How to log in, find your way around the Front Desk, and read the red numbers.

Welcome! This is our new system. It takes the place of EasyBusy. You do all of your desk work on one website. This page shows you how to get in and where things are.

Steps

- 1 Go to our website on the desk computer. Press **Log In** at the top.
- 2 Type your work email and your password. Then press **Log in**.

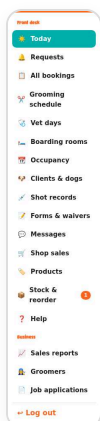

The log in page

4

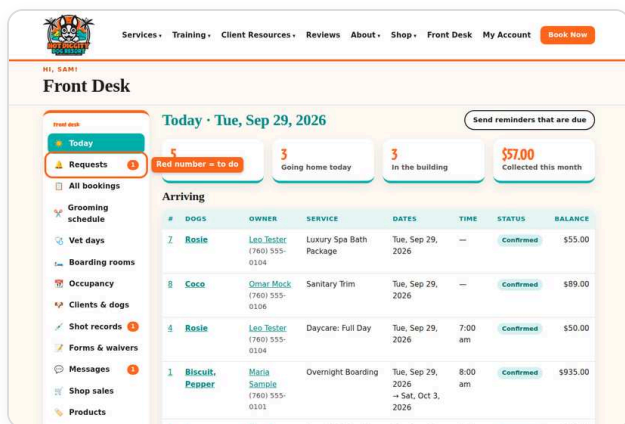

Look at the menu on the left. It is the same on every Front Desk page.

The Front Desk menu

5

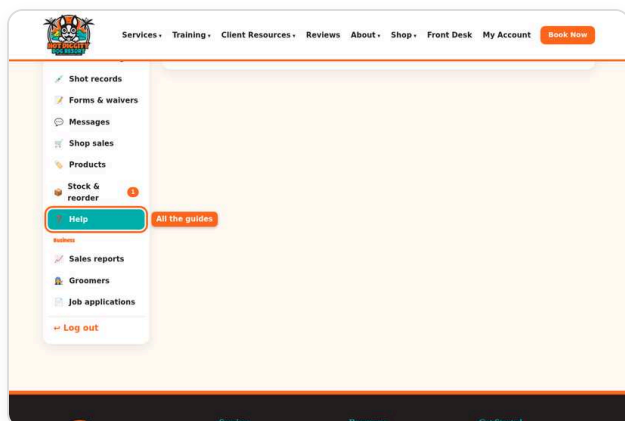

Look for red numbers in the menu. A red number means there is work waiting. For example, the number by **Requests** is how many bookings need your answer.

7 For boarding, go back to the booking. Press **Print Food & Medication sheet**. Then press **Print**. Put the sheet with the dog's food.

The screenshot shows the 'Front Desk' interface with the 'Print' button highlighted. The main section is titled 'HOT DIGGITY DOG RESORT FOOD & MEDICATION'. It includes a 'No photo on file' warning. The form contains fields for Dog (Bear), Breed (Bernese Mountain Dog), Suite # (Suite 0501), Owner & phone (Nina Demo - (760) 555-0105), Pick-up date (Thu, Oct 1, 2026), Pick-up day (Thursday), and Pick-up time (10:00 am). A red message states: 'No online Food & Medication form on file for Bear. Fill this in at drop-off.' Below this are sections for 'Food type / brand', 'Amount per meal' (Breakfast, Lunch, Dinner), 'Special recipe / mixing', 'Allergies / restrictions', 'Treats allowed?', and 'Feeding quirks'. At the bottom is a 'STAFF - DAILY TRACKING' table with columns for DATE, BK, LU, DIN, INITIALS, MED AM, MED PM, and INITIALS. The first row shows data for 'Tue, Sep 29, 2026'.

The Food and Medication sheet

Good to know: A shot box can be red (missing or out of date) or say **(unverified)**. Don't take the dog for daycare or boarding until the shots are OK. See Shot records.

Good to know: A yellow box that says **Temperament Assessment needed** means the dog has not passed yet. That dog can only come for a Temperament Assessment day. See Temperament Assessment day.

Tip: The Food & Medication sheet uses the owner's online form. If it says there is no form on file, fill it in by hand at drop-off.

Tip: Grooms don't need **Check in**. The groomer can still send the 20-minute text and press **Done**.

If something goes wrong: The webcam card shows only the daycare camera? The dog is not in a suite yet. Pick a suite first. See Boarding rooms and suites.

The boarding packet

Every boarding dog gets a packet. It goes with the dog and stays on the kennel.

- 1 Open the boarding booking.
- 2 Next to **Boarding packet**, press  **Print the packet**.
- 3 Each dog gets four pages: the **Registration Form**, the **Food & Medication Form**, the **Overnight Boarding Details Form**, and the **Entry / Exit Evaluation**.
- 4 Most of it is filled in for you. Fill in the rest by hand at drop-off: the items to inventory, the entry evaluation, and your initials.

To move a dog, do the same steps. Pick the new suite and press **Save room.**

Sharing a suite

Only dogs from the same family share. A suite can hold:

- up to 4 dogs of 20 lbs or less, or
- 3 dogs of 30 lbs or less, or
- 2 dogs of 60 lbs or less.

The first dog pays full price. Each extra dog in the same suite is \$5 off per night.

Good to know: Most suites are 4' x 6'. Suite 0501 is 5' x 6'. Suite 0601 is 6' x 6'. We save those two for 3 or 4 dogs sharing, or dogs over 80 lbs.

Good to know: A suite that says **taken** is full for part of the stay. The system won't let you put a dog there. Tick **Put them there anyway** only if David says so.

Good to know: The **Daycare Floor** and the crates are for busy times. If you use one, tell the owner. The dog sleeps in a crate at night.

Tip: On busy holidays, a stay may be split. That means no one suite is free every night, so the dog changes suites partway. The move shows in a yellow **Suite moves** box on the rooms page.

Tip: Occupancy in the menu shows six weeks at a time. Use it when a caller asks, "Do you have room?"

Good to know: The Today page lists **Shots expiring soon (booked dogs)**. These are booked dogs with a shot that runs out in the next 2 weeks. Ask the owner for the new record.

Good to know: No shots on file, no daycare or boarding. Shots must be current before the first visit.

- 2 Find **Attached forms**. Pick the **Form**.
- 3 If it runs out, type the **Expires** date.
- 4 Pick the photo or PDF in **Photo or PDF**. Add a **Note** if you want.
- 5 Press **Attach**.

Attach a paper form

Good to know: Only David can change the words on a form. You can read them, but not edit them.

Good to know: Old signed forms never change. We keep them just as the client signed them.

Tip: No Food & Medication form for a boarder? The printed sheet says so. Fill it in by hand at drop-off.

If something goes wrong: A client says the site won't let them book because of a form? Ask them to log in to their account and sign it there. Then they can book.

Where a client's forms are kept

Open the client's page. Scroll to **Forms & documents**. The client's waivers and training inquiries are under their name. Each dog's forms are under the dog's name, with any paper copies. Each dog's card also shows **Forms on file**, and marks what is still **needed**.

Good to know: A dog already coming here doesn't need the registration form or a new Temperament Assessment. On the dog's card, check **Approved for daycare & boarding** and press **Save**.

Good to know: The Food and Medication Form is needed for every boarding dog. The medication part can be left blank.

Report cards and webcam logins

Send an owner a note about their dog's day, and give out camera logins.

While a dog is checked in, you can send the owner a report card. It tells them how the dog is doing. You can also give them the webcam login.

Send a report card

- 1 Open the booking of a dog that is checked in. Scroll to **Report cards**.
- 2 Pick the **Dog**. Type the **Mood** and **Meals**.
- 3 Type a short **Note to the owner**.
- 4 Leave **Email/text it to the owner now** ticked. Press **Save report card**.

The screenshot shows the 'Report cards' form within a web application. The form has three main sections: 'Dog' with a dropdown menu showing 'Biscuit', 'Mood' with a text input showing 'Happy and playful', and 'Meals' with a text input showing 'Ate all breakfast and dinner'. Below these is a 'Note to the owner' section with a text area containing 'Biscuit made a new friend in the play yard today!'. There is a checkbox labeled 'Email/text it to the owner now' which is checked. At the bottom of the form are two buttons: 'Save report card' and 'Press Save report card'. The left sidebar contains links for 'Products', 'Stock & reorder', 'Help', 'Sales reports', 'Groomers', 'Job applications', and 'Log out'. The footer includes the company logo, address, and various service and resource links.

The report card form

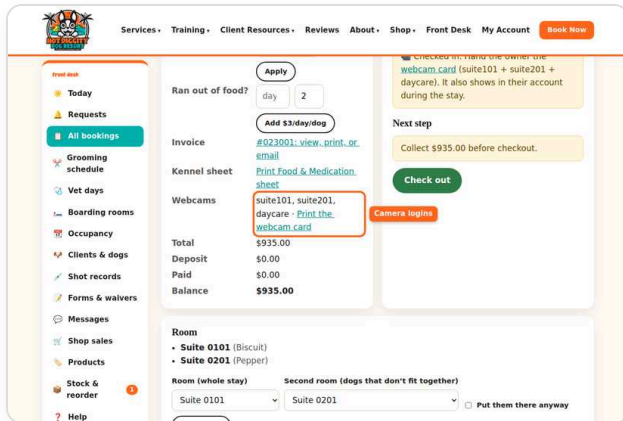

- 5 The card shows under the form. The owner can see it in their account too.

This screenshot shows the same 'Report cards' form, but now with a 'Saved and sent' message displayed below the 'Note to the owner' section. The message reads: 'Biscuit - Tue, Sep 29, 2026 - Happy and playful - Ate all breakfast and dinner Biscuit made a new friend in the play yard today!'. The 'Save report card' button is now disabled. The rest of the form and the sidebar are identical to the previous screenshot.

The saved report card

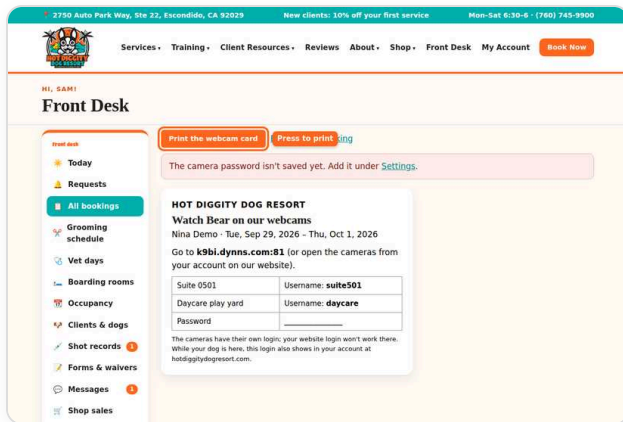

Give out a webcam login

- 1 Open the booking. Look at **Webcams**. It lists the camera usernames.

The webcam usernames

- 2 Press **Print the webcam card**. Then press **Print the webcam card** at the top.

The webcam card

- 3 Give the card to the owner. It has the web address, the username, and the password.

Good to know: Daycare has one camera login. Its username is "daycare." Each boarding suite has its own login. Its username is the suite number, like suite101.

Good to know: The camera password is not a secret. You may give it out on the phone.

Good to know: The cameras are not a way to watch dogs all night. There is no staff overnight. Never say we are open 24/7.

Good to know: Crates have no cameras.

If something goes wrong: The card says the camera password isn't saved yet? Tell David. He adds it in the settings.

What is new or different

- **Requests.** Some online bookings wait for your yes or no. See Answer booking requests.
- **Clients do more online.** They sign up, add dogs, upload shots, sign forms, and book.
- **Texts come to the website.** Answer them in **Messages**, not on a phone.
- **The 20-minute text.** Groomers text the owner. The owner replies C. See Groomers: the 20-minute text and Done.
- **Suites are picked for you** when a booking is confirmed, at the desk or from Requests.
- **Lunch floats.** Groomer lunches move by themselves to fit the day. Drag one to pin it.
- **Webcam cards print** from the booking.
- **Report cards** go to the owner by text or email.
- **Card reader tips** go to the groomer on the appointment.

Good to know: Some L.E.E.P. Monthly members are still billed by EasyBusy until the switch is done. David handles that.

Tip: Not sure where something is? Press **Help** in the menu. Or ask David.

Good to know: Label a block "Lunch" to move that day's lunch.

Tip: Online booking only offers a groomer for the services they are trained for.

- The dog must be spayed or neutered before 8 months of age.
- The dog needs a new assessment after six months away.

After the day

- 1 Open the booking. Scroll to **Dogs on this booking**. Check the shot boxes.

A dog that passed shows **Approved** and the date.

The screenshot shows the 'All bookings' page for a dog named Maple. The 'Approved!' button is highlighted in green. The 'Edit booking' section shows the start date as 10/05/2026 and the end date as 10/05/2026. The 'Drop-off' time is 08:00 AM and the 'Pickup' time is 04:00 PM. The 'Total (blank = recalculate)' is \$57.00 and the 'Deposit' is \$0.00.

The dog is approved

Good to know: Only a dog that passed can come for daycare or boarding. Grooming and training don't need it.

Good to know: We can't take bully breeds in boarding or daycare. Our insurance does not allow it. We also can't take dogs with a history of biting in daycare or boarding. Grooming and training are fine.

If something goes wrong: Not sure if the dog passed? Ask Penny or David before you press a button.

After the dog passes: the Daycare Card

- 1 On the assessment booking, type the **Temp test color** and who the dog was **Tested with**.
- 2 Press **Passed: approve for daycare & boarding**. This checks **Approved for daycare & boarding** on the dog's profile for you.

Tip: On **Today**, press  **Daycare Cards for today** to print a card for every approved dog here or arriving today.

Good to know: Grooming card notes and the temp test details can be changed later on the dog's card, under **Daycare Card (staff only)**.

A boarder ran out of food

Mark "Out of food: using ours" once. The \$3 a day charge adds itself through pickup.

When a boarder's food runs out, we feed them our house food. It's \$3 a day per dog. You don't have to tell the front desk. Mark it once, and the charge goes on the bill by itself, from that day through pickup.

Mark it

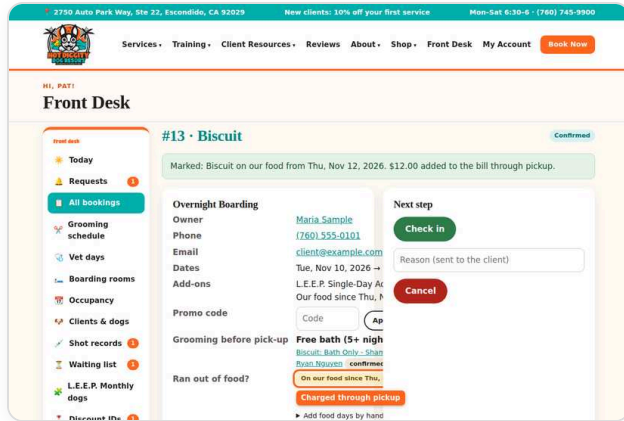

- 1 Open the dog's boarding stay. (On **Boarding rooms**, press the dog's name.)
- 2 Find **Ran out of food?** Pick the first day on our food. Check how many dogs.
- 3 Press **Out of food: using ours**.

Pick the day, then press this

4

A yellow tag says **On our food since...** The charge is on the bill.

Charged through pickup

Good to know: If the pickup day changes, or the dog goes home early, the charge changes by itself. If you marked it by mistake, or the owner brings more food, press **Undo**.

Who gets L.E.E.P. (and how many days)

The L.E.E.P. Monthly list, and the L.E.E.P. question on every boarding stay.

L.E.E.P. Monthly dogs

Dogs on **L.E.E.P. Monthly** get a L.E.E.P. session **every day they're here** for daycare.

- 1 Press **L.E.E.P. Monthly dogs** in the menu.
- 2 The list shows each dog, the owner, and the billing. **Auto-pay** is good. **Not on auto-pay yet** or **Payment problem** goes to the front desk to fix.
- 3 Press **Print the list** for the daycare room. The staff also get it by email on the 1st of every month, with who joined and who left.

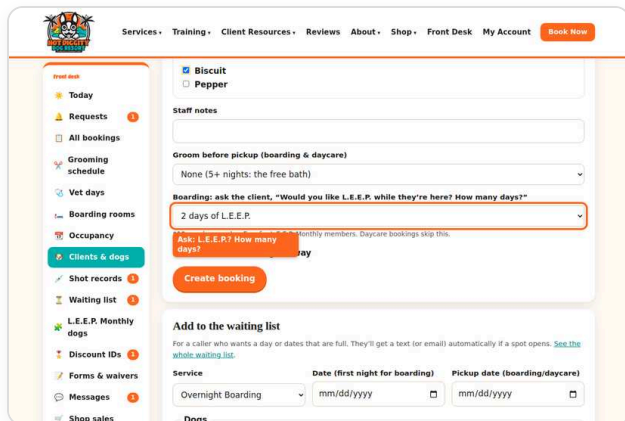

Who gets L.E.E.P. every day

L.E.E.P. by the day on a boarding stay

Every boarding booking asks: **Add L.E.E.P.? How many days?** A client might board 5 days and want L.E.E.P. on 2 of them.

- 1 When you book a stay at the desk, ask the client: "Would you like L.E.E.P. while they're here? How many days?"
- 2 Pick their answer in the L.E.E.P. box: **No L.E.E.P.**, **Every day**, or a number of days. The booking won't save until you pick one.

Ask: L.E.E.P.? How many days?

- 3 To change it later, open the booking. Use **L.E.E.P. on this stay** under **Edit booking**, then press **Save changes**.

Good to know: The number of days prints on the boarding packet in **# L.E.E.P. Days**. Monthly members show **Member**.

Bring over clients

Load clients, dogs, shots, waivers, upcoming bookings, passes and old invoices from the client file. A backup is made first.

- 1 Get the client file from Claude. It ends in **.tar.gz**. **Don't unzip it**. Keep it private: it has every client's details.
- 2 Go to **Front Desk → Bring over clients** (owners only).
- 3 Choose the file and press **Load clients**. It takes about a minute.
- 4 Read the summary. Then go to **EasyBusy history → Price them** to put prices on the upcoming bookings that came over.

Running it again is safe: anyone already here is skipped, never doubled.

The test site never emails or texts clients, so it's safe to practice with real clients there.

Discounts and deposits

One discount per visit (the biggest one wins), the birthday discount, and deposits in dollars or percent.

One discount per visit

A visit can only get one discount. When more than one could apply, the biggest is used:

- **Military and first responder** (10%), for approved clients.
- **A promo code**.
- **Birthday** (10%), when the visit is within 7 days of a dog's birthday or the stay covers it. The dog needs a birthday on its profile.

Change the birthday % or the number of days in **Settings**. Set it to 0 to turn it off.

Deposits

In **Services & prices**, each service has **Deposit (\$)** and **Deposit (% of total)**. Leave both at 0 for no deposit, or type 50 in the % box for 50% down.

Online bookings are paid in full, so deposits only apply to bookings the desk makes or approves.

Login safety and alerts

What the site does to keep logins safe, the email you get when a staff login is used from a new place, and what to do about it.

What the site does on its own

- **Wrong passwords:** after 8 wrong tries on one login, it waits 15 minutes. Many tries from one internet address get the same wait.
- **New place:** when a staff or owner login is used from an internet address it has never used before, the owners get an email: **New login place: (name)**.
- **Stolen cards:** a client can't try more than 5 cards a day. That stops crooks from "testing" stolen card numbers.
- **Fake sign-ups:** no more than 5 new accounts an hour from one place.
- **Staff logins time out** when nobody uses them, and each job only sees what it needs.

You get a "New login place" email

- If it was them (a new phone, home Wi-Fi, a different computer), there's nothing to do.
- If it wasn't, go to **Staff logins & permissions**, press **Turn off this login**, then give them a new password.

Every login and failed try is listed in the **Activity log**.

The best protection

Turn on two-step login (a code from your phone) for Render, Stripe, GitHub, your email, QuickBooks, Google and Twilio. Never log in from a link in an email: go to the site yourself.
