'Sales tax on shop products (%)' field set to '8.75' with a 'Save tax rate' button. A note states: 'Only applies to products marked taxable. Grooming, boarding, and daycare aren't taxed. The shop won't take payment until this is set.' Below the tax section is the 'Capacity & requirements' section, which includes four input fields: 'Boarding: dogs per night' (40), 'Daycare: dogs per day' (40), 'Grooming: appointments per day' (12), and 'Daycare passes expire after (days, 0 = never)' (90). At the bottom of this section is a 'Required vaccines' list with checkboxes for 'Rabies', 'Distemper-Parvo (DHPP)', 'Bordetella', 'Canine Influenza', and 'Leptospirosis'. A 'Save settings' button is located at the bottom of the page.

The Card readers box

Good to know: The practice site has no card payments hooked up. So it only says "Connect Stripe first." On the real site, you see the pairing code box.

Change the tip choices

Under the reader, set **Option 1**, **Option 2**, and **Option 3**. These are the tip percents clients see on the reader. Press **Save tip screen**.

Tip: To stop using a reader, press **Remove** next to it. It stays in your Stripe account.
